General Accounting Office
Claims Division
Washington 25, D. C.

Gentlemen:

Reference your File Misc-2881712. Inclosed is a letter of Mr. Oliver R. Berg, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period 1 September, 1945, to 30 June, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $927.11 per annum, whereas, for the period 1 September, 1945, to June 30, 1947, Mr. Berg was paid at the rate of $868.86 per annum - an underpayment of $58.25 per year, or $4.85 per month.

Computation of the amount due and appropriations chargeable are as follow:

2061255 - Retired Pay, Former Lighthouse Service, CG, 1946 - - - - -	-$ 48.50
2071255 - Retired Pay, Former Lighthouse Service, CG, 1947 - - - - -	58.25
Total - - - - - -	-$106.75

For tax withholding purposes, the records of this office show that Mr. Berg claims two exemptions.

Mr. Berg's mailing address is P. O. Box 171, Montara, Calif., and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Very truly yours,

A. F. MACKAY

RECEIVED MAR 29 1948 (5)

The Commandant,
United States Coast Guard,
Washington 25, D. C.

Sir:

Transmitted herewith for administrative examination and report is the claim of Oliver R. Berg, P. O. Box 171, Montara, California, for the difference alleged to be due for retired pay based on gross salary, over that paid based on net salary, as an employee of the United States Lighthouse Service, during the period September 1, 1945 through June 30, 1947.

The administrative report should include a copy of his appointment during the last 5 years of service rendered on which the retirement pay was based, indicating the effective date of retirement and whether subsistence or quarters were in addition to or deducted from his gross pay. The amount of subsistence or quarters involved should be furnished.

The report should clearly show the amount of retirement pay currently being received and the basis on which it was computed. In the event a supplemental amount is due the amount which should be paid and the basis on which it should be computed should be furnished, indicating the period over which an adjustment is due.

If any amount is found due for the period claimed above, a short form payroll should also be furnished indicating thereon the appropriation, symbol, and account number chargeable.

The enclosure should be returned with your report.

Respectfully,

P. E. Sours
Chief of Section.

Enclosure.

Remarks: In accordance with the Comptroller General's Decision B-70029 dated 10-23-47, which reversed Decision A-31584 of 5-28-30, your retirement pay has been recomputed on the basis of the average gross pay (which includes the valuation of quarters for the period occupied) received during the last five years of your active duty. The computation on this basis changes the rate of your retirement pay from $868.86 to $927.11, and this notice is issued in order that you may have accurate information as to the rate of retirement pay which you are authorized to receive.

Justification:

Total Service: 23 years, 3 months, 18 days.

Computation: ($1591.61 x 23.3000 ÷ 40) = $927.11

Subj: Berg, Oliver Rufus, statement of service, request for

It is requested that a statement of service in the case of the subject-named man be furnished this office. Mr. Berg, who was born 12 February, 1898, enlisted in the U. S. Army on 12 March, 1917; discharged 4 November, 1919, reenlisted 5 November, 1919, received honorable discharge on 10 November, 1921. This service is requested for the purpose of computing length of service for disability retirement.

TWELFTH NAVAL DISTRICT (PCP)
REFER TO FILE: 75

9 August, 1945

To: The Commandant, U. S. COAST GUARD (PCP-2)

Subj: BERG, Oliver R.; keeper - disability retirement

1. Reference is made to Headquarters' letter of 4 August, 1945, re subject man in which it is stated that he is not entitled to retirement in the regular military establishment of the Coast Guard, but that he may be retired under the Lighthouse Retirement Law since he is on furlough from the position of Keeper, Point Arena Light Station.

2. Is the "Report of Medical Survey" of the U. S. Marine Hospital sent to Headquarters on 23 June, 1945, sufficient for Keeper Berg's retirement for disability or should Form 2523, Certificate of Medical Examination, Disability Retirement, be filled out by a U. S. Public Health Service Physician and accompany Form 2521, Request for Retirement?

3. Since it would seem necessary to return Keeper Berg to his civilian position of Keeper, Point Arena Light Station, should Form 2660 be submitted for his return to his civilian position, accompanied by his request for restoration to his civilian position, and should he be instructed to report at the Point Arena Light Station for duty, or since he has about 88 days of sick leave, can he be restored to his civilian status as of 1 September and immediately placed on sick leave until all his sick leave is used. He has no annual leave to his credit. Attention is called to the fact that 1 September is a Saturday and sick leave cannot be charged for that day. Since it is part of the administrative work week, can he be requested to work on that date and commence his sick leave on Tuesday, the 4th of September, or can he be excused for the 1st, a Saturday, and the 3rd, Monday, Labor Day, and commence his sick leave on the 4th, the first regular work day in September?

4. Mr. Berg was due for an administrative increase in his pay from $1500. per annum, to $1560.00 per annum, effective commencing 1 October, 1942. Should he be returned to his civilian status at $1770.00 per annum (formerly $1500.00) or $1836.00 per annum (formerly $1560.00)?

5. It is requested that Headquarters' reply to the above be sent air mail in order that Mr. Berg's service may be continuous, and that no time may be lost between August 31st, the date of his military discharge, and his return to his civilian status of Keeper, Point Arena Light Station. It is understood that Mr. Berg is now on convalescent sick leave awaiting his medical discharge or whatever action is to be taken in his case.

AIR MAIL

To: DCGO, 12ND

Subj: BERG, Oliver R.; keeper, disability retirement

1. Reference is made to your letter of 9 August, 1945 (PCP-75), in response to HQ letter of 4 August.

2. If Mr. Berg is discharged from the Coast Guard Reserve effective at the close of 31 August, his case is to be submitted for retirement as keeper effective beginning 1 September, 1945. In other words have him sign the usual application form for retirement as keeper at the close of 31 August. Tabulate the last five years of service and compensation to arrive at the average rate for the last five year period in the usual way except that you will show his rate of pay in his military status effective beginning with the date he was taken into the Coast Guard Reserve in a pay status.

3. When the average pay for the last five years of service has been obtained proceed in the usual way to compute his retirement pay, using all service, both civilian and military, to his credit up to and including the date of his discharge from the Coast Guard Reserve.

4. The regular Forms 2521 and 2523 should be submitted in connection with retirement. Furnish also a certified copy of his discharge from the Coast Guard Reserve.

5. Keeper Berg will not be restored to active duty and in view of the decision in 23 Comp. Gen. 832 he could not be paid for sick leave without being restored to active duty in a civilian status. The rate of pay shown in civilian status will be that applicable at the time of his employment in a civil capacity.

6. The questions brought up in your letter about restoring him to the new pay schedule in effect for keepers on active duty on 1 July, 1945, and thereafter, and whether or not he could be charged leave for 1 September are immaterial in this case and need not be taken into consideration since keeper Berg's status, if discharged on 31 August, will be that of a retired keeper effective beginning 1 September, 1945, assuming of course that Form 2523 completed by the U.S.P.H.S. shows him to be disabled.

1. Reference (b) has been cancelled due to the furlough of Mr. Berg at the close of 30 September on account of his call to active duty in the Coast Guard Reserve.

2. It is noted that reference (a) contains the following statement by your office:

> "Within-grade promotion under the provisions of Public Law No. 200, approved 1 August, 1941. From $1500 plus $240 to $1560 plus $240."

Attention is invited to the fact that keepers are not promoted under the provisions of Public Law No. 200. District Offices were specifically advised in reference (d) that the administrative promotions given keepers was in accordance with a long-standing practice but that "such personnel are not covered by Public Law No. 200, approved 1 August, 1941." It is requested that this fact be brought to the attention of all personnel of your office whose duties include the maintenance or notation of records pertaining to increases for keepers. April 18, 1938.

Mr. Oliver Berg,
Keeper, Farallon Light Station,
Through Superintendent of Lighthouses,
San Francisco, California.

Dear Mr. Berg:

The Commissioner and others of the Bureau's staff listened on Easter Sunday morning with much interest to the program broadcast from your station, in which you and other keepers and members of their families so creditably participated.

The widespread distribution of the personnel of the Lighthouse Service makes difficult the degree of personal contacts which would be both the pleasure and the profit of Bureau officers to make if circumstances permitted, and such efforts as you and your associates at the Farallones have undertaken are considered proportionately valuable in the preservation and development of that esprit de corps which is so important in career services. This factor is mentioned not only with respect to the appreciation with which your broadcast was heard in Washington, but because of the assurance which is felt that it was heard and equally appreciated by many of your colleagues in the Lighthouse Service at other similarly isolated posts of duty, as well as by the general public whose full acquaintance with the nature and importance of the work on which you are engaged is in itself a public service.

Please accept my congratulations and sincere Easter greetings.

Sincerely yours,

H. D. King
Commissioner of Lighthouses.

Subj: BERG, Oliver R.; keeper

1. Reference is made to your indorsement of 23 June, 1945, on a "Report of Medical Survey" NMS-Form M, in which you recommended that Mr. Berg be ordered before a Retiring Board under Article 517, CG Regulations, or be placed on the retired list under authority of the Lighthouse Retirement Law of 20 June, 1918.

2. Enlisted personnel in the CG Reserve are not covered in the provisions for retirement of enlisted personnel in the regular military establishment of the CG.

3. However, since Mr. Berg is on military furlough from the position of keeper at Point Arena Light Station, and since he is shown by the Public Health Service to be unfit for service, he should be advised to apply for retirement under the Lighthouse Law of 4 March, 1925, for disability retirement. It is understood that steps are being taken to discharge him from the CG Reserve at the close of 31 August, 1945; however, information regarding this will be furnished by separate communication.

4. Section 6 of the Act of 20 June, 1918 (33 U.S.C. 763), which governs in retirements under the Act of 4 March, 1925, is as follows:

> "Provided, That the annual compensation of persons so retired shall be a sum equal to one-fortieth of the average annual pay received for the last five years of service for each year of active service in the Lighthouse Service, or in a department or branch of the Government having a retirement system, not to exceed in any case thirty-fortieths of such average annual pay received."

5. In line with the quoted provision of the law Form 2521 should contain all the civil and military service of Mr. Berg, and the last five-year period of service on which average pay for retirement is computed will necessarily include his military service beginning 1 October, 1942, the date following that on which he was furloughed from his civil position of keeper. It will be necessary also to use the basic pay in his military status from 1 October, 1942.

6. In submitting the case advise as to the basic rate of pay in his military status beginning 28 September, 1942, which is shown by the records as the beginning date of his enlistment.

Subj: BERG, Oliver R.; keeper - disability retirement

1. Reference is made to Headquarters' letter of 4 August, 1945, re subject man in which it is stated that he is not entitled to retirement in the regular military establishment of the Coast Guard, but that he may be retired under the Lighthouse Retirement Law since he is on furlough from the position of Keeper, Point Arena Light Station.

2. Is the "Report of Medical Survey" of the U. S. Marine Hospital sent to Headquarters on 23 June, 1945, sufficient for Keeper Berg's retirement for disability or should Form 2523, Certificate of Medical Examination, Disability Retirement, be filled out by a U. S. Public Health Service Physician and accompany Form 2521, Request for Retirement?

3. Since it would seem necessary to return Keeper Berg to his civilian position of Keeper, Point Arena Light Station, should Form 2660 be submitted for his return to his civilian position, accompanied by his request for restoration to his civilian position, and should he be instructed to report at the Point Arena Light Station for duty, or since he has about 88 days of sick leave, can he be restored to his civilian status as of 1 September and immediately placed on sick leave until all his sick leave is used. He has no annual leave to his credit. Attention is called to the fact that 1 September is a Saturday and sick leave cannot be charged for that day. Since it is part of the administrative work week, can he be requested to work on that date and commence his sick leave on Tuesday, the 4th of September, or can he be excused for the 1st, a Saturday, and the 3rd, Monday, Labor Day, and commence his sick leave on the 4th, the first regular work day in September?

4. Mr. Berg was due for an administrative increase in his pay from $1500. per annum, to $1560.00 per annum, effective commencing 1 October, 1942. Should he be returned to his civilian status at $1770.00 per annum (formerly $1500.00) or $1836.00 per annum (formerly $1560.00)?

5. It is requested that Headquarters' reply to the above be sent air mail in order that Mr. Berg's service may be continuous, and that no time may be lost between August 31st, the date of his military discharge, and his return to his civilian status of Keeper, Point Arena Light Station. It is understood that Mr. Berg is now on convalescent sick leave awaiting his medical discharge or whatever action is to be taken in his case.

To: DCGO, 12ND

Subj: BERG, Oliver R.; keeper, disability retirement

1. Reference is made to your letter of 9 August, 1945 (PCP-75), in response to HQ letter of 4 August.

2. If Mr. Berg is discharged from the Coast Guard Reserve effective at the close of 31 August, his case is to be submitted for retirement as keeper effective beginning 1 September, 1945. In other words have him sign the usual application form for retirement as keeper at the close of 31 August. Tabulate the last five years of service and compensation to arrive at the average rate for the last five year period in the usual way except that you will show his rate of pay in his military status effective beginning with the date he was taken into the Coast Guard Reserve in a pay status.

3. When the average pay for the last five years of service has been obtained proceed in the usual way to compute his retirement pay, using all service, both civilian and military, to his credit up to and including the date of his discharge from the Coast Guard Reserve.

4. The regular Forms 2521 and 2523 should be submitted in connection with retirement. Furnish also a certified copy of his discharge from the Coast Guard Reserve.

5. Keeper Berg will not be restored to active duty and in view of the decision in 23 Comp. Gen. 832 he could not be paid for sick leave without being restored to active duty in a civilian status. The rate of pay shown in civilian status will be that applicable at the time of his employment in a civil capacity.

6. The questions brought up in your letter about restoring him to the new pay schedule in effect for keepers on active duty on 1 July, 1945, and thereafter, and whether or not he could be charged leave for 1 September are immaterial in this case and need not be taken into consideration since keeper Berg's status, if discharged on 31 August, will be that of a retired keeper effective beginning 1 September, 1945, assuming of course that Form 2523 completed by the U.S.P.H.S. shows him to be disabled.

S. Public Health Service Physician and accompany Form 2521, Request for Retirement?

3. Since it would seem necessary to return Keeper Berg to his civilian position of Keeper, Point Arena Light Station, should Form 2660 be submitted for his return to his civilian position, accompanied by his request for restoration to his civilian position, and should he be instructed to report at the Point Arena Light Station for duty, or since he has about 88 days of sick leave, can he be restored to his civilian status as of 1 September and immediately placed on sick leave until all his sick leave is used. He has no annual leave to his credit. Attention is called to the fact that 1 September is a Saturday and sick leave cannot be charged for that day. Since it is part of the administrative work week, can he be requested to work on that date and commence his sick leave on Tuesday, the 4th of September, or can he be excused for the 1st, a Saturday, and the 3rd, Monday, Labor Day, and commence his sick leave on the 4th, the first regular work day in September?

4. Mr. Berg was due for an administrative increase in his pay from $1500. per annum, to $1560.00 per annum, effective commencing 1 October, 1942. Should he be returned to his civilian status at $1770.00 per annum (formerly $1500.00) or $1836.00 per annum (formerly $1560.00)?

5. It is requested that Headquarters' reply to the above be sent air mail in order that Mr. Berg's service may be continuous, and that no time may be lost between August 31st, the date of his military discharge, and his return to his civilian status of Keeper, Point Arena Light Station. It is understood that Mr. Berg is now on convalescent sick leave awaiting his medical discharge or whatever action is to be taken in his case.

PRESENT HISTORY OF CASE

Admitted from Point Arena Life Boat Station, Calif. Date 14 March, 1945

Diagnosis (764-190) Chronic Prostatitis: Key letter Specialty letter
(764-615) Prostatic Calculi
(From Navy nomenclature, under which carried on sick list)

Disability is not (Is or is not) the result of his own misconduct and was (Was or was not) incurred in line of duty

Existed prior to enlistment (Yes or No) If "Yes," was condition aggravated by service? (Yes or No)

Present condition unfit for service Probable future duration indefinite

Recommendation That he be discharged from the Coast Guard Reserve for medical reasons

FACTS ARE AS FOLLOWS: This 47 year old Coast Guardsman was admitted for the 6th time to this Hospital because of a flare-up of an old chronic prostatitis due to prostatic calculi. He has been followed in the out-patient clinic for the same condition requiring almost constant treatment to keep condition under control.

Pgysical examination shows B.P.110/60. The lungs are clear and x-rays are normal. Rectal examination shows a firm fibretic prostate, slightly enlarged with bilateral adhesions, scattered nodules in both lobes chiefly to the right. Seminal vesicles palpable and indurated.

Because of the presence of calculi it will be impossible to clear up this patient's prostatitis and have it remain improved or well. In view of the persistance of this condition recurring so frequently even during out patient treatment. Operative removal may have to be resorted to later. Discharged from the service is recommended. This patient has been informed of the Board's findings and does not desire to submit a statement in rebuttal.
