My dear Mrs. Brander:

I trust that the memory of the esteem in which he is held will help to sustain you in this sad hour. Please permit me to extend my sympathy to you and your family.

Mrs. Jean Brander

My dear Mrs. Brander:

Information has been received at Coast Guard Headquarters of the death of your husband, Thomas Pretty Brander, Chief Boatswain's Mate, United States Coast Guard, Retired. It is realized that in time of your bereavement consideration of financial matters concerning your husband's estate is difficult and trying. However, experience indicates it is best to handle these matters as expeditiously as possible.

It is requested that a certified copy of the certificate of death, issued as proof of your husband's death and a certified copy of the public record of your marriage be forwarded to support your claim.

At the time of death there was due your husband retired pay for the period 1 - 2 January 1962. Retired pay ceases at the death of a retired member and eligible dependents surviving are compensated by laws which are administered by the Veterans Administration. Veterans Administration Form No. VB 8-534, "Application for Dependency and Indemnity Compensation or Death Pension by Widow or Child" and Veterans Administration Form No. 21-530, "Application for Burial Allowance" are enclosed to aid you in making application for the Veterans Administration death benefits that may be available to you. It is requested that an itemized funeral bill be forwarded to substantiate your application for the burial allowance.

Four Forms No. SF-1175, "Claim for Unpaid Pay and Allowances of Deceased Member of the Uniformed Services" (no designated beneficiary) are enclosed to aid you in making application for the final retired pay due. These forms are to be completed in the presence of two witnesses. The original and two copies of the claim together with a copy of this letter should be returned to Commandant (PS-1). If the funeral expenses have been paid a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the enclosed waiver form.

If you have any uncashed retired pay checks in your possession, these should be returned to Coast Guard Headquarters with the completed Forms SF-1175 for inclusion with the claim for the final retired pay due. Any other uncashed Government checks should be returned to the issuing agency.

Two Forms DD-1172, "Application for Uniformed Services Identification and Privilege Card" are enclosed to aid you in making application for medical care benefits. It is requested that both copies of this form be returned to Commandant (PS-1). Upon receipt of the completed applications they will be processed at Coast Guard Headquarters and then returned to you so that a DD-1173, "Uniformed Services Identification and Privilege Card" may be issued.

When the enclosed forms have been completed, return them to Commandant (PS-1) in the enclosed pre-addressed envelope.

Sincerely yours,

J. F. BILLS

Dear Sir:

You are authorized to compete in the examination for appointment to the United States Coast Guard Academy. Presenting this letter as your authority, you may report to

at 8:00 A. M. (local time) on 23 and 24 February 1960. The examination will be conducted only as shown on the enclosed schedule.

On the second day of the examination you will be given an interview. At this time you must give the interviewing officer an unmounted photograph of yourself not smaller than 2½" by 4" nor larger than 4" by 5", with your name plainly written on the back. The photograph will be used for identification purposes, and if you qualify for appointment it may be used for newspaper publicity.

Records of the candidates meeting the minimum requirements in the examination will be reviewed by the General Adaptability Board. Your high school transcript and reference questionnaire are essential parts of your record, so please check and insure that they have been submitted.

If you are selected for appointment you will be scheduled for a physical examination. One requirement has been changed. Vision of 20/30 in each eye, corrected to 20/20, is now qualifying. For candidates who do not have 20/20 vision, uncorrected, refraction is required.

The government cannot pay any of your expenses in connection with this examination. If you have any difficulty in complying with these directions, please inform the Commandant (PTP-2).

Dear Sir:

Attached hereto please find Form W-2, Withholding Statement, 1949, which shows my total wages received as being $1974.30.

Please be advised that I am of the opinion that this amount is in error, since my rate of retired pay per month is $146.81, which amount, when figured on a 12-month basis would be $1761.72.

Please check this matter, and mail me a correct W-2 Form as soon as possible, in order that I will be able to submit my Withholding Statement prior to March, 1950.

Your early attention to this matter will be greatly appreciated.

Yours sincerely,

Justification for filling Vacancy under Authority by the Act approved June 30, 1932.

Bureau or Office: 11th District, U.S.Lighthouse Service

Position: Keeper

Compensation: $1320 per annum

Location: Middle Neebish Cut Light Station,Michigan.

Appropriation: Salaries, Keepers of Lighthouses,

Date of Vacancy about March 25, 1933.

Justification: The Middle Neebish Cut Light Station now includes the care of nine sets of acetylene range lights, four pierhead lights and about 12 lighted buoys which must be adequately serviced day or night as required. The number of keepers authorized for the station is sufficient only to carry out the essential work of safeguarding life and property. The vacancy being filled is caused by the transfer of an employee now in the Service.IfThe position were allowed to remain vacant additional hours of watch would be forced on the keepers, the efficiency of the station would suffer, and the ultimate result would be to jeopardize the safety of vessels which depend upon the light for navigation.

Re transfer of Thomas P.Brander

SPECIAL

Commissioner of Lighthouses,
Washington, D.C.

1. Referring to the nomination of Thomas P. Brander herewith for transfer from keeper (1st Asst.) Manitou Light Station to Keeper at Middle Neebish Cut Light Station:

2. The nomination is submitted at the lowest rate of pay of the grade of keeper in accordance with the practice of promoting from assistant keeper to principal keeper at the entrance rate of pay for the position of keeper. However the instructions in circular letter No. 358 of August 12, 1932, relative to filling vacancies under Section 203 of the Economy Act, Paragraph 5, apparently refers to all positions without exception. If the rule regarding promotion to principal keeper at the entrance pay is superceded by provisions of Circular letter No. 358 Mr. Brander would apparently be entitled to $1440 per annum which would be equivalent to his present pay at Manitou Light Station where no family quarters are provided as compared with Middle Neebish Cut Light Station where family quarters are provided with a valuation of $180 per annum.

3. Recommendation is made that the rate ofsalary on Mr.Brander's nomination be amended to read $1440 per annum if that rate is the proper one in accordance with Circular Letter No. 358.

Chas A Park

Bureau of Lighthouses
Washington March 20, 1933

Returned to 11th Superintendent with advice that the Bureau has amended the proposed pay of Brander to $1440 per annum in accordance with circular No. 358 above referred to. Department action in the matter will be duly referred to you. Executive authority however is not required for the reason that there is no change in the gross pay.

Transfer Thomas P. Brander.

March 23, 1933

Agree on Dorm 83 for 1640 was in accordance with former rules of pay as per Cir 358 Record for Washington use in this case

Commissioner of Lighthouses,
Washington, D. C.

1. Referring to letter of March 18th from this office and Bureau endorsement of the 20th, in regard to the rate of pay applicable to Thomas P. Brander, who is being transferred from first assistant at Manitou Island Light Station to keeper at Middle Neebish Cut Light Station:

2. It is desired to withdraw the recommendation made in paragraph 3 of district letter above referred to, as it is not believed to be administratively advisable to transfer Mr. Brander at higher than $1320, the rate which is proposed in the original nomination. $1320 is the base pay of the position and the former keeper, whose place Mr. Brander takes and who made an especially good record at the Middle Neebish Cut Light Station, only received $1380 per annum. It will be very apparent that discontent will be caused by now transferring a man from the grade of assistant to take over this station at a higher rate of pay than that received by experienced keeper whom he relieves.

3. Many other similar situations will arise if the provision of paragraph 5, Bureau circular 358, are adhered to. In arriving at the $1440 figure in Mr. Brander's case, it was assumed that the duduction made for quarters at the Middle Neebish Cut station should be considered a part of his salary, making it $1620 the same as he received at Manitou, although the paragraph makes no provision for considering such allowances. To be fair, it is also necessary to consider the duties of the station which formed the original basis upon which a classification of stations in four classes was arrived at--unless that is done, discrepancies are bound to arise constantly in the transfer of keepers from isolated stations or higher class stations to those on shore, or of lower class. It is bound to result in assistants receiving more pay in some cases than keepers where they have been transferred from such higher class or isolated stations.

4. This office believes it much better to adhere to the former rule of transferring at the entrance pay of the keeper grade, and of carrying with the individual in the case of transfer his standing in the grade, rather than a rate of pay, with such limitations as to increases of pay as are necessary to comply with the present restrictions on promotions. It is recommended, therefore, that the Bureau give consideration to modifying the provision of paragraph 5 in the case of lighthouse keepers, and that the pay for Mr. Brander be restored to $1320 as originally proposed for the reasons stated.

Chas A Park

D.H.

O.K.

This is matter we discussed this A.M. Bur endorsement while adhering to the original action, does not base it on Bur Circ 358.

Supt seems to have overlooked fact that previous rule, which provided that promotion from asst Keeper to Keeper be to the minimum of range, had this exception, that there wd not be a reduction in pay

WPH 3/29

Bureau of Lighthouses
Washington, March 27, 1933

SUBJECT: Transfer of Thomas P. Brander from Manitou to Middle Neebish Cut; Supts letters of 3/18/33 and 3/23/33; Bu.ind. 3/20/33.

Returned to 11th Superintendent not approved for the reason that this transfer was effected without a change in gross pay which is consistent with the former rule governing promotion of an assistant keeper to principal keeper, which in no case contemplated a reduction in gross pay.

1. Receipt is acknowledged of the Bureau's letter of March 27th, in regard to the transfer of Thomas P. Brander from first assistant keeper at Manitou Island to be keeper at Middle Neebish Cut. Mr. Brander's appointment has also just been received, which it is noted is at the rate of $1440 per annum.

2. Mr. Brander is being instructed to proceed to take charge of the Middle Neebish Cut Light Station, but his appointment is being held in this office, as it is felt that the situation in his case is perhaps not made fully clear to the Bureau in previous correspondence. Mr. Brander was offered the position of keeper at Middle Neebish Cut at $1320 per annum, the base pay of the grade, and accepted. Keepers coming from isolated stations to stations not so remote expect pay reduction, and in many cases make request for positions where the pay is much smaller, considering that the advantages of the more accessible location, etc., offset the difference in pay. That was apparently true in Mr. Brander's case. Mr. Small, the keeper whose place he is taking, made an especially good record at the Middle Neebish Cut station and was awarded the efficiency pennant for the season of 1932. As stated in previous correspondence, Mr. Small received $1380, $60 less than the pay now proposed to be given to the new keeper, Brander. This office desires very much, in justice to Mr. Small, to avoid that situation if possible, and also there is an important economy in making the transfer at the base pay of the grade, if it can be done.

3. This office felt that because of Mr. Brander's desire to transfer at the rate of $1320 per annum, and the fact that a transfer at a rate slightly less than that received by the former keeper would be administratively desirable, that this would have a bearing on this case, also the fact that a rigid following of paragraph 5 of Bureau circular 358 of April 12, 1932, would be bound to lead to cases of even greater discrepancy. For example, the second assistant of Stannard Rock Light Station, who receives $1560 and who is in a grade $1560-1920, desires transfer to the position of second assistant at Portage Lake Ship Canals where the grade is $1200-1560. Applying the value of quarters at the latter station, the minimum gross pay would be $1440, yet under the Bureau's circular this employee would receive $1320 net ($1560 gross), or two steps above the base pay of the grade. This is the pay received by the present incumbent

of the position, who has been in the Service eleven years, eight years longer than the keeper who would take his place. It was to avoid such discrepancies that this office made the suggestion contained in district letter of March 23rd.

4. It is requested that the Bureau advise further and the mailing of Mr. Brander's appointment to him will be delayed pending receipt of Bureau reply.

Superintendent of Lighthouses.

Returned to Superintendent of Lighthouses, Detroit, Mich., with request that notice of change in pay for Keeper Brander be returned for amendment as proposed. It is requested also that the Superintendent bring this matter up on his forthcoming visit to the Bureau in connection with the general consideration that is being given to regulations governing the pay of employees on transfer.

11th Supt 's letter of April 24 re transfer of Thomas P. Brander.

Incl.
RG:EMF Bureau of Lighthouses, Washington, D. C., May 6, 1933.

Submitted to the Secretary of Commerce with recommendation that the inclosed notice of change in pay in the case of this keeper be amended to show the proposed salary as $1320 instead of $1440 per annum, and that Bureau nomination of March 20, on the basis of which Department notice was prepared, be amended accordingly. The proposed salary of $1440 per annum is net and does not include family quarters valued at $180 per annum, which would make the proposed gross pay $1620 per annum, which is the same as his former gross pay. The Superintendent, however, advises that this transfer was proposed at the request of Keeper Brander and that he expected that the rate of pay would be $1320, and that it is considered desirable, as well as being more economical, to amend the proposed rate of pay as herein proposed.
