Justification: Due to his failure properly to maintain the equipment, Mr. Barnett permitted lights in his care to become extinguished. These aids are operated for the safeguarding of life and property, and the transfer indicated is for disciplinary purposes owing to his neglect of duty. OFFICE OF COMMANDER

U. S. COAST GUARD
RE.D OCT 31 1940

From: Commander, Norfolk District.
To: Commandant.

Subject: Transfer and demotion, J. D. Barnett, Keeper, Pamlico Point Lights, N. C.

Inclosures: (1) Nomination, J. D. Barnett, Keeper.
(2) Copy of letter, 29 Aug., 1939 to J. D. Barnett.

1. The attached nomination is submitted in the interests of the Coast Guard. Keeper J. D. Barnett is in charge of an important group of minor lights in North Carolina, and incident to his prescribed duties is the maintenance and upkeep of these aids. They have not been maintained up to our required standard.

2. On a recent inspection six of the lights were found extinguished, three of them due to lack of proper and timely recharging. Attention is invited to our letter dated 29 August, 1939, copy attached.

3. It is becoming increasingly evident that Keeper Barnett is neglecting his duties, and it is believed that his transfer to Hooper Island Light Station, Md., involving a demotion is justified. In view of the fact that the proposed action is in the interests of the Service, it is recommended that the Government defray his travel expense to Hooper Island Light Station, and that, should he so request, transportation of his household effects be authorized in accordance with the regulations appertaining thereto.

1. My attention has been invited to the condition of the engine of your boat, which was recently brought to the depot for repairs. This engine evidenced lack of any attempt at all to maintain it. It was dirty and full of rust. You are advised that if ever a boat is taken from your station or found at your station in the condition that this boat was in, particularly the engine, you will be the recipient of severe disciplinary action. You are advised that the present boat which you have will be very carefully checked when taken from your station, and if not in perfect condition, the aforementioned action will be taken in your case.

Dear Sir;

We thank you very kindly for your prompt reply to our letter of May the 27th, which had reference to the account oweing us by Mr J.D.Barnette, Light House Keeper.

Mr Barnette owes us a balance of $122.76 and we have tried all means at our command to get him to make some payments, but so far we have failed, The account is all past due, however if he will pay as much as $5.00 each month we would accept that,and would carry it untill paid out,

We tried very much to help Mr Barnette when he first moved in our Town, as he was a stranger here we felt that we were doing him a favor in many ways other than allowing him a charge account with us.

We regret that it is neccisary to trouble you with this matter, but as we have noway of getting a settlement from Mr Barnette without your assistance, we would thank you very much to handle this matter with him.

In connection with your letter of 27 May, concerning indebtedness of Mr. J. D. The plan you suggest, by which Mr. Barnette might pay $5.00 per month on your account, seems to be reasonable. My dear Mr. Bonner:

Further reference is made to letter from this office addressed to you on December 4, with regard to your telephone inquiry on that date in the case of Mr. Joseph D. Barnett, who is employed as a civilian keeper in the Norfolk District of this Service.

Careful consideration has been given to the matter, and I have to inform you that Mr. Barnett's transfer from Pamlico Point Light Station was necessary in the interest of the Service, in consequence of his negligence in the performance of his duties. A recent inspection disclosed the fact that six of the lights in his care were extinguished, three of them for the lack of proper and timely recharging. Also, about a year ago he was cautioned concerning his negligence in regard to the maintenance of his boat; so that his transfer and demotion are considered to have been necessary in the interest of the Service.

Very sincerely yours,

1. The attached nomination is submitted in the interests of the Coast Guard. Keeper J. D. Barnett is in charge of an important group of minor lights in North Carolina, and incident to his prescribed duties is the maintenance and upkeep of these aids. They have not been maintained up to our required standard.

2. On a recent inspection six of the lights were found extinguished, three of them due to lack of proper and timely recharging. Attention is invited to our letter dated 29 August, 1939, copy attached.

3. It is becoming increasingly evident that Keeper Barnett is neglecting his duties, and it is believed that his transfer to Hooper Island Light Station, Md., involving a demotion is justified. In view of the fact that the proposed action is in the interests of the Service, it is recommended that the Government defray his travel expense to Hooper Island Light Station, and that, should he so request, transportation of his household effects be authorized in accordance with the regulations appertaining thereto.

Your attention is invited to the following personnel situation -

Attached hereto please find inspection reports on 10 of the lights serviced by Barnett. Apparently all of these units needed painting, and 6 of the Lights were extinguished, three of which were found exhausted. This type of units need recharging only once in 5 months.

In addition your attention is invited to letter of 29 Aug 1939. Copy attached.

Pamlico Sound Group is not only an important group, but an extremely desirable station. It is becoming increasing evident that Barnett is grossly neglecting his duties -

It is therefore recommended that Keeper J. D. Barnett be transferred to Hooper Island Light Station, upon the retirement of Dudley - the present Keeper, whose retirement is pending.

Recommend this be done

1. Relative to your letter of February 28, I wish to state that in my opinion there would be no objection to your doing some kinds of work in addition to your official duties.

2. However, please bear in mind that your salary places you in a category of a full-time employee, and the Government therefore is entitled to an average of 44 hours per week of your time, and any employment that would interfere with that should be avoided. Furthermore, during periods when employment is scarce Government employees who, in seeking an income in addition to that paid by the Government, would be sharply criticized if they entered into competition for jobs upon which other citizens depended for their livelihood. You should carefully avoid such a situation.

Sir: Some time ago I went to the office to ask if it would be alright for me to work some time on the out side when it did not conflict with my other duties, there being none of the Superintendents in at that time Mr Rebel told me that it would be alright to do so.
I have a chance to do some work and I thought it might be well to have your consent before I do so.

Respectfully.

Supt: I told him, as I recall, that he could undertake some jobs on outside, on his own time, if it did not conflict with his regular job + people did not complain that a regular employee of the Govt was in competition with them in earning a living. I told him it was my personal view only.

1. It appears that Keeper Farrow will be retired effective at the close of December 31, 1935. You are today being nominated for the position of Keeper, and will be advised further of the Bureau's attitude on this nomination. Inasmuch as the range for keeper at this station is $1800-2160 and it is necessary for you to enter a higher range at the lowest figure of the range, there will be no increase in pay for you at the present time.

2. For the present, you are authorized to secure for temporary service a suitable man to assist you in the work at the station until the position can be filled permanently from an eligible register. He will be employed as a substitute at the rate of $100. per month. Time sheets are herewith which should be submitted at the end of the month. Service cards are also herewith, which should be filled out as completely as practicable for the substitute and returned to this office. Mr. Farrow will turn over to you all the property at the station in his care, obtaining your receipt for same on the regular inventory forms. Some of these forms are being sent you in case you have none on hand.
