APR 11 1927

The Superintendent of Lighthouses,

Portland, Maine.

Dear Captain Sherman:

Mr. Calvin B. Beal, of 125 Bridge Street, Portsmouth, New Hampshire, came to see me recently about obtaining employment in the Lighthouse Service and told me of the difficulty that he had had while employed as an assistant keeper at the Mount Desert Light-house. He made quite a frank statement to me about the affair which culminated in his resignation and he said that he had learned a good lesson and believed that he had profited by it and wanted to know if he could not be given another opportunity to serve in the Light-house Service in your district.

As indicated in your statement of February 15, 1927, to Mr. Woolley, the Secretary of the Board of Examiners, in answer to his letter of February 15, Mr. Beal was allowed to resign at his own request on November 5, 1924. This is about two and one-half years ago and apparently his resignation was accepted without prejudice, although I am not quite sure of this. In cases of this kind when an applicant has made a false statement in an application the Commission at Washington usually bars a person from again filing for civil service examinations for two years and sometimes three years, apparently deeming a bar for this length of time a sufficient punishment for certain offenses.

From what Mr. Beal told me it does not seem that the fault was wholly his and in view of the fact that he was allowed to resign would it not be possible for you to consider him for appointment in your district if he should file an application after November 5, 1927? This would be practically a bar for three years from the time of his resignation. If you do not in any circumstances care to consider him for appointment in your district, then I think the only fair thing to do is to furnish me with a copy of his confession so that the case may be put up to the Commission for a decision as to whether

or not he shall be allowed to file an application.

I am inclosing testimonial letters which I had Mr. Beal obtain and I am also inclosing a letter from W. R. Keene, Secretary of the Manset Lodge of Masons, to whom I wrote about Mr. Beal who made application for admittance as a member of that lodge.

Kindly advise me of your feelings about allowing Mr. Beal to file again, with the return of the inclosed papers.

Very truly yours,

E. L. Reynolds,
District Secretary.

Secretary, Local Board C. S. Examiners:-

In re above Calvin B. Beal entered service July 14, 1923 as 2nd Asst. Keeper, Mt. Desert L. H., Me., was promoted to 1st Asst. Keeper, Sept. 16, and resigned as his own request Nov. 5, 1924. During his service, his ability was not questionned, but his moral character was such that I would not under any circumstances again consider his appointment in this district. His resignation followed charges involving the moral character of the wife of another light keeper, which charges I am somewhat inclined to believe were more or less the product of his imagination or made after pressure was exerted by his wife.

Sir

I wish to informe the office that Mr. C. B. Beal first Asst. informed me Oct 26th that his wife was in such a nervous condition that she would do something desperate to him or other on the station. Then he asked me if he could have the boat to take her ashore next morning. I informed him there was a whole lot to be done on the station but that if he would promesed to return the first chance he could have the boat. The next day Oct. 28th was a fine chance to return, and when not hearing from him I called him. He informed me that he could not come that day as he hadn't his business attended to, but would return the next day. Instead of doing as he agreed, he put the boat up to the head of the dock, and I was informed from Manset that he and his family went on the Eastern Steamship Boat bound west. Before leaving he said he was going to resign. Practically all the work done has been done, by myself & second Asst. The first of Oct. was the second assistants turn to go ashore, and Mr. C. B. Beal claimed—

that his wife had to go to the Hospital. and the second Asst. gave him his turn. He left here Oct 3rd and return Oct. 14th He left again the Oct 14th to take Mrs. Beal two sons ashore. He return the 16th of Oct. Then as I have already stated he left again the 27th of Oct. This is the way he has bothered me ever since I came here so I feel that I am better off without him, and I ara in a position to prove these statements. C.B. Beal is behind two mouth in his telepho-ne bills, and one call on the third mouth up to date. Therefore these bills remain unpaid. I have always tried to be fair with both of my assistants. and will say that the First Asst. C.B. Beal has taken advantage in every respect. My second assist E.D Elliot has stade by me on the station and helped me to accomplish what work there is done.

MEMORANDUM.

Oct. 29, 1924 - about 11:30 AM.

Keeper Ginn on the 'phone at Mount Desert Light Station, said Asst. C. B. Beal asked to take his wife ashore to a hospital which permission was granted. In a day or two Asst. Beal told keeper over the 'phone that he had tied the station boat up at Manset and was not coming back but would resign. Also that Beal owed for gas and telephone charges, now what was he to do? Also that conditions were bad on the rock. Asked him to make report and charges in writing and we would dee about getting his boat off to him.

An hour or two later in came Beal and made a statement in writing which is herewith.

This case is likely one where the least said is soonest-minded, and as Asst. Beal wishes to resign, if other charges - gas and telephone - can be adjusted let him do so and then get after the others. Beal really makes no charges, simply confesses to wrong-doing and might have kept it to himself
