The Acting Secretary:

Attached hereto is letter dated the 22nd instant, and enclosures, from the Inspector of the Second Lighthouse District in regard to trouble existing between the keeper and assistant keeper of Nobska Point Light Station, Massachusetts. It appears from the correspondence in the case that the keepers' families are unable to get along together and that each keeper made complaint to the Inspector against the other in regard thereto. The Assistant Superintendent was directed by the Inspector to investigate conditions at the station, and under date of the 16th instant he submitted the following report:

> "In compliance with your instructions, I visited Nobska Point Light Station on the 15th instant. Careful investigation of the trouble at that station shows conclusively that it all comes from a disagreement between the families of the keeper and his assistant. As far as the two keepers are concerned, they have performed the duties of the station in an efficient and reasonably harmonious manner, but their families are so antagonistic to each other, that I am of the opinion that the only thing that will restore harmony at the station will be to transfer one of them to some other station."

The Inspector states, however, in his letter of the 22nd instant that --

INDEXED

> "As this is the second trouble within one year, the only real remedy in opinion of the Inspector is to separate the families by transferring the keepers to separate stations."

The Bureau concurs in the Inspector's recommendation and forwards nomination for the transfer of the keeper, George I. Cameron, to the position

of first assistant keeper of The Graves Light Station, Massachusetts, at $552 per annum, (he receives $624 per annum at present), effective September 1, 1913, or as soon thereafter as he enters on duty. The Inspector states that recommendation for the transfer of the assistant keeper, George T. Gustavus, will be submitted as soon as arrangements can be made.

As a result of the proposed transfer of Mr. Cameron, the following nominations are submitted by the Bureau, to become effective September 1, 1913, or as soon thereafter as the persons to be appointed enter on duty:

> George L. Lyon, keeper of Nobska Point Light Station, Massachusetts, at $624 per annum, by transfer from keeper of The Graves Light Station, Massachusetts, at $1020 per annum. (This transfer, involving a reduction in salary, is at Mr. Lyon's request.)
>
> Henry C. Towle, keeper of The Graves Light Station, Massachusetts, at $1020 per annum, by promotion from first assistant keeper at $552 per annum.

It will be noted that it is proposed to promote Henry C. Towle to the position of keeper of The Graves Light Station at a salary of $1020 per annum, an increase of $468 over his present salary. Such a difference in compensation between grades is unusual, and it is believed in this case that Mr. Towle should receive an intermediate rate of pay at first until he has demonstrated his fitness for promotion to the regular pay of the position. It is therefore suggested that Mr. Towle be given an appointment at this time as keeper of The Graves Light Station, Massachusetts at $780 per annum, and that the Bureau be requested to submit further report and recommendation whenever the time seems appropriate.

Inclosed herewith is correspondence in regard to charges and countercharges between the keeper and assistant keeper of Nobska Point Light Station.

As this is the second trouble within one year, the only real remedy in opinion of the Inspector is to separate the families by transferring the keepers to separate stations.

The changes in the personnel, as recommended by the inclosed nominations on Form 73, will, it is thought, be beneficial to the service in all respects.

In regard to the statements of Mr Geo F. In his letter of Aug 13th he states I refused to forward his letter I did not know he had written one until after it had been mailed. I asked ~~to~~ him if he had writen to the Office he said he had and that it was mailed I asked him why he had not let me see it as I wanted to make a reply to it. the answer I got was I sent it in over your head.

I have to report that Mr. Cameron wife started trouble today by throwing a stone at my wife.

She has been doing this for a long time & today my wife said (run away with Herman Nickerson again) she told her husband to talk to my wife about it and so he went into my dwelling when I was to the village and give my wife a hard talking too.

She has made her children throw stone at my wife at all times.

They have been trying to have trouble for some time, and he has told me a number of times that I would get thrown out of the service. I have always obeyed orders & done my work & I think that the families at a station should live in harmony with each other.

September 3, 1913.

Commissioner of Lighthouses:

Referring to the Second Inspector's report of the 22nd ultimo in regard to the trouble between George I. Cameron and George T. Gustavus, keeper and assistant keeper, respectively, of Nobska Point Light Station, Massachusetts, and to the Bureau's endorsement thereon under date of the 28th ultimo, the Department has to state that Mr. Cameron has been transferred to the position of first assistant keeper of The Graves Light Station, Massachusetts, at $552 per annum, effective September 1, 1913, or as soon thereafter as he enters on duty, as recommended. It is noted that recommendation in the case of Mr. Gustavus will be submitted to the Department as soon as received from the Inspector.

In accordance with the Bureau's further recommendation, Mr. George L. Lyon has been appointed as keeper of Nobska Point Light Station, Massachusetts, at $624 per annum, by transfer from the position of keeper of The Graves Light Station, Massachusetts, at $1020 per annum, effective September 1, 1913, or as soon thereafter as he enters on duty. With regard to the proposed promotion of Henry C. Towle from the position of first assistant keeper at $552 per annum to that of keeper at $1020 per annum of The Graves Light Station, Massachusetts, the Department has to state that as such a difference in compensation between grades is unusual, it is believed that Mr. Towle should receive an intermediate rate of pay until he has demonstrated his fitness for promotion to the regular pay of the position.

Mr. Towle has accordingly been given an appointment at this time at $780 per annum, and it is requested that the Bureau submit further report and recommendation in his case whenever the time seems appropriate.

George I. Cameron,
Leave without pay.

Commissioner of Lighthouses.

George I. Cameron, First Assistant Keeper, The Graves Light Station, by July 31st will have enjoyed sixty-four days shore leave during the present calendar year. He is entitled to seventy-two days per annum, which, by the time stated, will amount to forty-two days. He will have, therefore, enjoyed leave in excess of the accrued rate to the extent of twenty-two days.

He has been repeatedly warned to abbreviate his periods of leave on shore, in order to compensate for the excess leave already enjoyed, but has failed to do so. It is therefore recommended that he be granted leave of absence without pay from July 9th to July 30th, inclusive, and that his pay for the month of July be for eight days only, July 1st to 8th inclusive.

In case this recommendation is approved, the Inspector will warn him that any leave taken in excess of the authorized allowance will result in a recommendation for his dismissal from the Service for persistent abuse of the leave privilege.

Inspector.

July 29, 1915.

Commissioner of Lighthouses:

For the reasons set forth in the Second Inspector's letter of the 20th instant, and in accordance with the Bureau's recommendation of the 26th instant, the Department hereby grants George I. Cameron, first assistant keeper of the Graves Light Station, Massachusetts, 23 days' leave without pay for the period from July 9 to July 31, inclusive, 1915.

In accordance with the Bureau's further recommendation, the Department authorizes the Bureau to address a letter to Mr. Cameron, warning him that any leave taken by him in the future in excess of the authorized allowance, unless for good and sufficient reasons, will result in consideration being given to taking more drastic action in his case.

Light-house Commissioner.
Washington. D.C.

Dear Sir.

I do not know if I am doing right in bringing to your notice my affairs but perhaps you can. My husband is in the lighthouse service at present he is at the Graves Light Boston Harbor his pay with ration per month and we have to furnish our own rent and fuel. We have five children the eldest is 15. fifteen and the two youngest are three yrs. I try hard to make both ends meet but in spite of me I am going behind. My rent is $19.00 per month my grocers including meals is $25.00 per mo

which also includes my husbands groceries, then the remaining part I have for fuel and clothes, I have had quite a few clothes given me this year to make over for myself and children. Mr Cameron's first Station was Bakers Island, Salem Harbor as assistant. the Keeper was Walter Rogers who has since resigned and lives at Ipswich Mass R. F. D. No 1. he was there about five years then he was changed down to Woods Hole Mass. Nobska Point light as assistant. the Keeper Oliver Nickerson dropping dead in the next year Mr Cameron was made Keeper and Mr Geo Gustavus assistant. Mr Gustavus made a complaint against Mr Cameron which there was no truth

in that was in the fall of 1912.
and then a year ago last Spring
Mr Gustavus wife stopped
speaking to me and did not
allow her children to play with
mine I am positive I did nothing
or said nothing I always tried to
use her as I would like to be used
and was always good to the children
She annoyed me very much by
staring me and mocking me and I
would go the door to hang clothes
or for any errand I was told not
to use the glass that belonged
to the Chamber of Commerce I
always tried not to notice her but
when I was getting ready to go away
for a few weeks in August she
had company and I started
out the front door to go berrying
she said loud enough for me to
hear as she was looking out the

window (there goes that fool now) I (s)
was tired and a little worn out and I
answered her back saying I was no
more a fool than she, then off course
she said a few more things and I
answered her again. Mr Gustavus
reported me but he did not state
things exactly as they were he did not
send the letter through the keeper so
it was returned and Mr Cameron
sent it out again. Mr Gustavus was
changed but his pay was not
reduced. Mr Cameron says was
he used to get $61. If I was so
cowed leave my children I could
work and make up the extras
to live but if I hire a house keeper
and go to work it would take
most all I made to pay her. I
did not know but what you could
put Mr Cameron somewhere he

(3)
would get more money and not
have his family either. Off course
I would like to be where we could
be together, I can assure you I
shall not answer back again. I
hope I have not done any harm
in writing you and if nothing
can be done I would rather my
husband did not know any thing
about it.

Yours respectfully
Mrs. George I Cameron

Madam:

The receipt is acknowledged of your letter of February 1, 1914, relative to the transfer of your husband, Mr. George I. Cameron, first assistant keeper, The Graves Light Station, Mass., to a station where his salary would be increased, etc.

I have to advise you that Mr. Cameron was transferred and demoted from the position of keeper of Nobska Point Light Station, at $624 per annum, to the position of first assistant keeper of The Graves Light Station, as the result of trouble between him and the then assistant keeper of the former station. The matter was given careful consideration at the time of the investigation and it is considered that the action taken was to the best interests of the Service. Mr. Cameron's future advance in the Lighthouse Service will depend entirely upon his efficiency and attention to duty.

Respectfully,

Acting Commissioner.

George I. Cameron,
Leave without pay.

Commissioner of Lighthouses.

George I. Cameron, First Assistant Keeper, The Graves Light Station, by July 31st will have enjoyed sixty-four days shore leave during the present calendar year. He is entitled to seventy-two days per annum, which, by the time stated, will amount to forty-two days. He will have, therefore, enjoyed leave in excess of the accrued rate to the extent of twenty-two days.

He has been repeatedly warned to abbreviate his periods of leave on shore, in order to compensate for the excess leave already enjoyed, but has failed to do so. It is therefore recommended that he be granted leave of absence without pay from July 9th to July 30th, inclusive, and that his pay for the month of July be for eight days only, July 1st to 8th inclusive.

In case this recommendation is approved, the Inspector will warn him that any leave taken in excess of the authorized allowance will result in a recommendation for his dismissal from the Service for persistent abuse of the leave privilege.

Subject: George I. Cameron, 1st asst. keeper, The Graves Light Station, leave without pay, 2d Inspector's letter July 20,1915.

Submitted to Secretary of Commerce with recommendation that Cameron be granted 23 days' leave without pay for the period from July 9 to 31, inclusive, 1915, for the reason stated by the Inspector, and that the Bureau be authorized to direct the Inspector to address a letter of warning to Cameron to the effect that any leave taken by him in the future in excess of the authorized allowance, unless for good and sufficient reasons, will result in consideration being given to taking more drastic action. The Bureau understands from the Inspector's letter that Mr. Cameron is now on leave of absence. See Regulations, 1914, par. 252, as to status of Cameron on July 31, 1915.

July 29, 1915.

Commissioner of Lighthouses:

For the reasons set forth in the Second Inspector's letter of the 20th instant, and in accordance with the Bureau's recommendation of the 26th instant, the Department hereby grants George I. Cameron, first assistant keeper of the Graves Light Station, Massachusetts, 22 days' leave without pay for the period from July 9 to July 30, inclusive, 1915.

In accordance with the Bureau's further recommendation, the Department authorizes the Bureau to address a letter to Mr. Cameron, warning him that any leave taken by him in the future in excess of the authorized allowance, unless for good and sufficient reasons, will result in consideration being given to taking more drastic action in his case.

Warning.

August 3, 1915.

Mr. George I. Cameron,
First Assistant Keeper,
The Graves Light Station, Mass.
(Through Lighthouse Inspector, Boston, Mass.)

The Bureau is advised by the Second Inspector that you have been taking leave in excess of the accrued rate, although you have been repeatedly warned to abbreviate your periods of leave on shore, in order to compensate for the excess leave already enjoyed, and that you have failed to heed such warnings.

In view of the above facts, you are hereby warned that any leave taken by you in the future in excess of the authorized allowance, unless for good and sufficient reasons, will result in consideration being given to taking more drastic action in your case.

The fact that you have been warned will be noted on the records as part of your official history.

George I. Cameron,
Leave without pay.

Commissioner of Lighthouses.

Inspector's letter of 20th ult., Department's authority 29th ult.

Request was made by the Inspector to grant Cameron leave of absence without pay from July 9th to 30th, inclusive; the authority reads from July 9th to 31st, inclusive. Including the 31st in the leave of absence has the effect of depriving Cameron of 30¢ commutation allowance for the 31st of July. In anticipation of receipt of authority in accordance with the Inspector's recommendation, Cameron's check for July was made for eight days' pay, July 1st to 8th, inclusive, nine days' commutation - July 1st to 8th, inclusive, and July 31st.

Information is requested as to whether correction shall be made in the August voucher for the over-payment of 30¢ in commutation, or whether the Bureau desires to change the leave without pay authority from twenty-three days to twenty-two days - the actual amount in excess.

If he was on duty July 31, did sole dept.. amend the authority for leave w.o.p. HWW

August 11, 1915.

Lighthouse Inspector, Boston, Mass.

Referring to your letter dated August 5, 1915, relative to leave without pay of George I Cameron.

If Mr. Cameron was on duty on July 31st, he is of course entitled to commutation but not to pay and the Department's authority for the leave without pay should be amended to read July 9 to 30 inclusive instead of July 9 to 31 inclusive. If, however, in requesting the leave without pay it was the intention that he should be granted 22 days leave without pay, terminating July 31,1915, request should have been for the period from July 10 to 31, 1915, inclusive; in such case Cameron would have been allowed both pay and commutation for 9 days in July. Advise Bureau if Cameron was on duty on July 31; if he was not on duty, it would seem to follow that his absence on that date was not authorized, unless the Department's authority for leave without pay covering that date were to stand in its present form.

Your further statement in this matter is requested,pending receipt of which,reply to your letter of August 5, 1915, is held in abeyance.

Commissioner of Lighthouses:

In accordance with the Bureau's recommendation of the 20th instant, the Department has changed its authorization of leave without pay to George I. Cameron, first assistant keeper of The Graves Light Station, Massachusetts, so as to read for 22 days from July 9 to July 30, inclusive, 1915, instead of for 23 days from July 9 to July 31, inclusive, 1915.

The Department's letter of July 29, 1915, has been amended accordingly and is herewith returned.
