Subject: Louis R. Braemer, Keeper; retirement of.

Reference: (a) Form 9, Application for retirement.

1. Mr. Braemer was born on 13 June, 1871; therefore, reference (a) recommending his retirement properly includes service only to the close of 12 June, 1941. However, it is noted that in the tabulation of the last five years of service for the computation you have used the period 1 July, 1936 to 30 June, 1941. While under the law and regulations Mr. Braemer may be continued on active duty and pay to the close of the month in which he reaches the compulsory retirement age, the pay and service after he reaches that age may not be included in the computation. Therefore, in order to show five years in the computation, it is necessary to begin the five-year period on 13 June, 1936 at a salary of $1500 per annum rather than $1560 per annum with a resultant decrease in the aggregate salary of $3.00 making the total pay received $7,524.50 instead of $7,527.50, and an average compensation of $1504.90 instead of $1505.50. Amendment has been made to show the annual rate of retired pay as ($1504.90 x years 30 ÷ 40) $1128.68. Department action in the matter will be forwarded upon receipt in Headquarters.
