NAME OF CLAIMANT Thomas Carew DESIGNATION Keeper, Annisquam Light Station

Here give a complete personal description, together with permanent marks and scars other than those described below in physical examination: A white male, 60 years old, well developed but poorly nourished showing obvious loss of weight. Physical examination negative except for the following: left cervical glands moderately enlarged and left inguinal glands prominent, abdomen showed no masses and only slight tenderness in epigastrium. There was an old right rectus scar.

Height Not noted Weight 137 pounds. Complexion Brunette

Color of eyes Not noted Color of hair Graying.

Claimant makes the following statement in regard to the origin, nature, and extent of the alleged disability: Patient stated he has had diarrhea for the past five years. About one year ago he noticed epigastric distress and gas with constipation and has lost weight, from 180 to 138 pounds. He has vomitted occasionally, has pain on eating and frequent belching.

Here describe fully nature of disability: X-ray examination revealed constriction of a large carcinoma of the stomach. This was confirmed by exploratory operation on May 12, 1936.

Claimant describes the duties of his position as follows: Keeper, Lighthouse Service.

Is disability to perform such duty of a permanent character? Yes.

Is it indicated that applicant may recover from disability and be fit for restoration to active duty? No Do you recommend reexamination with this in view? Not necessary.

I HEREBY CERTIFY that upon examination May 4,1936 find the above-named claimant to be disabled for useful and efficient service by reason of the disability above described, which is not due to vicious habits, intemperance, or willful misconduct on his part.
