Gentlemen:

Reference your file Misc-2873955.

Inclosed is a letter of Mr. Malcolm Cady, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period July 1, 1940 to June 30, 1947. Adjustment for period subsequent to June 30, 1946 will be made by this office. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $1269.37 per annum, whereas, for the period July 1, 1940 to June 30, 1946, Mr. Cady was paid at the rate of $1089.37 per annum - an underpayment of $180.00 per year, or $15.00 per month.

Computation of the amount due and appropriations chargeable are as follow:

2001255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1940		$180.00
2011255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1941		180.00
2021255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1942		180.00

2061255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1946		180.00
	TOTAL	$1,260.00

For tax withholding purposes, the records of this office show that Mr. Cady claims 2 exemptions.

Dear Sir:

In conformity with your circular of June 10th, I desire to submit herewith, my application for retirement under the terms of the lighthouse service retirement act. I was born on February 28th, 1876, and will reach age of sixty-four on February 28th, 1940. My entire service has been in the Eighteenth Lighthouse District. I served at the Point Arena Lighthouse until 1906, at which time I was transferred to Point Reyes. I spent approximately one year at Point Reyes, and was then transferred to Table Bluff, where I spent approximately one year. I was then transferred to Point Loma, and remained there approximately thirteen years. I was then transferred to Cape Mendocino, and remained there for a period of approximately 2 years, at which time I was transferred to Point Loma. I spent approximately two years at Point Loma, and was then transferred to Trinidad, where I am stationed at the present time.

Trusting that this application is in order, I beg to remain,

Very truly yours,

Malcolm Cady Keeper

Upon receiving my Request for shore leave I have noted that it is stated that no substitute shall be needed. I feel that there is some mistake, as the Assistant Keeper recently took a leave of absence and a substitute was furnished and a substitute has been furnished for each keeper on leave in the past. It would be impossible for one keeper to stand the 24 hour watch.

Respectfully.

1. Referring to Time Check sent in for Mrs. E. Cady, who substituted for Mr. Vradenburg from 4 PM, Dec. 13th, to 4 PM, December 31st, you are advised that there will be deducted from $42.50, Mrs. Cady's pay for the period from Dec. 13th to 31st the sum of $27.00 to cover overpayment made her for 17 days from June 7th to 24th and for 10 days from August 24th to September 3rd for which periods she was paid at the rate of $3.50 a day instead of $2.50.

2. When Mr. Vradenburg's leaves were approved the fact that E. Cady was your wife was overlooked. It was thought that E. Cady was your son and not your wife and payment was approved for $105.00 a month instead of $75.00 a month.

3. In future cases, to avoid confusion, you are directed to show on the leave forms the relationship of the substitute and also the age of the substitute. This should be shown on the leave forms of both keepers in all future cases.

1. The Superintendent left San Diego Bay on the tender SEQUOIA about 10:25 AM on Friday, February 20th, at which time the weather was thick and hazy with misty rain. Shortly after passing the Bell Buoy, your station was completely shut out from view of the tender and could not again be seen until the tender had rounded the Whistling Buoy on the course for San Pedro.

2. Under the Regulations of the Lighthouse Service, the fog signal at your station should have been in operation during this period and for a considerable time afterwards as it was impossible to see a distance of five miles from your station during a considerable time previous to noon on the date in question.

3. The Keeper of the station has reported that you had the fog watch on the date in question and that although you started your engine at 10:45 AM, you failed to put the siren in operation.

4. You are hereby reprimanded for lack of zeal in standing your watch and you are warned that any further failure on your part to put the fog signal in operation when required by the Regulations will be reported to the Commissioner of Lighthouses for such action as he deems necessary to take in the matter.

My dear Mrs. Cady:

Receipt is acknowledged of your letter advising Headquarters of the death of your husband, Malcolm Cady, Keeper, former Lighthouse Service, now United States Coast Guard, on 31 October 1951. Please accept my sincere sympathy.

Inasmuch as official proof of his death has not been received, it is requested that a copy of the death certificate be forwarded to this office.

At the time of death there was due the estate of your husband final retired pay. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of the final retired pay are herewith inclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin, or the person who paid, or will pay the funeral expenses should execute the inclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker shouls sign the inclosed waiver form. This information is necessary to support the claim for the final retired pay.

In the event you have in your possession any unc[illegible] retired pay checks these should be returned to Coast Guard Headquarters for settlement with your claim for the retired pay due on date of death.

When the inclosed forms have been completed, please return them to Coast Guard Headquarters in the inclosed pre-addressed envelope which requires no postage.

By direction of the Commandant.

Gentlemen:

Reference your file Misc-2873955.

Inclosed is a letter of Mr. Malcolm Cady, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period July 1, 1940 to June 30, 1947. Adjustment for period subsequent to June 30, 1946 will be made by this office. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $1269.37 per annum, whereas, for the period July 1, 1940 to June 30, 1946, Mr. Cady was paid at the rate of $1089.37 per annum - an underpayment of $180.00 per year, or $15.00 per month.

Computation of the amount due and appropriations chargeable are as follow:

MEMO

Keeper and Asst. Keeper at Trinidad Head L.S., 18th Dist., are receiving same pay - $1380 per annum since E. Vradenburg, the Assistant Kpr. was promoted $60 per annum under the Brookhart Act. Supt. in attached telegram recommends a promotion for Pr. Keeper in order to fix his salary at a higher rate than his assistant.

The letter of August 22, to which Supt refers in first part of telegram has been submitted to the Department, with recommendation that Dept. notice of E. Vradenburg's salary be amended to $1380 p.a. Bureau letter of August 21, which is referred to in latter part of telegram, I am unable to find, but presume Supt had recommended Cady, the Pr. Kpr, for $1440 and the Bureau had amended the proposed salary to $1380 per annum and advised Supt.

In view of several similar cases recently action on appears Cady should be given $1440.

Superintendent of Lighthouses, San Francisco, Calif.

SUBJECT: Your nomination for the promotion of Malcolm Cady from Assistant to Principal Keeper, Trinidad Head L.S. at $1440 per annum, the second step in the range.

The established policy in cases of this kind is to effect promotion at the minimum of the range for Principal Keeper, except where for special reasons, which are not obvious in this particular case, an exception is considered warranted. In the present case it will be noted that promotion to the minimum of the range would give Keeper Cady a salary increase of $60 per annum and a salary $60 higher than the new assistant keeper to be assigned to Trinidad Head. The Bureau has therefore amended the proposed pay to $1380 and submitted your nomination to the Department. You will be duly advised by telegraph of the Department's action.

Submitted to the Secretary of Commerce, approved. The Bureau considers that this promotic should be made at $1380 per annum, the minimum ~~of the range~~ of the range, and has accordingly amended the proposed pay. The pay of $1380 proposed by the Bureau wi involve an increase of $60 per annum for Keeper Cady and give him a salary $60 higher than the pay of the new assistant keeper to be transferred to this statior which is considered an equitable arrangement. The Superintendent has been so advised.

18th proposes the promotion of this employee from Asst. Kpr. to Principal Kpr at the 2nd step in the range ($1440) in order that he will receive $120 per annum more than the new Asst. Kpr. who ~~xxxx~~x is being transferred from another station (where his salary is $1500 -range $1380-1680) at $1320 per annum.

In accordance with the established procedure, think the promotion of Malcolm Cady from Asst. to Pr. Kpr. should be made at $1380, the minimum of the range, which would give him a promotion of $60 and a salary $60 higher than the new Asst. Kpr.

Rec. promotion at $1380 and advise 18th accordingly.

1. Referring to the accompanying Form 73a reporting the proposed transfer by mutual arrangement of Malcolm Cady, First Assistant Keeper, Point Loma Light Station, and James E. Kent, Assistant Keeper, Trinidad Head Light Station, the transfer to be made on or about September 7, 1926.

2. Kent is employed in the fourth step of the range at Trinidad Head Light Station, or at the rate of $1260.00 per annum but as the fourth step in the range at Point Loma Light Station would make Kent's salary at Point Loma $1320.00 per annum, or only $60.00 less than Keeper Cottingham's salary of $1380.00 per annum, it is recommended that Kent be employed at $1260.00 per annum, which salary is acceptable to Kent. The Bureau is advised that Second Assistant Keeper McEwan at Point Loma Light Station receives a salary of $1260.00 per annum.

3. In the case of Cady, whose present salary is $1200.00 per annum which is the second step of the Point Loma range, the second step of the range at Trinidad Head Light Station is $1140.00 per annum but on account of Cady's long service, it is considered just that his salary when transferred to Trinidad Head be not decreased and accordingly he is recommended for transfer at $1200.00 per annum.

1. The Superintendent left San Diego Bay on the tender SEQUOIA about 10:25 AM on Friday, February 20th, at which time the weather was thick and hazy with misty rain. Shortly after passing the Bell Buoy, your station was completely shut out from view of the tender and could not again be seen until the tender had rounded the Whistling Buoy on the course for San Pedro.

2. Under the Regulations of the Lighthouse Service, the fog signal at your station should have been in operation during this period and for a considerable time afterwards as it was impossible to see a distance of five miles from your station during a considerable time previous to noon on the date in question.

3. The Keeper of the station has reported that you had the fog watch on the date in question and that although you started your engine at 10:45 AM, you failed to put the siren in operation.

4. You are hereby reprimanded for lack of zeal in standing your watch and you are warned that any further failure on your part to put the fog signal in operation when required by the Regulations will be reported to the Commissioner of Lighthouses for such action as he deems necessary to take in the matter.

1. The Bureau is informed that Malcom Cady, First Asst. Keeper of the Point Loma Light Station left the station at about 8 a.m. on June 14th by the Keeper's authority for leave of not more than 24 hours. He returned to the station on the evening of June 16th, after an absence of more than 36 hours, and reported that he remained in San Diego during that time for medical treatment in connection with a recent injury sustained by him when his automobile was struck by a street car.

2. The Keeper was verbally reprimanded at the time of the inspection for the condition of his station, but as such reprimands appear to do little good in his case, it is proposed, if the occasion again arises to reprimand him, to recommend his demotion to the position of First Asst. Keeper. It is recommended that as his station is seldom in a satisfactory condition, the Bureau address a severe letter of reprimand to him at this time and warn him of the consequences of further neglect of duty on his part.

Sir:

In answer to your letter of the 19th inst. will say I wrote to you about this matter but my letter must have gone astray.

On July 21st a young man by the name of Wm. Masters and his brother were walking along the cliff above the Lightstation, when the bank caved, and Wm. Masters was dashed on to the rocks below, a distance of about 50 feet, breaking his leg, and dislocated his hip, his brother being unable to assist him, came to the Station for assistance. Mr. Cady took a long rope and proceeded to the scene of the accident, and was lowered over the cliff and with the assistance of the brother and a soldier succeeded in getting the young man up the cliff, where he was brought to my house, and we telephoned to the Fort for the ambulance.

As the tide was coming in at the time I consider the prompt action of Mr. Cady was the means of saving the young man's life, and I consider that he is entitled to recommendation.

Very respectfully,

Assistant Lighthouse Keeper Performs Heroic Rescue On Point Loma

William Masters, aged 20, residing at Ocean Beach, owes his life to the prompt and heroic action of Malcolm Cady, first assistant to Capt. M. A. Beeman, in charge of the government lighthouse at Point Loma.

Masters, accompanied by a boy friend, was walking along the Point Loma bluff, overlooking the ocean, when the edge of the precipice gave way beneath his weight and he fell upon the rocks below. With the waves almost breaking over him, and though hurt and partially stunned from the impact, Masters called for help. Realizing his friend's perilous position and powerless to aid him alone, Masters' companion hastened to the Point Loma lighthouse, more than a mile distant, and notified Cady who, riding bareback over the trail that leads from the lighthouse, lost no time in getting into action once he had reached the scene of the accident. At the risk of his life he slid thirty feet down the steep embankment with the aid of a slender rope, and, assisted by a soldier from Fort Rosecrans and Masters' companion, hoisted the injured man to the top.

Masters was rushed to the government hospital at Fort Rosecrans, where, on examination by the doctors there, it was found that his left leg was broken between the knee and hip and that he was severely bruised about the body.

Captain Beeman, who is in charge of the lighthouse, was enthusiastic in his praise of Cady's heroic conduct. The captain is confident that had it not been for the prompt action of his assistant, there would have been little chance of saving Masters' life.

1. The Superintendent left San Diego Bay on the tender SEQUOIA about 10:25 AM on Friday, February 20th, at which time the weather was thick and hazy with misty rain. Shortly after passing the Bell Buoy, your station was completely shut out from view of the tender and could not again be seen until the tender had rounded the Whistling Buoy on the course of San Pedro.

2. Under the Regulations of the Lighthouse Service, the fog signal at your station should have been in operation during this period and for a considerable time afterwards as it was impossible to see a distance of five miles from your station during a considerable time previous to noon on the date in question.

3. The Keeper of the station has reported that you had the fog watch on the date in question and that although you started your engine at 10:45 AM, you failed to put the siren in operation.

4. You are hereby reprimanded for lack of zeal in standing your watch and you are warned that any further failure on your part to put the fog signal in operation when required by the Regulations will be reported to the Commissioner of Lighthouses for such action as he deems necessary to take in the matter.

Mr. Morton M. Palmer, first assistant keeper at Point Loma, and myself can agree upon a mutual exchange of positions, if such change would be approved by yourself.

I desire to make the change chiefly on account of the distance and rough road and weather for my seven year old boy in going to school at Capetown. My wife's health is not good up here on account of the damp climate and both of our children suffer from croup which is aggravated by the dampness of the climate.

I would deem it a favor if you could approve of the exchange being made any time after June 1st, 1924.

Mr. Beeman's lack of interest in his work was called to the Bureau's attention by inspection report dated January 14, 1913, and they have both been repeatedly informed by the Inspector that their services were not entirely satisfactory. Some improvement has been noted in both cases, but until there is further improvement, it is not desired to recommend either of them for the increased pay allowed at their station.
