Mr E. S. Langpher, Supt. L.H.S.
New Orleans. La.

Dear Sir:-

I herewith make application for a position in the Light-House Service, as I understand there are two vacancies here in Port Eads, these vacancies I believe come under Mr Edgerton his work. As per my conversation over the phone with you this morning, am sending you my record of work, while employed in the Engineer dept at this place.

I had twenty mon ths Service in the Army during the past war, after receiving my discharge, which was Febry 18th 1919, I came to New Orleans and worked for the War Camp Community Service Club, I held this position from March 1919, to the time the club closed down which was Oct 31, 1919. From Nov 1st 1919, until July 15th 1921, I was employed as Steward in the U.S. Engineer dept at this place, and on account of a reduction of force, was laid off (July 15-1921).

At present I have been working in the Carpenter gang as Laborer, as there are no other openings in this department at present.

It is my desire to stay here at Portsdale, and in making this application can say, if given a position, I will do my very best to perform any work entrusted to me, and in stating I might say, it will be of convenience to you to have a person steady on a job than to be making changes as there are lots of men who do not care for this place, and for me I am satisfied to stay providing I can locate a good position.

Trusting I have furnished the necessary information, and that same will be given consideration, I am

Yours truly

E. J. Brennan
