1. There is forwarded herewith copy of a report submitted by J.W.Barnes, Keeper of Cape Hinchinbrook Lightstation, Alaska, in regard to assistance rendered by the keepers of the station in making search for a lost seaman from the Navy Radio Compass Station, which is located in the vicinity of the lightstation.

2. While the diligence of the searching party no doubt saved the man's life, it does not appear that any unusual hazard was incurred and it does not appear, therefore, that a letter of commendation is necessary in this case.

Dear Sir:-

On November 12, 1921, a seaman from the Navy Radio Compass Station went hunting and got lost. He was lost fifty hours.

We ran the fog signal at different times, and a searching party was looking for him day and night until found. He was about ten miles east of station and was just about all in and had given up. He had run and had torn off his clothes and had thrown his gun away. His matches had gotten wet and he could not build a fire.

During the two nights he was out it was bright moonlight and owing to the weather being mild and good was all that saved him.

The searching party was as follows:

Keeper - Cape Hinchinbrook Lt.Sta., - J. W. Barnes
1st Asst. Keeper - Cape Hinchinbrook Lt.Sta., - Lee Harpole
Chief Radio Operator Navy Radio Compass Station - C.F.Skewes.

Very truly yours,

(Signed) J. W. BARNES (Keeper).

1. Authority is requested for the following temporary detail of John W. Barnes, 1st Asst. Keeper of Cape Sarichef Lightstation, Alaska, at $1050.00 per annum, to the position of acting 1st Asst. Keeper at Southeast Five Finger Island Lightstation, Alaska, without change in pay.

2. The probable effective date of this detail will be May 12, 1924, and will continue until sometime in the latter part of June, 1924, when Barnes will proceed by commercial steamer and tender to Cape Sarichef Lightstation for duty as Keeper at that station. See letter of nomination of this date.

3. Mr. Barnes has been on accrued leave of absence for the past year, which leave expires on May 15, 1924. There are only two men at S. E. Five-Finger Island Lightstation at the present time, the regular 1st Asst. Keeper having resigned and now being on accrued leave of absence due him. One of the men at the station is in poor health and the other is a recent appointee, and it is therefore deemed advisable to utilize the services of Barnes at S. E. Five-Finger Island until such time as it becomes necessary for him to leave for Cape Sarichef.

4. The exact dates of this temporary detail will be reported to the Bureau when known.

1. It is requested that an additional position of Keeper of Eldred Rock Lightstation, Alaska, be authorized, salary range $1560 - 1800 per annum, for a period not to exceed six months from June 23, 1926.

2. This additional position is necessary in order that a Keeper may be employed at this station during the absence of the regular Keeper, Mr. J. W. Barnes, who has applied for leave of absence without pay commencing June 23, 1926, on account of ill health. Mr. Barnes is now in the care of the U. S. Public Health Service at Ashville, N. C., and in his application for leave without pay at the expiration of leave with pay due him up to June 22, 1926, states that he expects to be able to return to duty within one year. If necessary, an extension of authority for the additional position will be requested. Mr. Barnes has been a faithful and highly competent keeper during his eight years service in Alaska, and it is desired to hold his present position for him should his health permit him to return to duty within a year.

3. No additional allotment will be required on account of this additional position.

Dear Sir:-

In reply to yours of July 3rd in regard to my taking position as additional keeper in Southeastern Alaska I will state that my health is very poor and it might be better for me to accept your offer. I am liable to break down at any time. While I much rather be on the western station on account of subsistence 45¢ is not enough to keep a man and if we have to take from our salary to live it means a small salary.

Commissioner of Lighthouses,
WASHINGTON, D. C.

1. Authority is requested for the following temporary detail of John W. Barnes, 1st Asst. Keeper of Cape Sarichef Lightstation, Alaska, at $1080.00 per annum, to the position of acting 1st Asst. Keeper at Southeast Five Finger Island Lightstation, Alaska, without change in pay.

2. The probable effective date of this detail will be May 12, 1924, and will continue until sometime in the latter part of June, 1924, when Barnes will proceed by commercial steamer and tender to Cape Sarichef Lightstation for duty as Keeper at that station. See letter of nomination of this date.

3. Mr. Barnes has been on accrued leave of absence for the past year, which leave expires on May 18, 1924. There are only two men at S. E. Five-Finger Island Lightstation at the present time, the regular 1st Asst. Keeper having resigned and now being on accrued leave of absence due him. One of the men at the station is in poor health and the other is a recent appointee, and it is therefore deemed advisable to utilize the services of Barnes at S. E. Five-Finger Island until such time as it becomes necessary for him to leave for Cape Sarichef.

4. The exact dates of this temporary detail will be reported to the Bureau when known.

Commissioner of Lighthouses:

Transmitted herewith is a statement showing cases in which no report has been made of the effective date of certain changes in the personnel of the Lighthouse Service, and for which no oath of office or personal question sheet has been received.

The Department directs that the Superintendents of the various districts be requested to be more prompt in forwarding oaths of office, personal question sheets, and reports of effective date of promotions and reductions not requiring an oath of office. Any undue delay in advising the Department of the effective date of changes results in a correspomding delay in reporting such changes to the Civil Service Commission, and compels the Department to keep an unnecessarily and disproportionately large number of incomplete personnel records.

[illegible] APPOINTMENT DIVISION [illegible]
DEC 2 1918

October 24, 1918.

Commissioner of Lighthouses:

Referring to nominations submitted by the Superintendent of the Sixteenth Lighthouse District under date of October 5, 1918, for the probationary appointment of John Wiley Barnes, and Samuel Gowen, and the extension of the temporary appointment of Nicholas Kashevaroff, in which it is requested in each case that authority be granted for the payment of compensation prior to the execution of oath of office, the Department has to state that in a recent opinion by the Solicitor of the Department it was held that lighthouse keepers are officers within the meaning of the law requiring all officers to take the oath of office. Such being the case, the Department cannot authorize the payment of compensation in these cases, under new appointments, prior to the taking of oath.

The same end will be attained, however, by amending the temporary appointments under which Messrs Barnes and Gowen are now serving, by changing the limitations of same so that their temporary appointments will continue until such time as it will be possible for them to take oath of office under probationary appointments, which have been issued on this date to take effect upon the date of oath. The temporary appointments of John Wiley Barnes and Samuel Gowen dated August 13, 1918, and August 8, 1918, respectively, have been amended to read: "Your appointment will continue until the close of the date preceding the execution of oath under probationary appointment." The temporary appointment of Nicholas Kashevaroff, dated August 12, 1918, has been amended to read: "Your appointment will continue for a period not to exceed six months.

It will be noted that these employees have taken oath of office under their temporary appointments.

The notices of appointment in these cases should be returned for amendment upon their faces as soon as practicable.
