I have the honor to say that I am again compelled to report 1st Asst. Bartels for gross insubordination, shirking his duty and threatning me while in the execution of my duties. This happened on two separate occasions since I was last in Honolulu to ask your advice and to make a complaint against the 1st Asst. Keeper Bartels. This time I bring official charges against him.

Charge (1) June 23rd. Sleeping on duty in the tower.

Charge (2) July 3rd. Sleeping on duty in the tower.

Charge (3) June 29th Grossly insubordinate while in the execution of my duties, using filthy language towards me, threatning to kill me and squeeze my neck, if I ever reported him to the office. Afterwards asking my pardon. This happened in the presence of 2nd Asst. Toomey.

Charge (4) Aug. 12th Laying down on the floor of the tower instead of properly standing his watch.

Charge (5) Aug. 17th Gross insubordination while in the execution of my duties. I detailed 1st Asst Bartels to clean apparatus brass and to take the 2nd Asst. with him. The 1st Asst. ask me in a disrespectful manner if this was his regular brasswork. I told him to carry out my orders at once. He answered Oh, all righ I always give him the S--- end of it.

Charge (6) Aug. 22nd. Shirking his duty and insubordination. On this day I detailed 1st Asst. Bartels to scrape his steps ready for painting. He, Bartels came out at 8 a. m. to work but did not do a thing as I went to see what work they had done but not finding 1st Asst. at his work, again I went to look at 10:30 a. m. and he had not yet done a thing. I found him in his dwelling and told him to go to work as it was not yet time to stop. He became insubordinate and threw his scraper down on the steps in a temper.

Charge (7) Aug. 29th. Gross insubordination and threatning the Keeper while in the execution of his duties. Twice today I had occasion to tell 1st Asst. Bartels to go to work instead of talking behind the barn with 2nd Asst. Toomey but Toomey was at work but Bartels had been away from his work for some time. After a while 1st Asst. came over to the store room where I was at work, and in a disrespectful manner said he be dammed if he, Bartels would stand for what I said to him and he would knock my block off if I said any more to him. Iordered him, back to his work where he went.

I have the honor to answer your letter of Sept. 10th referring to 1st Asst. Bartels asleep on duty on June 23rd and July 3rd. My second reason was as the man had only been here a short time, and having a letter from you stating that 1st Asst. I also wish to state on account of my late trouble I tried hard to regain your good will and my former record by hard work and avoid trouble and thinking at the time that by not reporting him he would try and do better in the future and that I might make a good Keeper out of him. I stoped and answered him just then the Keeper came and accused me of loafing 15 minutes. I stood and looked at my watch and it was just 11:05 a. m. then. Charges against
1st Asst. Keeper,
Makapuu Pt. Lt. Sta.

Sept. 25, 1917.

10/5/17 Wrote 19th — Dept re dismissal

Commissioner of Lighthouses:

Reference is here made to correspondence in April and May relative to the troubles among the Keepers at Makapuu Point Light Station.

Enclosed herewith is original and copy of the Keepers report of Aug. 29, 1917, in which several charges are made against 1st Assistant Keeper, E. H. Bartels. A few days prior to this report the Keeper reported to me verbally that he was having trouble with the 1st Assistant.

On Sept. 7th I made an official inspection of the station and found it kept in the usual excellent condition. A brief investigation of the trouble found there was held but no written copy of same was taken. The Keepers were called separately and closely questioned.

It plainly developed that 1st Assistant Keeper Bartels was very high tempered and seemed to have no regard for the Keeper's instructions. He complained of small matters that were strictly personal and which had no connection whatsoever with relationship of Keeper and Assistant Keeper. He complained that the Keeper would not let him read the formers newspapers when they were received and other minor matters. He worked himself into such a rage that he stated that he desired to give the keeper a whipping and if the Inspector authorized him to do so he would immediately proceed with the task.

The 2nd Assistant Keeper, A. D. Toomey showed no disposition to favor either the Keeper or Assistant Keeper in his testimony and I have all reasons to believe that his statements are perfectly correct. He thought that the Assistant Keeper was very over-bearing and did not take instructions in the proper spirit often talking back when he should not. Further that the 1st Assistant Keeper was not a hard worker and is disposed to shirk his duty.

In view of the above facts Charges were preferred against 1st Asst. Keeper Bartels under date of Sept 10th copy of which is furnished herewith. His reply to Charges under date of Sept. 14th is enclosed herewith.

In regard to Charge 1, Specifications 1 and 2 That the 1st Assistant Keeper was found asleep on watch, which he denies. There is no further evidence than the statement of the Keeper that he was found asleep on watch.

In regard to Specification 3 That he is slow in the execution of his work and indifferent to the instructions of the Keeper, I would state that the testimony of the 2nd Assistant seems to indicate that this specification is sustained against him.

In regard to Charge 2, Insubordination and disrespect towards the Keeper. The testimony of the 2nd Assistant Keeper bears this out also the spirit he manifested when called and questioned by the Inspector would very stronly bear out his insubordination and disrespectful attitude. I therefore feel that Charge 2, Specifications 1, 2, & 3 are sustained against him.

In view of the above facts I see no course other than to recommend the dismissal of 1st Assistant Keeper Bartels.

This office is finding it hard to fill Keepers positions with satisfactory grade of employees at present and on the dismissal of any of the present Keepers it is confronted with a very poor list of eligibles especially in filling positions at larger stations.

Recommendation for the filling of this position will be made at a later date.

McC-T

Bureau of Lighthouses,
October 15, 1917.

Submitted to Secretary of Commerce recommending that Bartels be dismissed from the service, effective at the close of a date later to be reported to the Department, at which time report will also be made as to whether Bartels has taken leave in excess of the accrued rate.

OFFICE OF INSPECTOR, 19TH DISTRICT
HONOLULU, HAWAII

Sept. 25, 1917.

Keeper, Makapuu Pt. Lt. Sta., trouble with 1st Asst. Keeper.

Dept rec'd Pmd'd. 10 Oct 8

Commissioner of Lighthouses:

Reference is herewith made to Charges against 1st Assistant Keeper W. H. Bartels of Makapuu Point Light Station submitted under this date. There is enclosed copy of Inspector's letter to Keeper Beazley dated June 25, 1917, requesting that he make special effort to keep harmony and good will among Keepers at that station. Reference is further made to the Bureau's letter of May 5, 1917, reprimanding Keeper Beazley and reducing his salary for six months and requiring a further report in his case at the termination of six months.

It will be noted that the Keeper's report of Aug. 29, 1917, charges the Assistant Keeper with being asleep on duty June 23rd and July 3rd. I required the Keeper to submit a written report as to why the Assistant Keeper was not reported for sleeping on watch and this fact recorded in the Journal at the time of its occurence. His reply of Sept. 12th is enclosed for Bureau's information.

It is clear from the above that the Keeper assumed the responsibility of not reporting this matter at the time of its occurence with the purpose of correcting the 1st Assistant and in order to avoid referring further personal troubles to this office. The Keeper's action in this case does not show good judgment and the handling of such matters are certainly conducive to personal troubles among the Keepers.

While the Keeper has in the past generally gotten along with his Assistants I fear that in dealing with his assistants he commands them rather than instructs them which matter I have called to his attention.

In view of the above facts I believe that it is necessary for the Bureau to administer some further punishment to the Keeper. However, as he is keeping an excellent lightstation and that the fault in this case lies principally on the 1st Assistant Keeper, it is recommended that his punishment be not over-severe.

I desire to recommend that his reduction in salary continue for a period of nine months to one year instead of terminating at the end of six months.

October 17, 1917.

Charges of neglect of duty, insubordination, and disrespect towards the keeper of your station having been preferred against you, and established in a degree sufficient to warrant such action, the Department, upon recommendation of the Commissioner of Lighthouses, has dismissed you from the position of first assistant keeper of Makapuu Point Light Station, T. Charges against
1st Asst. Keeper,
Makapuu Pt. Lt. Sta.

Commissioner of Lighthouses:

Reference is here made to correspondence in April and May relative to the troubles among the Keepers at Makapuu Point Light Station.

Enclosed herewith is original and copy of the Keepers report of Aug. 29, 1917, in which several charges are made against 1st Assistant Keeper, E. H. Bartels. A few days prior to this report the Keeper reported to me verbally that he was having trouble with the 1st Assistant.

On Sept. 7th I made an official inspection of the station and found it kept in the usual excellent condition. A brief investigation of the trouble found there was held but no written copy of same was taken. The Keepers were called separately and closely questioned.

It plainly developed that 1st Assistant Keeper Bartels was very high tempered and seemed to have no regard for the Keeper's instructions. He complained of small matters that were strictly personal and which had no connection whatsoever with relationship of Keeper and Assistant Keeper. He complained that the Keeper would not let him read the formers newspapers when they were received and other minor matters. He worked himself into such a rage that he stated that he desired to give the keeper a whipping and if the Inspector authorized him to do so he would immediately proceed with the task.

The 2nd Assistant Keeper, A. D. Toomey showed no disposition to favor either the Keeper or Assistant Keeper in his testimony and I have all reasons to believe that his statements are perfectly correct. He thought that the Assistant Keeper was very over-bearing and did not take instructions in the proper spirit often talking back when he should not. Further that the 1st Assistant Keeper was not a hard worker and is disposed to shirk his duty.

In view of the above facts Charges were preferred against 1st Asst. Keeper Bartels under date of Sept 10th copy of which is furnished herewith. His reply to Charges under date of Sept. 14th is enclosed herewith.

CHIEF CLERK OCT 17 1917

5

In regard to Charge 1, Specifications 1 and 2 That the 1st Assistant Keeper was found asleep on watch, which he denies. There is no further evidence than the statement of the Keeper that he was found asleep on watch.

In regard to Specification 3 That he is slow in the execution of his work and indifferent to the instructions of the Keeper, I would state that the testimony of the 2nd Assistant seems to indicate that this specification is sustained against him.

In regard to Charge 2, Insubordination and disrespect towards the Keeper. The testimony of the 2nd Assistant Keeper bears this out also the spirit he manifested when called and questioned by the Inspector would very strongly bear out his insubordination and disrespectful attitude. I therefore feel that Charge 2, Specifications 1, 2, & 3 are sustained against him.

APPOINTMENT DIVISION RECEIVED ACTION TAKEN OCT 17 1917 DEPARTMENT OF COMMERCE

In view of the above facts I see no course other than to recommend the dismissal of 1st Assistant Keeper Bartels.

This office is finding it hard to fill Keepers positions with satisfactory grade of employees at present and on the dismissal of any of the present Keepers it is confronted with a very poor list of eligibles especially in filling positions at larger stations.

Recommendation for the filling of this position will be made at a later date.

I admit that the Keeper and I had an augurment. But what made me use the word I did, because the Keeper says that I was asleep on watch, June th 28rd, I asked the Keeper to let me inquire to the Inspector about it.
Then the Keeper said. If I would not say anything about it, that he would drop it all and would not make any report. The Keeper then asked me to shake hands with him in honor of our word that none of us was to say anything to the Inspector about it. While we both held hands. I do not remember using filthy language to the Keeper. I remember asking the Keeper if the Apparatus brass was a part of my weekly duty. as the Keeper has assigned to each one of us, a portion of the brass work. but the Keeper said that the apparatus brass was too much for one man, besides his own work, but the Keeper made me do it just the same, that's why I asked the Keeper, and he said I was complaining about the work.
