INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that this appointment would be in conformance with the Civil Service Act, applicable Civil Service Rules and Regulations and acts of Congress pertaining to appointment.

This form should be checked for holding of office, pension, suitability in connection with any record of recent discharge or arrest, and particularly for the following:

(1) *Identity of appointee.*—The appointee's signature and handwriting are to be compared with the application and/or other pertinent papers. The physical appearance may be checked against the medical certificate. The appointee may also be questioned on his personal history for agreement with his previous statements.

(2) *Age.*—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. Until such determination is made, the appointment may not be consummated.

(3) *Citizenship.*—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) appropriation acts. Form 61 constitutes an affidavit for both purposes and is acceptable proof of citizenship status in the absence of conflicting evidence. In doubtful cases the appointment should not be consummated until clearance has been secured from the certifying office of the Civil Service Commission.

(4) *Members of Family.*—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving under probational or permanent appointment in the competitive service, no other member of such family is eligible for probational or permanent appointment in the competitive service. The appointments of persons entitled to veteran preference are not subject to this requirement. The members-of-family provision does not apply to temporary appointments. Doubtful cases may be referred to the appropriate office of the Civil Service Commission for decision.

MEMORANDUM TO CHIEF, CIVILIAN PERSONNEL SECTION

Subj: Lamplighter

1. It is requested that necessary steps be taken to get a position of lamplighter authorized for Hudson City Light Station. A project has been approved by Headquarters to change this light station in order that it may be operated by remote control.

2. When the necessary changes are made, the personnel presently assigned to this unit will be removed and the fog bell and light will then be operated by a switch located in Athens, New York.

3. It will be the duty of this lamplighter to operate the fog bell during periods of fog and low visibility and to keep the light station structure cleaned and painted, as well as checking periodically on the light and fog signal equipment.

4. It is suggested that an appropriate salary for this position would be in the neighborhood of $50.00 per month.

HQ is in receipt of Forms 50 dated 17 June 1952 for the correction of the salary shown on notifications dated 14 August 1951, 27 August 1951 and 17 September 1951 accepting the resignations of lamplighters Emil J. Brunner, Lawrence D. Carroll and Edwin A. Rogers, respectively. District letter dated 27 June 1952, copy enclosed, indicates that these former employees were not being given the retroactive pay increase provided in Public Law No. 375, 82nd Congress, approved 5 June 1952 (CPM No. 13-52) for employees on duty on the date of enactment of the original law, P. L. 201, 82nd Congress, approved 24 October 1951. It is assumed that the Forms 50 were withdrawn by your office, but since nothing to this effect was received and no notice of cancellation was received, you are requested to advise as to the action taken to clear the record. If no cancellations were issued it appears that this should be done to clear the record.

Gentlemen:

Receipt is acknowledged of the Commission's letter of January 18, 1927 (File MCR:MS), requesting information relative to certain cases in order to complete the records of the Commission.

A careful search of the records of the Department fails to disclose the names of Margaret G. Schmitzer and Ralph P. Watson. Emil J. Brunner was recommended by the Superintendent of the Third Lighthouse District for appointment as keeper at $1140 per annum. The recommendation was withdrawn before the appointment was written.

Fred Drewes was reported to the Commission on journal sheet No. 1179, line 10. The appointment was latter amended to Claus Drewes, the amendment being reported on sheet No. 1212, line 22.

CHIEF CLERK 1926 SEP 3 PM 2 47

SUBJECT: Nomination, Emil J. Brunner, Keeper.
REFERENCE: Bureau end. Aug. 25th on Dept. letter Aug. 20th.

1. Returned to Commissioner.

2. The Emil J. Brunner referred to is the same individual who entered on duty as 2nd Asst. Keeper of Old Orchard Shoal Light Station on Jan. 25,1926 and resigned effective at the close of Jan. 26,1926, his resignation having been accepted, but not without prejudice. The record of this employment which appears on the reverse side of his service card was lost sight of, otherwise his application would have been rejected and recommendation for his appointment would not have been made. Mr. Brunner's application for examination, which was received on July 13,1926, stated his prior Government service to be December 6,1923 to July 31,1925 and that he voluntarily resigned, no mention being made of his employment at Old Orchard Shoal Light Station, in January 1926.

3. In view of the foregoing it is requested that nomination Form 73 dated August 10,1926 recommending the appointment of Emil J. Brunner to the position of 2nd Assistant Keeper of Little Gull Island Light Station, be cancelled.

4. The matter of removing Mr. Brunner's name from the eligible register, and also the fact Mr. Brunner furnished incomplete information in his application in reference to prior Government service, will be taken up with the District Secretary of the 2nd Civil Service District.

DEPARTMENT OF COMMERCE
Office of the Chief Clerk

SUPERINTENDENT OF LIGHTHOUSES
AUG 27 1926
RECEIVED

August 20, 1926.

Commissioner of Lighthouses:

The Department is in receipt of the Third Superintendent's nomination of August 10, 1926, forwarded by the Bureau's indorsement of August 12, 1926, for the probationary appointment of Emil J. Brunner as keeper at $1140 per annum at Little Gull Island Light Station, New York.

It appears from the records of the Department that the resignation of one Emil J. Brunner was accepted by the Department with prejudice in view of his failure to give sufficient notice of his intention to resign, thereby causing embarrassment to the service, effective at the close of business on January 26, 1926. If the Brunner recommended by the Third Superintendent is the same individual who previously served in the Third District, the Department should be furnished with a statement of the reasons which, in the estimation of the Bureau, warrant his reentering the service. Information is also requested as to whether Brunner's proposed appointment is based on an application for examination filed by him subsequent to the time of his separation, and if so, how the question relative to prior Government service was answered.

Chief Clerk.
