I had a conversation with Mr.Bouley, Keeper, at Gull Rock Light Station and he said he was going to send in his resignation on or about July the first. I wish to apply for the position as keeper on the name Station. As I would like very much to get a little more money. I must say that Rose Island is a good, nice, place but as Mr.Curtis is getting old but has also been laid up with a sore leg for at least six months. An it makes it hard for the assistant.

Joseph O. Bouler, Assistant Keeper,

Through the Keeper of

Whale Rock Lt.Sta.,

Referring to your letter of May 6th,1912, relative to your chances of promotion.

The stations to which you have asked to be transferred to in case of a vacancy, are mostly one-man stations, and there are a number of keepers who have asked to be transferred to each of these stations. Most of these keepers, on account of having had a longer period of service than yours, would be given preference in appointments, all other things such as efficiency etc., being equal.

If you will send in a new list of stations and include in it the position of keeper or assistant keeper at some of the stations with quarters for families, your chances for transfer would be much better.

W. P. Harman
Acting Commissioner of Lighthouses.

[1] Strike out the clause which does not apply.

11—2314

April 23, 1914.

Commissioner of Lighthouses:

The Department is in receipt of the Bureau's letter of the 16th instant* in the case of Theodore Judson, keeper of Stratford Point Light Station, Connecticut, and after full consideration of all the correspondence relative thereto, the Bureau's recommendations have been approved, as follows:

The Department has canceled its orders of February 14, 1914, whereby Theodore Judson would have been transferred to Gull Rocks Light Station, Rhode Island; Arthur Jensen transferred to Stratford Point Light Station, Connecticut; Edward M. Grant promoted to keeper of Faikner Island Light Station, Connecticut; and Edward Grime transferred to Faulkner Island Light Station, Connecticut.

A new appointment has been issued to Mr. Judson as keeper of Stratford Point Light Station, Connecticut, at $460 per annum, with the understanding that in the event he proves that he can conduct the station in an efficient and harmonious manner with a different assistant keeper, recommendation will be made to restore his pay to $600 per annum at the end of one year; otherwise consideration will be given to the matter of his dismissal from the service. The Bureau is authorized to address a letter to Mr. Judson informing him of the conditions imposed, a copy of the letter to be transmitted to the Department for its files.

* file To Theodore Judson

An appointment has been issued to William J. Lavell as third assistant keeper of Navesink Light Station and Shrewsbury River Lights, New Jersey, at $480 per annum, by transfer from assistant keeper of Stratford Point Light Station, Connecticut, with the understanding that if his conduct and services prove satisfactory, at the end of one year recommendation will be made for his promotion to $528 per annum, the regular pay of the position; otherwise consideration will be given to his dismissal from the service. The Bureau is also authorized to address a letter to Mr. Lavelle informing him of the conditions imposed in his case, a copy of the letter to be transmitted to the Department for its files.

No change has been made in the appointments issued on February 14 and 24, 1914, in the cases of Alexander A. Foss and William J. Doyle, as first assistant keeper and second assistant keeper, respectively, of Stratford Shoal Light Station, New York.

The Department has canceled its order accepting the resignation of Joseph C. Bouley as keeper of Gull Rocks Light Station, Rhode Island, at $600 per annum, effective at the close of February 28, 1914.

Appointments have been issued to Thomas Pickup as second assistant keeper of Navesink Light Station and Shrewsbury River Lights, New Jersey, at $552 per annum, by promotion from third assistant keeper of the same station, at $528 per annum; John J. Price as second assistant keeper of Absecon Light Station, New Jersey, at $456 per annum (in accordance with the Equalization

The transfers of Edward Grimm and William F. Petzelt to New London Ledge Light Station, Connecticut, and Stratford Point Light Station, Connecticut, respectively, without change in designation or pay, have been approved, it being noted that Mr. Petzelt will be given special instructions relative to the necessity for preserving order and harmony at Stratford Point Light Station.

The Department has also approved the Bureau's request of the 18th instant for authority to prepare letters to Senator Brandegee and Representative Donovan, for signature at the Department, advising them of the disposition of Mr. Judson's case.

My dear Mrs. Bouley:

Receipt is acknowledged of your letter advising Headquarters of the death of your husband, Joseph Osias Bouley, Keeper, former Lighthouse Service, now United States Coast Guard, Retired, on 4 August 1952. Please accept my sincere sympathy. It is requested that you forward a certified copy of the Death Certificate as official proof of your husband's death.

At the time of death there was due the estate of your husband final retired pay. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of the final pay are herewith enclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin, or the person who paid, or will pay the funeral expenses should execute the enclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the enclosed waiver form. This information is necessary to support the claim for the final retired pay.

In the event you have in your possession any uncashed retired pay checks, these should be returned to Coast Guard Headquarters for settlement with the claim for retired pay due on date of death.

Veterans Administration Forms Nos. 530 and 534 are enclosed for making application for the pension award and burial allowance. It will be noted that a certified copy of the public record of marriage must be forwarded to substantiate the application for the pension award.

When the enclosed forms have been completed, return them to Coast Guard Headquarters in the enclosed pre-addressed envelope which requires no postage.

Bouley, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period September 1, 1943 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Sir:

Transmitted herewith for administrative examination and report is the claim of Joseph O. Bouley, Box 7, So. Danbury, New Hampshire, for the difference alleged to be due for retired pay based on gross salary, over that paid based on net salary, as an employee of the United States Lighthouse Service.

The amount of subsistence or quarters involved should be furnished.

The report should clearly show the amount of retirement pay currently being received and the basis on which it was computed. In the event a supplemental amount is due, the amount which should be paid and the basis on which it should be computed should be furnished, indicating the period over which an adjustment is due.

If any amount is found due for the period claimed above, a short form pay roll should also be furnished indicating thereon the appropriation, symbol, and account number chargeable.

Gentlemen:

Joseph O. Bouley born April 21, 1880 claims service in the Co. He also claims to be receiving a pension (C-2 359 593), which apparently is based on part of that service.

Inasmuch as Mr. Bouley is up for retirement in a civilian capacity under the Lighthouse Act of June 20, 1918, as amended, it will be appreciated if information is furnished as to the inclusive dates of the service on which his pension from the Veterans Administration is based, and the amount of the military service that remains creditable for retirement.

BOULEY, Joseph O.
C-2,359,593

Dear Sir:

This is in reply to your letter dated July 30, 1943.

It is shown that this veteran receives pension of $35.00 monthly under the provisions of Public Act 269, 74th Congress, by virtue of service during the Philippine Insurrection from September 19, 1899, to May 31, 1901, and from June 17, 1901, to July 4, 1902.

Public Act 269, 74th Congress, provides that pension shall be paid to veterans who served ninety days or more in the military or naval service during the War with Spain, the Philippine Insurrection, or the China Relief Expedition, provided that they meet certain other requirements.

The War Department informs the Veterans' Administration that this veteran served in the Army from September 19, 1899, to May 31, 1901, and from June 17, 1901, to June 16, 1904. The Navy Department has stated that he served in the Navy from July 11, 1917, to February 21, 1921.

Subj: BOULEY, Joseph O., civilian First Asst. Keeper, Sakonnet Light Station; disability retirement.

1. In reply to your letter of 5 June, 1943, file 75, you are advised that subject has been recommended for retirement on account of physical disability, on the basis of his examination at the Brighton Marine Hospital. Accordingly, leave slips were obtained from subject covering all his accumulated and accrued annual and sick leave, which carries him to the close of 31 August, 1943. It would, therefore, appear that his proposed retirement will become effective 1 September, 1943. In the meanwhile he is not permitted to be in a working duty status.

2. You are also advised that Mr. Bouley is being charged $5 a month quarters to the close of 31 August, 1943, on the basis of existing pay scale. It would, therefore, appear that he should be permitted to reside there while in such leave status. However, should he voluntarily decide to move his household effects before 31 August, 1943, he will still be charged for quarters throughout his leave period.

3. It is anticipated that HQ will not take final action on approval of his retirement until shortly before August, 1943, at which time arrangements will be made to move subject's household effects.

Sir:

In reply to Miss Vidler's complaint, I have no recollection of the incident. Mr. Dolby did not say anything about it, and Mr. Vidler has been on the Station several times, but he has never mentioned the case to me.

I have handled about five thousand visitors during the past eighteen months, and Miss Vidler is the first one, whom I have been accused of humiliating.

Mr. Dolby and I have repaired the gate, eight times, where it was broken down by young girls that use it as a swing. When we saw them swinging, we always told them to get off the gate.

Dear Sir:

On the afternoon of June 11th I took two Melrose girls with me to visit the Gay Head Light Station and see the cliffs.

After seeing these, the Dolby's suggested that I take the girls over to see the Coast Guard Station and to use the back gate as it was nearer. I pulled the gate after me, but it did not latch and as we were coming right back, I did not think it necessary to latch it. As we started on I heard someone yell at me, "Hey come back and shut that gate. Who the hell do you think you are?" I went back and latched the gate. Mr. Bouley was at the window. On the way back from the Coast Guard Station we went around the gate to avoid further trouble.

As I was very humiliated, I told Everett Dolby about it as I was leaving, knowing he would tell his father. I did not tell my father until later as I wanted to avoid any trouble.

I have never met Mr. Bouley, and am sure he didn't know who I was.

Very truly yours,

Signed Barbara Vidler.

Copy forwarded to J. O. Bouley, Assistant Keeper, Gay Head Light Station. It is requested that you submit promptly to this office such statement as you have to make in connection with the above report. In the meantime, your attention is directed to paragraph 12, Relations to the public - of the Instructions to Employees, Lighthouse Service, 1927, particularly to the last sentence of the said paragraph which reads: "Discourtesy to the public will not be tolerated, and persons in charge shall see that their subordinates conduct themselves with politeness and propriety".

Superintendent, 2nd District
Chelsea, Mass.

Dear Sir,

On the afternoon of June 11th I took two Melrose girls with me to visit the Gay Head Light Station and see the cliffs.

After seeing these, the Holbys suggested that I take the girls over to see the Coast Guard station and we used the back gate as it was nearer. I pulled the gate after me, but it did not latch and, as we were coming right back, I did not think it necessary to latch it. As we started

on: I heard someone yell at me, "Hey come back and shut that gate. Who the hell do you think you are?" I went back and latched the gate. Mr. Bailey was at the window. On the way back from the Coast Guard Station we went around the gate to avoid further trouble.

As I was very humiliated, I told Everett Colby about it as I was leaving, knowing he would tell his father. I did not tell my father until later as I wanted to avoid any trouble.

I have never met Mr. Bailey, and am sure he didn't know who I was.

Very truly Yours,

Dear Madam:

It has been invited to my attention that on a recent occasion J.O.Bouley, Asst. Keeper at Gay Head Light Station, used profanity in addressing you when in company with two young women from Melrose.

I should appreciate your advising me as to whether the above is a fact, and also furnish with me with the complete details in the matter.

In close please find policy & many thanks for all you & the office staff have done for me: however I will be very glad when a Red Keeper arrives Asst Bouley has been making some very false reports telling both the natives & tirists, imagine, nun killed him. I dont know what his object is; but I do know he is only hurting his self on this Island however I can take it but I am afraid my boy (Bouley) might loose his head. If he ever gets this station I don't care what he does & I do know he has written to Washington about it however he insults the tirists & only last Month & June he swore at Miss Vidler & two girls from Melrose & I can name others. I told him I'd give him anything for the light & fog and the funnels but nothing else

over

untill I got orders from You I also left the key to the paint locker. he is repainting his quarters only 4 times in a year. I have engaged a house in town. I had to do this as the places are very scarce I intend to try & rent rooms & also do other work. I am so all at sea I really don't know what I am going to do but I must get away from here that is certain before I can get any rest. & hope it can be arranged. as I'd like to go by the first of the month. ofcause I fully relize it is a great help for my boy to be subbing here but I am afraid it can't hold of much longer & after all he is only a boy I will use my insurance to pay all my bills & also some advance on my rent & by that time I may get by.

Thanking You Kindly & I am very sorry to have to route this but the sooner I get away the better it will be for us all
