Subj: CARMAN, Lewis R., Keeper; annual leave of

1. Reference is made to your Form 2795 concerning the resignation of subject employee.

2. It is requested that you advise Headquarters if Mr. Carman's leave for the period 30 October through 7 November, 1947 was granted prior to 8 October, 1947, the date his resignation was submitted. If leave was not granted prior to 8 October, 1947, then the effective date of Mr. Carman's resignation will have to be the last day worked, in this case 29 October, 1947.

3. In the latter case the lump sum payment would be for 41 days 4 hours from 30 October through 4 hours on 31 December, 1947.

4. This information is necessary before Form 2249 can be processed.

Reference is made to Indorsement 1 on Resignation Form 2795 in which you recommend acceptance provided an experienced relief is furnished. In this connection you are advised that steps are being taken to determine whether a qualified civilian keeper is available for transfer to Sandy Point Light Station. In view of the fact that this office will be unable to furnish such a replacement prior to the effective date of Mr. Carman's resignation, it will be necessary for you to provide an experienced enlisted man to assume the duties until such time it can be determined whether a civilian keeper will be transferred.

Subj: Retirement under Lighthouse Retirement Law

1. Reference is made to your letter dated 10 September, 1947, requesting information regarding retirement. There are no copies of Regulations for retirement of civilian lighthouse keepers available for distribution to employees.

2. However, you are advised that the compulsory retirement age for Keepers is seventy, regardless of length of service, unless the total service totals less than fifteen years. In such cases the employee must continue in service until 15 years service have been completed. An employee may retire at the age of 65 provided he has 30 years of active Government service to his credit. An employee who retires with 30 years or more of active Government service to his credit receives retirement annuity at the rate of three-fourths of his average basic salary for his last five years of service.

3. An employee may retire on account of disability if he has been in the active service of the Government for at least fifteen years and is found after examination by a Medical Officer of the United States to be disabled for useful and efficient service by reason of disability which is not due to vicious habits, intemperance, or willful misconduct on his part.

4. In computing retirement annuity for those employee retiring with active Government service ranging from fifteen to thirty years, one fortieth of the average basic salary for the last five years of service is allowed for each year of active Government service. Credit is also given to a portion of a year not totaling a full year of active Government service.

5. In the event you should decide to resign it is requested that 30 days advance notice be given this office.

NOTICE OF OFFICIAL EFFICIENCY RATING

REGULAR (X) SPECIAL ( )
PROBATIONAL or TRIAL PERIOD ( )

As of 3-31-47 based on performance during period from 4-1-46 to 3-31-47

Carman, Lewis R. (Name of employee) Keeper (Title of position, service, and grade)

Treas., 5th CG Dist., Norfolk, Va. - Sandy Pt. Lt. Sta., Md.
(Organization—Indicate bureau, division, section, unit, field station)

Efficiency rating: Very Good

2 May, 1947 (Date of notification)

R. F. REA (Signature) Comdr., USCG
Chief, Personnel Division (Title)

Interpretation of Efficiency Rating

Excellent (E) means that performance in every important phase of the work was outstanding and there was no weakness in performance in any respect.
Very Good (VG) means that performance in at least half of the important phases of the work was outstanding and there was no weakness in performance in any respect.
Good (G) means that performance met requirements from an over-all point of view.
Fair (F) means that performance did not quite measure up to requirements from an over-all point of view.
Unsatisfactory (U) means that performance in a majority of important phases of the work did not meet job requirements.

Inspection and Appeals

If you have any question regarding your efficiency rating, it is suggested that you discuss the matter with your immediate supervisor. Your efficiency rating sheet (Standard Form 51, Revised), or a copy of it, will be made available to you for inspection, if you request it of your supervisor or the personnel officer. Such a request is not considered as an appeal. You are also entitled to see the final ratings (not the rating forms) of all employees in your office or station. Information on appeals may be secured from your supervisor or personnel office. There are time limits governing the filing of appeals.

Significance of Efficiency Ratings

The salary advancement act provides for successive salary advancements based on several factors, one of which is efficiency ratings. Ratings of "Good" permit periodic salary advancement by successive steps up to and including the middle rate for the grade (the fourth step in six rate grades), and ratings of "Very Good" and "Excellent" permit periodic salary advancement by successive steps above the middle rate of the grade.
The rate of compensation of an employee whose efficiency rating is "Fair" must be reduced one salary step if his rate of compensation is above the middle rate. If the rate of compensation is equal to or below such middle salary rate, it is not subject to reduction on that account.
An employee whose efficiency rating is "Unsatisfactory" is not permitted to remain in his position. He must be assigned to a position more nearly commensurate with his ability, either (1) in the same line of work, in which case the position must be in a lower classification grade and his rate of compensation must not be in excess of the middle rate for such grade, or (2) in some other line of work for which he is qualified, in which case he is considered as having received a new appointment to the extent that his rate of compensation must be at the minimum rate for such grade and he must begin a new probationary period; or if no suitable vacancy is available he must be separated from the service for inefficiency. A probationary employee, assigned to a position of lower classification grade, begins a new probationary period in the new position.

Dear Sir:

This office has received a bill in the sum of $3.00
and CA 16
from Dr. Philip A. Insley, Main St., Salisbury, Md.,

for medical services rendered on account of an injury sustained by:
Lewis R. Carman, Lighthouse Keeper, on January 8, 1947. (back strain)

Before consideration may be given the payment of these medical charges, the Bureau must have a report by the employee's official superior on Form CA 2 and the injured employee's original notice of injury on Form CA 1. (Sections 1.2 and 1.3, Regulations of the Bureau)

Kindly forward such forms immediately. If for any reason Form CA 1 cannot be obtained without delay, complete Form CA 2 so far as practicable and forward it to this office with a brief explanation of the reasons for inability to furnish Form CA 1.

A copy of this communication is being mailed to the doctor indicated above to advise concerning settlement of the account for medical service.

Your cooperation in this matter will be appreciated.

Very truly yours,

BUREAU OF EMPLOYEES' COMPENSATION

TO THE PHYSICIAN OR HOSPITAL CONCERNED:

Your bill above described must be supported by the original written order or request authorizing you to render medical care in this case for the account of the Bureau and a detailed medical report showing the nature of the injury for which treatment was rendered, the physical findings on examination, the treatment furnished and the progress of the case.

The evidence received with your claim for veteran preference is returned herewith.

Under revised procedures, the Civil Service Commission no longer requires war veterans to send to the Commission proof of honorable separation from active duty in the armed forces, in claiming 5-point preference. When such a veteran submits an application to the Commission for Federal employment, his entitlement to 5-point preference in connection with that application is determined on the basis of his statements therein as to his military service. If his statements show that he is entitled to preference, he is granted tentative 5-point preference in connection with that application.

However, if he is offered appointment, he will be required to present proof of honorable separation from active duty in the armed forces (or proof of being on terminal leave from the armed forces) to the appointing officer, before or at time of entrance on duty.

A veteran granted tentative 5-point preference under the revised procedures gets exactly the same preference benefits in the examination and selection procedures as did the veteran granted absolute 5-point preference under the former procedures. The word "tentative" is used to show that the benefits are granted on the veteran's statements, but that he must submit the required proof if he receives an appointment.

NOTE CAREFULLY:

(1) In claiming 5-point preference in civil service examinations, it is not now necessary for you as a war veteran to submit to the Civil Service Commission proof of honorable separation from the armed forces.

(2) Proof of honorable separation (or terminal leave status) must, however, be presented to the appointing officer, if you should be offered an appointment in the Federal service. This proof will be requested by him before or at the time you enter on duty. The original or a photostat or certified copy of your honorable separation certificate will be accepted as satisfactory proof of honorable separation.

Very truly yours,

M. J. McAULIFFE, Regional Director

The evidence received with your claim for veteran preference is returned herewith.

Under revised procedures, the Civil Service Commission no longer requires war veterans to send to the Commission proof of honorable separation from active duty in the armed forces, in claiming 5-point preference. When such a veteran submits an application to the Commission for Federal employment, his entitlement to 5-point preference in connection with that application is determined on the basis of his statements therein as to his military service. If his statements show that he is entitled to preference, he is granted tentative 5-point preference in connection with that application.

However, if he is offered appointment, he will be required to present proof of honorable separation from active duty in the armed forces (or proof of being on terminal leave from the armed forces) to the appointing officer, before or at time of entrance on duty.

A veteran granted tentative 5-point preference under the revised procedures gets exactly the same preference benefits in the examination and selection procedures as did the veteran granted absolute 5-point preference under the former procedures. The word "tentative" is used to show that the benefits are granted on the veteran's statements, but that he must submit the required proof if he receives an appointment.

NOTE CAREFULLY:

(1) In claiming 5-point preference in civil service examinations, it is not now necessary for you as a war veteran to submit to the Civil Service Commission proof of honorable separation from the armed forces.

(2) Proof of honorable separation (or terminal leave status) must, however, be presented to the appointing officer, if you should be offered an appointment in the Federal service. This proof will be requested by him before or at the time you enter on duty. The original or a photostat or certified copy of your honorable separation certificate will be accepted as satisfactory proof of honorable separation.

Very truly yours,

M. J. McAULIFFE, Regional Director

Subj: Reestablishment of position of 1st Assistant Keeper, Wolf Trap Light Station

1. Lewis R. Carman, who is now on military furlough from the position of Keeper, Sandy Point Light Station, expects to apply for reemployment in about a month. During his absence his position has been filled by David E. Pannell. The position formerly held by Pannell (2nd Assistant Keeper, Sandy Point Light Station) was abolished at the time of his promotion, and it will be necessary to reestablish a position to take care of him when Carman returns to duty. Because of his experience with radio beacons, the Aids to Navigation Officer wishes to transfer Pannell to the position of 1st Assistant Keeper at Wolf Trap Light Station rather than to return him to his former position as 2nd Assistant, at Sandy Point Light Station. It is therefore requested that the position of 1st Assistant Keeper at Wolf Trap Light Station be reestablished.

2. The pay range of the position of 1st Assistant Keeper at Wolf Trap Light Station is $60 lower than the range of the position as 2nd Assistant Keeper at Sandy Point Light Station. Would Headquarters authorize Pannell's transfer to Wolf Trap at $1968 per annum, including quarters, so that his salary would not be less than it would have been had he remained in his former position? The figure $1968 includes one periodic increase which Pannell would have been due had he not been promoted to the position of Keeper.

Subj: Carman, Lewis R.; application for return to duty from military furlough

1. Inclosed is Form 2660 recommending the reemployment of Lewis R. Carman. Carman's position as Keeper of Sandy Point Light Station is now filled by David E. Pannell, who prior to his promotion was Second Assistant Keeper at the same station, which position was abolished at the time of Pannell's promotion.

2. In our letter of 24 August, 1945, we inquired whether Headquarters would reestablish the position of First Assistant Keeper at Wolf Trap Light Station where we wanted to transfer Pannell when Carman returned to duty. We have now been informed by the U. S. Marine Hospital, Norfolk, Virginia, that Elmer M. Goodwin, Keeper of Tue Marshes Light Station, will be retired on account of disability in the near future. Goodwin has been in the hospital for approximately one month. We would now like to transfer Pannell to replace Goodwin rather than to the position at Wolf Trap and advice is requested as to whether an additional identical position of Keeper at Tue Marshes Light Station could be established and Pannell transferred to it pending the retirement of Goodwin.

3. If this cannot be done we should like to transfer Pannell to position of First Assistant Keeper at Wolf Trap as recommended in our letter of 24 August, 1945, and then transfer him to position of Keeper of Tue Marshes when Mr. Goodwin's retirement becomes effective.

4. There is inclosed herewith nomination form for the proposed transfer of Pannell to an additional identical position of Keeper at Tue Marshes.

1. It has been noted in your Monthly Report of Absences that both you and Assistant Keeper W. D. Rawls have enlisted in the Military branch of the Coast Guard. The Civilian Personnel Division of this office has received no official information relative thereto. It will be necessary for you and Rawls to submit to this office your resignation from your civilian position which should show the effective date as of the close of the day previous to that on which you were sworn in as an enlisted man.

2. It will also be necessary for you and Rawls to furnish this office with a copy of your military orders directing you to report to duty at Sandy Point as an enlisted man. It is suggested that you send the originals and certified copies will be made in this office, and the originals will be returned to you immediately.

3. It appears that due to the lack of knowledge that you and Rawls had been enlisted, the civilian payroll section continued both names on the payroll for the whole month of December. Upon receipt of your orders, the leave and payroll accounts will be checked to determine whether or not you have been over-paid.

Reference: (a) Your letter 7 November, 1942., file 701.

1. In reply to reference (a), induction into the Coast Guard Reserve is desired, my present position, Keeper, pay rate $1920. per Annum, less $60. rental.

2. Have had three years previous military service in the Coast Guard, enlisted March 29, 1925 and was Honorably discharged on March 28, 1928 with the rating of Quartermaster first class., was appointed Assistant Keeper in the former Lighthouse Service on 1 June, 1936 and have served continueously since that date.

3. While I have no Marine licenses, I have had considerable experience with power boats and sailing craft in the Chesapeake Bay area, was also employed as Quartermaster by the Baltimore, Crisfield and Onancock Line on the Lexington for about one year just before my appointment to the Lighthouse Service.

4. Was offered reenlistment at my old rating by Headquarters about 1 February, 1942, but as this would have made necessary my resigning from present position, with no chance to return to same after the war and pay was not equal to my present rate, was forced to decline.

From: L. R. Carman, Keeper, Sandy Point Light Station.

Thru: Commander, Norfolk District.

Subject: Induction, request for.

1. It is requested that I be inducted into the U. S. Coast Guard as authorized by letter of Herbert E. Gaston, acting Secretary of the Treasury, dated 29 September, 1939, entitled, Regulations to carry into effect section 4 of the act of August 5, 1939 (Public No. 291, 76th Congress).

2. Similar request was made some months past but no reply has been received to date.

3. I have had three years previous service in the Coast Guard, enlisting March 29, 1925 at Crisfield Md., was honorably discharged at Mare Island Navy Yard California, on March 28, 1928 from the Cutter Northland. My rating at that time was Q. M. 1/c. Was originaly appointed in the former Lighthouse Service, 1 June, 1936, service is continuous since that date.

4. My reason for this request is that I am registered, Selective Service Act, in class three, and if not desired by the Coast Guard, wish to enlist in the Naval Reserve, rather than serve such time as is necessary in the Army.

5. A definite reply at your earliest convenience will be sincerely appreciated.

Sir:

It is requested that I be inducted into the Coast Guard as soon as practicable, if found qualified. I was transferred to this station from Bloody Pt. Bar, Md. in January 1940 and have deferred making any change in my family residence until my status is determined.

Any expense, such as travel to Washington, Baltimore, or Norfolk to facilitate compliance with this request would be cheerfully borne by myself.

Sir.

At some future date, to be determined by Service requirements and your convenience, it is requested that I be furnished necessary papers and granted sufficent sick leave in order to enter Marine Hospital at Baltimore for treatment. A recurring whin on my right wrist, the result of an injury while stationed on Smiths Point Light Station, and reported on form CA-2 dated early in march, 1938, is giving me some trouble and I desire to have it removed. If permissable I should also like to have dental attention at the same time.

Barring complications this treatment should not require more than fifteen days.

Sir:-

about 4 P.m. Sunday April 30th Mr. J.R. Burns of Washington D.C. in Motor Boat #11E42 came to this station. He was enroute Galesville, Md. but unable to get further due to Strong N.W. Winds and rough sea. His motor was giving trouble, and he had lost a rudder dredge. The Assistant and I furnished him dry clothing, a hot meal, and as weather made it unsafe to attempt towing him either to Claiborne or Galesville, and he was pretty well exhausted, gave him the use of one of our bedrooms for the nite.

The boat caused a little trouble shipping considerable water but we kept her free until 9 A.M. this morning when a coast Guard Patrol boat searching for Mr. Burns removed him from the station, apparently none the worse for exposure, and towed the boat to Galesville.

I left this station Dec. 15th at 2 Pm to meet the 1st Assistant who was returning from leave. Fresh North Winds and rough sea made the return trip in station boat impossible so the first assistant hired a Logan local boat to put him aboard the station.

I again attempted to return on Dec. 16th but was forced to turn back, as had I reached the station it would still have been impossible to reach the boat falls and hook on without possible damage to the station boat. I reported by telephone to the office about 3 30 pm Dec 16, and returned to the station today Dec. 17th at 11 Am.

Sir:

In reply to your letter of April 19th, I respectfully submit the following. The Model lighthouse is at present, at my residence in Crisfield, and owing to the fragility of the boat davits and railing I do not think it practical to crate it. However if it is permissable I would be only too glad to deliver it to the Bureau in Washington, personaly during my next leave of absence. I could explain the way I have it arranged for dismantling and assembly, much better verbaly than any other way, and would possibly save the person in charge of it considerable trouble.

I had not planned to go on leave again before May 15th but could arrange, with the keeper and 1st assistant to do so if the model is desired prior to that date.

1. With further reference to your model lighthouse, I desire to state that I am in receipt of a communication from the Bureau of Lighthouses stating its acceptance of your offer, and requests that we arrange to send the model to the Bureau via the first tender we have stopping at Washington. I do not know where you have this model stored, but if it could be suitably crated to avoid damage, I would suggest that you turn it over to the first tender available for transportation to Portsmouth Depot, where it could be stored until the tender MAYFLOWER makes her next trip to Washington.

2. The Bureau stated in its letter that one of its representatives heard your broadcast and said that he considered it was creditably done.

HOBBY LOBBY

485 MADISON AVENUE • NEW YORK CITY
SUITE 601 PLaza 8-2900

March 3rd, 1938.

Sup't. of Lighthouses,
Norfolk, Virginia.

Dear Sir:

On Wednesday, March 2nd, I had the pleasure of presenting Mr. Carman on our program, 'Hobby Lobby', talking about his hobby of building miniature lighthouses.

After the broadcast, I received a telegram from a Hudson dealer in Bloomsburg, Pennsylvania, signed F. W. Davenport. Mr. Carman thought you would be interested, and so I quote the telegram, "Listening to your program tonight I recognized a voice I once heard before. Ask Mr. Carman if he remembers three men in a speed boat that gave him a surprise visit at his light house in the middle of chesapeake Bay July 1936. I have his autograph on our chart."

Incidentally, Mr. Carman was a grand success on 'Hobby Lobby'. Every report mentions him in a complimentary manner. I think he did a grand job.

Cordially,
Dave Elman

INQUIRY OF ELIGIBLE REGARDING AVAILABILITY FOR APPOINTMENT, IF SELECTED

This is a letter of inquiry and NOT an offer of appointment

Office of the Superintendent

Lighthouse *Service*

Norfolk, Virginia (Place), January 22, 1936. (Date)

Mr. Lewis R. Carman,
320 Pine Street,
Crisfield, Md.

Sir (or Madam):

Your name has been certified by the U.S. Civil Service Commission for

probational
(Probational, permanent, or temporary—see note below) appointment to the position

of Assistant Lighthouse Keeper at a salary of $ see below per
(there are about 7 positions to be filled in the Fifth
as eligible for service at District, salaries ranging from $1320 to $1500 per annum)

~~(for a period of ... unless sooner terminated*)~~

Persons selected for probational or permanent appointment in the Government service must pass a physical examination given by a medical officer connected with the Federal Government, before entering on duty. You should not resign any position you now hold when selected for appointment, until you have passed this physical test.

If you are willing to accept appointment, if offered, please so advise the undersigned immediately, by means of Notice No. 1, on the reverse of this form. If you live in this city, and if you are willing to accept appointment, it is desirable that you call at the above-named office and bring this notice with you.

If you are not willing to accept the appointment, if offered, please so advise the undersigned immediately, by means of Notice No. 2, on the reverse of this form.

Under the regulations of the Civil Service Commission, the name of an eligible who declines a probational or permanent appointment will be removed from the register, unless he shall request restoration in writing, stating reasons, which must be satisfactory to the Commission, for declining the appointment.

Respectfully,

(Signature) L. M. Hopkins

(Official title) Supt. of Lighthouses.

NOTE.—Probational appointment means that the employee is on trial for a certain period. If services prove satisfactory and give promise of remaining so, retention in the service beyond the trial period (usually 6 months) is equivalent to permanent appointment.

*To OFFICIAL USING ABOVE FORM: If appointment is to be probational or permanent, so indicate and cross out parenthetical part of first sentence; if appointment is to be temporary, so indicate and show the probable period in the blank space provided therefor. There is no probationary period for *unskilled laborers.* Their appointment is considered either permanent or temporary.

From: Commandant
To: Commander, 5th CG District

Subj: CARMAN, Lewis R., Keeper; annual leave of

1. Reference is made to your Form 2795 concerning the resignation of subject employee.

2. It is requested that you advise Headquarters if Mr. Carman's leave for the period 30 October through 7 November, 1947 was granted prior to 8 October, 1947, the date his resignation was submitted. If leave was not granted prior to 8 October, 1947, then the effective date of Mr. Carman's resignation will have to be the last day worked, in this case 29 October, 1947.

3. In the latter case the lump sum payment would be for 41 days 4 hours from 30 October through 4 hours on 31 December, 1947.

4. This information is necessary before Form 2249 can be processed.

In compliance with Headquarters' letter of 8 November, 1945, CG-75, on above subject, there is attached hereto letter dated 26 December, 1945, from the Regional Director, Fourth Civil Service Region, which was received by Lewis R. Mr. Lewis R. Carman

Box 572, Route 2
Annapolis, Maryland

The evidence received with your claim for veteran preference is returned herewith.

Under revised procedures, the Civil Service Commission no longer requires war veterans to send to the Commission proof of honorable separation from active duty in the armed forces, in claiming 5-point preference. When such a veteran submits an application to the Commission for Federal employment, his entitlement to 5-point preference in connection with that application is determined on the basis of his statements therein as to his military service. If his statements show that he is entitled to preference, he is granted tentative 5-point preference in connection with that application.

However, if he is offered appointment, he will be required to present proof of honorable separation from active duty in the armed forces (or proof of being on terminal leave from the armed forces) to the appointing officer, before or at time of entrance on duty.

A veteran granted tentative 5-point preference under the revised procedures gets exactly the same preference benefits in the examination and selection procedures as did the veteran granted absolute 5-point preference under the former procedures. The word "tentative" is used to show that the benefits are granted on the veteran's statements, but that he must submit the required proof if he receives an appointment.

NOTE CAREFULLY:

(1) In claiming 5-point preference in civil service examinations, it is not now necessary for you as a war veteran to submit to the Civil Service Commission proof of honorable separation from the armed forces.

(2) Proof of honorable separation (or terminal leave status) must, however, be presented to the appointing officer, if you should be offered an appointment in the Federal service. This proof will be requested by him before or at the time you enter on duty. The original or a photostat or certified copy of your honorable separation certificate will be accepted as satisfactory proof of honorable separation.

Very truly yours,

M. J. McAULIFFE, Regional Director

Subj: Reestablishment of position of 1st Assistant Keeper, Wolf Trap Light Station

1. Lewis R. Carman, who is now on military furlough from the position of Keeper, Sandy Point Light Station, expects to apply for reemployment in about a month. During his absence his position has been filled by David E. Pannell. The position formerly held by Pannell (2nd Assistant Keeper, Sandy Point Light Station) was abolished at the time of his promotion, and it will be necessary to reestablish a position to take care of him when Carman returns to duty. Because of his experience with radio beacons, the Aids to Navigation Officer wishes to transfer Pannell to the position of 1st Assistant Keeper at Wolf Trap Light Station rather than to return him to his former position as 2nd Assistant, at Sandy Point Light Station. It is therefore requested that the position of 1st Assistant Keeper at Wolf Trap Light Station be reestablished.

2. The pay range of the position of 1st Assistant Keeper at Wolf Trap Light Station is $60 lower than the range of the position as 2nd Assistant Keeper at Sandy Point Light Station. Would Headquarters authorize Pannell's transfer to Wolf Trap at $1968 per annum, including quarters, so that his salary would not be less than it would have been had he remained in his former position? The figure $1968 includes one periodic increase which Pannell would have been due had he not been promoted to the position of Keeper.

Subj: Carman, Lewis R.; application for return to duty from military furlough

1. Inclosed is Form 2660 recommending the reemployment of Lewis R. Carman. Carman's position as Keeper of Sandy Point Light Station is now filled by David E. Pannell, who prior to his promotion was Second Assistant Keeper at the same station, which position was abolished at the time of Pannell's promotion.

2. In our letter of 24 August, 1945, we inquired whether Headquarters would reestablish the position of First Assistant Keeper at Wolf Trap Light Station where we wanted to transfer Pannell when Carman returned to duty. We have now been informed by the U. S. Marine Hospital, Norfolk, Virginia, that Elmer M. Goodwin, Keeper of Tue Marshes Light Station, will be retired on account of disability in the near future. Goodwin has been in the hospital for approximately one month. We would now like to transfer Pannell to replace Goodwin rather than to the position at Wolf Trap and advice is requested as to whether an additional identical position of Keeper at Tue Marshes Light Station could be established and Pannell transferred to it pending the retirement of Goodwin.

3. If this cannot be done we should like to transfer Pannell to position of First Assistant Keeper at Wolf Trap as recommended in our letter of 24 August, 1945, and then transfer him to position of Keeper of Tue Marshes when Mr. Goodwin's retirement becomes effective.

4. There is inclosed herewith nomination form for the proposed transfer of Pannell to an additional identical position of Keeper at Tue Marshes.

1. The Norfolk District has advised that Lewis R. Carman has been discharged from military service in the Coast Guard Reserve and has made application for restoration to his former position of Keeper (#924), in the range $2166-2562, at Sandy Point Light Station, Maryland, which position is now occupied by David E. Pannell. In order to provide for Mr. Carman's return to duty in position No. 924, it is proposed to set up a temporary additional identical position to Elmer H. Goodwin, Keeper (position #1232), in the range $2034-2430, at Tue Marshes Light Station, Virginia, pending the retirement, in the near future, of Mr. Goodwin who is now on leave, to which David E. Pannell will be transferred.

2. If the necessary funds in the appropriation Civilian Employees are available and may be used for that purpose, it is intended to authorize the temporary Keeper position (#1232 AI), in the range $2034-2430, at $2166 per annum, including $60 per annum for quarters, at Tue Marshes Light Station. Upon Mr. Goodwin's retirement Mr. Pannell will be viced into Keeper position #1232 and the AI position discontinued.

REC'D MAY 21 1941

RECORD OF PROCEEDINGS

of a

BOARD OF INVESTIGATION

Convened at

Sandy Point Light Station, Maryland

To investigate charges against Lewis R. Carman, Keeper, Sandy Point Light Station, Maryland.

123

"A"

Office of Commander
Norfolk District

TREASURY DEPARTMENT
U. S. COAST GUARD
NORFOLK, VA.

28 March, 1941

From: Commander, Norfolk District.
To: Commander Norman C. Manyon, U. S. Coast Guard,
Norfolk District Staff.

Subject: Board of investigation to inquire into charges by and against Louis R. Carman, Keeper, U.S.C.G. Sandy Point Light Station, and Emory W. Cherricks, Second Assistant Keeper.

Reference: (a) Article 900, Coast Guard Courts and Boards.
(b) Article 912, Coast Guard Courts and Boards.

1. A board of investigation, consisting of yourself as sole member, is hereby ordered to convene at the U.S.C.G. Sandy Point Light Station, on 1 April, 1941, or as soon thereafter as practicable, for the purpose of inquiring into the charges made by Louis R. Carman, Keeper, U.S.C.G. Sandy Point Light Station, against Emory W. Cherricks, Second Assistant Keeper, and charges made by Emory W. Cherricks, Second Assistant Keeper, U.S.C.G. Sandy Point Light Station, against Louis R. Carman, Keeper.

2. The board will thoroughly investigate the matter hereby submitted to it, and upon the conclusion of its investigation will report the evidence adduced, the facts established thereby, and its opinion.

3. The District Personnel Officer, Norfolk District, is hereby directed to furnish the necessary clerical assistance.

/s/ WILLIAM J. KEESTER,
Captain, U. S. Coast Guard,
Commander, Norfolk District.

Sandy Point Light Station, Md.
22 April, 1941.

The Board met at 4:15 P.M.

Present:

Commander N. C. Manyon, U. S. Coast Guard.
Wm. L. Rebbel, Chief Clerk, Norfolk District Office, as assistant and reporter, and he was duly sworn.

Lewis R. Carman, Keeper of Sandy Point Light Station, Maryland, entered as defendant, was duly sworn, and stated he did not desire counsel.

The precept hereto prefixed, marked "A", was read.

The defendant was informed of his rights.

No witnesses not otherwise connected with the investigation were present.

The charges preferred by Emory W. Cherricks, Second Assistant Keeper, against Mr. Carman in a letter to Commander, Norfolk District, dated 20 February, 1941, (Exhibit "A") were read.

A witness called by the Board entered and was duly sworn. He was informed of the subject matter of the investigation.

Examined by Commander Manyon:

Q: Your name, rating, and present station?

A: Emory W. Cherricks, Second Assistant Keeper, Sandy Point Light Station.

Q: Do you recognize Mr. Carman?

A: Yes, sir.

Q: Do you recognize this letter dated 20 February, 1941, and is the signature yours?

A: Yes.

Q: Paragraph 1 of your letter states: "When the Keeper reported to duty for the first time to Sandy Point Light Station Jan uary 1940, I left to go on leave and when I returned back to duty he made his brags to the First Assistant that he was going to have me put out of the service and he was a stranger to me then. He also said the same to me about the First Assistant and he made the remark that he

had had three men fired from the service which he could have the same done to us." Any comments?

A: Yes. First Assistant Keeper Rawls told me that.

Q: Did you hear Carman say that?

A: No, sir.

Commander Manyon: Mr. Carman, do you care to cross-examine the witness on Charge #1?

A: No sir. It is false in all particulars.

Examined by Commander Manyon:

Q: In paragraphs 2 and 3 of your letter you charged as follows:

"As far as me not carrying out orders from my Superior Officer I consider that I carried them out to the exact point because he sent me at Simmons Point on the Magothy River in a heavy northwest wind after/which he had made arrangements to spend the evening on the station June 30, 1940, which I have evidence in his own handwriting." women

"Also in September he ordered me to go with him to the same place in the launch which belonged to the station to spend the night with the same women. He also left the First Asst. on the station alone in a thunderstorm."

Would you like to comment?

A: I would like to submit this note dated June 30 signed by Carman. (Exhibit "B").

Q: Where is Simmons Point?

A: On the Magothy River.

Q: Anything to comment about that note?

A: He sent me for these women, and they were not at their cottage, so I waited for them until I got tired and came back to the station.

Q: What time did you leave the station?

A: Around 9:00 A.M.

Q: What time did you return?

A: Around noon.

Q: Did you bring women on the station at Carman's request?

A: Yes.

Q: How long did they remain and were you present?

A: They came at 10:00 or 11:00 A.M. and stayed until 3:00 or 4:00 P.M. His sister (Carman's) came with the same group once. It was usually the same group. Mr. Rawls was never here at those times.

Q: Was there anything irregular in their conduct?

A: No. We sat around, talked and joked.

Q: Was liquor served?

A: No liquor was served.

Q: You said the keeper ordered you ashore to spend the night with these women?

A: Yes.

Q: When was it?

A: A Saturday in September, 1940.

Q: Did you leave in a thunderstorm?

A: No.

Q: How long did you remain away from the station?

A: Left at 6:00 P.M. Saturday and returned at 7:00 A.M. Sunday.

Q: Was the absence duly recorded in the station records?

A: No, sir.

Q: Cross-examined by Mr. Carman:

Q: Did I not give you that note to carry to my sister?

A: No.

Q: Are you sure that date June 30 was there when I gave you the note?

A: Yes.

Q: You went in the launch?

A: Yes.

Q: Do you know the girls?

A: I know two of them - Sue and Kit.

Q: What were their last names?

A: I do not know.

Q: When you brought them, was my sister not along?

A: One time your sister was not along.

Q: Any time they were here did I ever take one off alone?

A: I don't know.

Q: Mr. Cherricks, you would join us and they were perfect ladies and were always off before sunset. Is that not correct?

A: Yes.

Q: You stated I ordered you to go with me to the same place in the station launch with some women. At the time did I not tell you we were going to recharge Magothy River Light, and did we not carry a charge along?

A: No.

Q: Was it not a fact that Mr. Rawls was on leave and we left late due to his late return?

A: Mr. Rawls was on the beach.

Q: Did it not get rough and was it not getting too dark to recharge the light?

A: We did not go to recharge the light. I didn't anyway.

Q: Didn't we come back within three hours after we left the station?

A: No, we did not come back until Sunday morning.

Examined by Commander Manyon:

Q: Paragraph 4 of your letter of February 20 reads as follows:

"He has constantly come back to duty under the influence of liquor and has sent me in Annapolis several times after liquor to carry back on the station for himself. He has been absent from the station without filling out leave slips several times."

What have you to say in that connection?

A: In November, 1940 I went to meet him in my car to bring him to Sandy Point. Mr. Carman, Mr. Earl F. Harris of Thomas Point Light Station, and myself went on a drinking spree. So I brought him down. My wife was in the auto. He asked her did she ever

drink. She said "No." I also had the provisions in the car for the station. I brought him to Sandy Point and put him out and asked him if I could have the night off as my wife was visiting Annapolis. He said it was all right with him.

Q: What was your condition?

A: I had several drinks, but I was sober. The keeper he was feeling pretty good, and the First Assistant said that he was pretty well full when I got back.

Q: Was Mr. Carman drunk when you left him?

A: Not "down" drunk.

Q: Did you think your conduct proper in letting a drunken man come off in a Government boat?

A: He was boss, and I could not stop him.

Q: Did he on other occasions come off to the station under the influence of liquor?

A: Yes. I brought him here and came off with him under the influence of liquor.

Q: How did you know he was under the influence of liquor?

A: Because we drank from the same bottle.

Q: Could you tell it by his actions?

A: Yes.

Q: What is your idea of being under the influence of liquor?

A: When he feels good and happy. Some men are mean.

Q: How often did this happen?

A: About once a month.

Q: Did you go to Annapolis for liquor for him?

A: Yes.

Q: How often and when?

A: Once. Sometime last summer.

Q: Did you bring the liquor on this station?

A: Yes.

Q: You bought the liquor for him?

A: Yes, but I did not pay for it.

Q: Was Carman at any time unable to perform his duty by reason of being under the influence of intoxicating liquor?

A: No. He carried out his watches and duties.

Q: You state that several times you went to Annapolis to carry liquor back to the station for Carman?

A: Several times.

Q: Has he been absent at times without putting in leave slips?

A: He goes ashore without making slips at times. I don't know dates. Hewent home to register and scored up a day or two which did not go to the Government.

Cross-examined by Mr. Carman:

Q: When you brought me down with your wife along, was I in any way disrespectful to your wife, or did I stagger?

A: No. You were respectful to my wife and said, "Do you drink?" You could not walk straight.

Q: Did you ever bring any liquor on the station?

A: Yes, certainly, man. You sent me to Reed's Drug Store for it.

Q: Do you have dates or time?

A: No. It was last summer.

Q: Can you give any dates or times about leave slips?

A: No.

Examined by Commander Manyon:

Q: Paragraph 5 of your letter reads as follows:

"He has tried to get everything that he possibly could on me to get me fired by offering me paint and several other articles which belonged to the government; but I refused them as I am not ih the habit of taking things that doesn't belong to me."

What were the articles?

A: Gray paint like we use to paint Baltimore Light. He offered me

two gallons.

Q: What else did he offer you?

A: He offered me a table brass lamp, and I would not take it. Also some cooking utensils and a big pan. That's about all.

Q: What were the circumstances under which he offered the gray paint which was to be used for painting Baltimore Light?

A: Well, I said, "You are supposed to paint Baltimore Light." And he said, "I am not going to paint Baltimore Light this year."

Q: When did he offer you the paint?

A: After we got 1940 supplies.

Q: Did anyone hear him offer you the paint, lamp, or kitchen ware?

A: No.

Cross-examined by Mr. Carman:

Q: When I came here was it not a fact there were a number of kitchen utensils paid for by the keepers?

A: Yes.

Q: Is that not all I ever offered you?

A: No. The kitchen utensils were sent here by the Government.

Examined by Commander Manyon:

Q: Paragraph 6 of your letter reads as follows:

"I nor the First Asst. Keeper could not do anything to suit him as we could not do anything to please him either know matter what we undertook to do. I think that I am capable of doing a little something on the station after spending 15 years out there."

Be more specific in that respect.

A: One time he was home on leave in the summer or fall of 1940. I scrubbed the kitchen. When he came back from leave, he told First Assistant Keeper that would be the last time the kitchen would be scrubbed with soda. He came up, gets the box of soda, what was left, and tossed it overboard. One time he was on leave, and I painted the skiff. That didn't suit him. He said I did not know anything about mixing paint, and the paint should not be mixed. I get that from the First Assistant.

two gallons.

What else did he offer you?

He offered me a table brass lamp, and I would not take it. Also some cooking utensils and a big pan. That's about all.

What were the circumstances under which he offered the gray paint which was to be used for painting Baltimore Light?

Well, I said, "You are supposed to paint Baltimore Light." And he said, "I am not going to paint Baltimore Light this year."

When did he offer you the paint?

After we got 1940 supplies.

Did anyone hear him offer you the paint, lamp, or kitchen ware?

No.

Cross-examined by Mr. Carman:

When I came here was it not a fact there were a number of kitchen utensils paid for by the keepers?

Yes.

Is that not all I ever offered you?

No. The kitchen utensils were sent here by the Government.

Examined by Commander Manyon:

Paragraph 6 of your letter reads as follows:

"I nor the First Asst. Keeper could not do anything to suit him as we could not do anything to please him either know matter what we undertook to do. I think that I am capable of doing a little something on the station after spending 15 years out there."

e more specific in that respect.

ne time he was home on leave in the summer or fall of 1940. I scrubbed the kitchen. When he came back from leave, he told First ssistant Keeper that would be the last time the kitchen would be rubbed with soda. He came up, gets the box of soda, what was left, d tossed it overboard. One time he was on leave, and I painted e skiff. That didn't suit him. He said I did not know anything out mixing paint, and the paint should not be mixed. I get that om the First Assistant.

Q: You did not hear that yourself?

A: No.

Q: You also say the First Assistant Keeper could not please him?

A: The keeper said to the First Assistant that if the First Assistant wanted him to tell him how much work to do and what he wanted done, he'd give him all the work he's looking for. That's all on that.

No cross-examination desired.

Q: Paragraph 8 of your letter reads as follows:

"He isn't respectable to be on the station with, and he isn't decent to sit to the table with. He also has taken articles that belonged to the government home with him when he went on leave."

Explain that paragraph.

A: Well, when a man goes around cracking, snapping, and breaking wind, and the same thing at the table, he isn't decent to live with. I would also like to add about taking things home. He said he was going to take stove wicks home.

Q: Did you see him leave the station with them?

A: No. I saw him go in his room with them, and he told me he was going to carry them home, as he needs some home.

Cross-examined by Mr. Carman:

Q: Did you ever get up from the table due to my actions?

A: Yes.

Q: Can you give dates when I carried things off the station?

A: September, 1940.

Q: Did you see me do it?

A: I saw you put wicks in your bag and carry it ashore.

Examined by Commander Manyon:

Q: You said in your letter you have other charges. Do you care to present them now?

A: In September last these girls came out here, Sue and two other girls. The secret code book is supposed to be under lock and key. He hands it to the girl called Sue. She looks through it, and he said, "That's what I have to do here."

Q: Who was on the station at the time?

A: I was.

Q: You, Carman, and three girls? No one else?

A: That's all.

Cross-examined by Mr. Carman:

Q: Cherricks, what you called the secret code book - does it look any different from any other book on the station?

A: No. There are others look like it, but this one has a lead cover.

Q: Did you look at the book at the same time?

A: I did.

Q: Mr. Cherricks, if any two or three books were closed, could you pick that book out?

A: No, but there were only two books here at that time, and this book was to be kept under lock and key. I wasn't ever to see it myself. I am only one of the assistant keepers.

Q: Wasn't that book here before Keeper Geiling left?

A: No.

Q: This book you are speaking of with the lead back, how big was it?

A: It's larger than that pad (8" x 10½" pad).

Neither the Board nor the parties to the investigation desired further to examine the witness.

The witness stated he had nothing further to say.

He was duly warned and withdrew.

The Board recessed at 6:00 P.M., and re-convened at 7:00 P.M.

A witness called by the Board entered, was duly sworn, and was informed of the subject matter of the investigation.

Examined by Commander Manyon:

Q: Your name, rating, and present station?

A: Wilson D. Rawls, First Assistant Keeper, Sandy Point Light Station, Md.

Q: Did you ever hear Keeper Carman say he was going to have Cherricks

put out of the service?

A: No, sir.

Q: Did you ever hear Keeper Carman say he had already had three men fired and could do the same with you and Cherricks?

A: No, sir.

Q: Do you recall an incident alleged to have occurred June 30, 1940, when Keeper Carman and Second Asst. Keeper Cherricks proceeded to Simmons Point on the Magothy River and left here in a heavy northwest wind?

A: No, sir.

Q: I'll show you a note alleged to have been written by Keeper Carman. Have you ever seen this before?

A: No sir. I never saw it before, but I heard Cherricks say he had a note from him to go to Simmons Point for girlsfriends of Carman's sister.

Q: It is further alleged that Mr. Cherricks left this station in company with Keeper Carman bound up to Simmons Point with launch to spend the night with the beforementioned women and that you, the First Assistant Keeper, were left on station all night alone during a thunderstorm in September, 1940. Have you any knowledge of that?

A: I have no knowledge of that.

Q: Have you any knowledge of Government property being taken from this station by anyone and wrongfully disposed of?

A: No, sir.

Q: Have you ever seen any liquor on this station?

A: No, sir, I have not.

Q: Have you ever seen any of the station personnel come back to the station under the influence of liquor?

A: No, sir.

Q: Have you ever known of Keeper Carman sending Mr. Cherricks or anyone else to bring liquor aboard the station?

A: I have no knowledge of that.

Q: What is your understanding relative the action to be taken when you

leave the station?

A: It has been a custom and the keeper demands us to sign the absence book and mail a leave notice to the office.

Q: Has that always been done so far as you know?

A: When I came here former Keeper Geiling understood it did not apply to absences under six hours, but later that was corrected. The rule has been followed since then.

Q: Did you ever know any woman or group of women who came out to the station regularly?

A: No, sir. Not regularly.

Q: Do you know any woman or group of women who have been here two or three times?

A: No sir. Not the same group.

Q: In the note I showed you are three names, Sue, Kit, and Ann. Have you any idea who they might be?

A: Kit came to the station with a couple of boys which I believe were her relatives.

Q: Were any or either related to the station personnel?

A: So far as I know they are friends of Mr. Carman's sister.

Q: How often did they come?

A: I was only here once when one of them, Kit, was here.

Q: Have you heard they were here while you were not here?

A: Once.

Q: Mr. Cherricks made this statement: "I nor the First Asst. Keeper could not do anything to suit him (meaning Carman) as we could not do anything to please him either no matter what we undertook to do." Any comments?

A: He never complained to me, and I never heard him complain any more than any other person would.

Q: Mr. Cherricks further alleges that Mr. Carman is not respectable and isn't decent to sit at the table with. To be specific, that Carman breaks wind all over the station, including times you are seated at the table.

A: I would say about Mr. Carman that we never had blessings at the table until Mr. Carman reported for duty. I have heard him break wind, but not at the table.

Q: Have you ever known Mr. Carman to take public property from the station for his own use?

A: No, sir.

Q: Have you ever known Mr. Carman to offer or permit anyone else to take anything from the station for their own use?

A: No, sir.

Q: Do you have a secret signal book aboard the station?

A: There is a code book of instructions.

Q: How many have you?

A: There's one, but I'm not certain.

Q: What does it look like?

A: There may be two of instructions. One of them has a binder like the file and public property books with call signs and radio procedure. The other is a very small book. I suppose it is a code book.

Q: Can you tell this first book you mentioned from any other book on station?

A: No sir, not without opening cover.

Q: This code book - could you identify it without opening cover?

A: Yes, sir.

Q: How?

A: It's got the name of the book on it.

Q: Have you frequently seen these books and used them?

A: Yes, sir.

Q: How would you decode a message?

A: I have read up on it and do it from the book.

Q: One book you use to decode. What is the other book?

A: It's a book with stations' and ships' call letters and radio procedure.

Cross-examined by Mr. Carman:

Q: Have I at any time to your knowledge been disrespectful or carried myself to be of low breeding in the manner as charged?

A: No. You have never acted other than as a gentleman.

Q: Has it not always been my rule to forbid taking excess leave?

A: That's correct.

Q: Have I not always insisted on leave slips being mailed?

A: Yes.

Q: Did I not, when I first came aboard the station, state that I had been on an investigation before and even after I was transferred to the other side of the bay, and two other men were in trouble with the result that they lost their jobs, I was accused that all three lost their jobs as a result of my doings, and has my attitude not always been one of trying to help both you boys?

A: As to first part of the question, I cannot recall when you first came aboard, but have heard you make about that same remark. As to second question, you always helped me and to the best of my knowledge always helped the other fellow.

Q: Have you ever known me to give an order to you or to anyone else contrary to the regulations of the Coast Guard or the former Light-house Service?

A: Not to my knowledge.

Q: Have you ever heard of me being a woman-chaser ?

A: I have not.

Q: Mr. Cherricks made charge that he and I made a trip up the Magothy River in September, 1940 to, as he says, spend the night with women. Can you recall such trip?

A: I cannot.

Q: Do you remember a trip in September, 1940 to charge Magothy River Light when we were detained three or four hours?

A: I do not recall the day, but remember you going up on a trip.

Commander Manyon: About what time did they leave?

A: Around 2:30 or 3:00.

Commander Manyon: What time did they get back?

A: About dark.

Commander Manyon: Why did they leave 2:30 or 3:00?

A: They wanted to check the light, and that would have been enough time.

Commander Manyon: Do you recall whether you went or had been ashore that day?

A: I do not recall.

Commander Manyon: Don't you think it was unusual to go at 2:30?

A: No, sir. I have made the trip that time myself.

Commander Manyon: Wouldn't a more likely time be early in the morning?

A: We have at times been cleaning station and other times the weather improved during the day which caused us to make the trip at that time.

Commander Manyon: Do you ever recall Keeper Carman and Asst. Keeper Cherricks being ashore all night together?

A: No, sir.

Commander Manyon: Have you any idea who the other girls in the note are?

A: No, sir.

Commander Manyon: Where did you meet them?

A: Met them on the shore on their way to Sunday School.

Commander Manyon to Mr. Carman: Carman, do you know these girls?

A: Yes, sir.

Commander Manyon: What are their names and addresses?

A: I do not know their last names and addresses except Miss Sue Reynolds. She works in the Income Tax Division in Custom House in Baltimore. My sister knows the full names of these girls, and my sister's name is Gertrude Carman. She lives at 1713 East 30th St., Baltimore.

Commander Manyon to Mr. Rawls: Any further statement to make.

A: Yes, sir. I have answered to the best of my knowledge and truthfully. Mr. Carman and I have always gotten along all right.

Q: Did you ever hear Carman say he was going to have Cherricks put out of the service?

A: No, sir, all I have ever heard in regards that is I heard him say he would like to have a younger man.

Q: Have you ever seen Keeper Carman under the influence of liquor?

A: No, sir.

At 8:00 P.M. the Board declared a recess of 15 minutes.

The Board then recalled First Assistant Keeper Rawls as a witness.

Examined by Commander Manyon:

Q: Have you discussed these charges at any time?

A: No, sir. Except I saw the charges against Mr. Cherricks.

Q: Did you discuss them with anyone?

A: Just talked about them with the keeper once or twice.

Q: When was that?

A: When they were received.

Q: Were they discussed today?

A: No, sir.

Q: These charges by Cherricks against Carman - were they discussed?

A: No, sir. Except I heard Cherricks say he was going to prefer charges.

Q: When was that?

A: Some time ago, and in fact, the man we deal with told me Cherricks had preferred charges against Carman.

Q: Then you did not know what the charges were going to be?

A: No, sir.

Q: Any further statement you would like to make?

A: No, sir.

Cross-examined by Mr. Carman:

Q: Why do you think Cherricks preferred these charges against me?

A: I believe they were for revenge.

Commander Manyon: Mr. Carman, if you have no further witnesses you desire to call, you may make any statement you desire to the Board at this time.

Statement of Mr. Carman: Ever since I have been in the service, I have done everything to the best of my ability. If there were any violations on my part, they were through ignorance. I know of none. I think Mr. Cherricks' charges are just imagination. They are downright insulting to a person of my reputation, both in the service and in civil life. My understanding of the former Lighthouse Service regulations is that it was perfectly lawful to have friends visit me on the lighthouse. If the Board would care to, I would like them to check back to the stations where I had been and the communities where I have lived, and as we have to pass through a farm coming and going to the station, I would suggest that you inquire if they know of any complaints against me. As far as drinking goes, I take a drink while off duty, but never to excess, nor have I ever staggered. I live in Claiborne now and I have a good reputation there. I think the whole trouble with Mr. Cherricks is that before I came he had been doing as he pleased concerning his leave recording, and I insisted that we keep it strictly straight. I have had some instances that when he came back from leave he logged himself as coming back a day ahead, but as I insisted our absence be also logged in the journal, he changed it. I invite your attention to an entry under date of 31 March, 1940, where a "7" appears to be changed to "9".

Concerning liquor he alleged to have purchased for me, that's absolutely false. Nor was I on a spree with him. Earl Harris and I had a couple of beers together, but I was not drunk. I never brought liquor on board the station, nor have I ever had anybody bring it for me.

About the code book - I've never shown "Restricted Cipher E" or "Call Signs", or "Communication Instructions" to anyone outside the service personnel on station. The allegation Mr. Cherricks made that I showed "Cipher E Restricted" or "Communication Instructions" to anyone is false. I did not show it to Sue, a female non-member of the Coast Guard. I showed her the property record and explained the book work I had to do on the station, as she was interested in office work.

Examined by Commander Manyon:

Q: Who are the ladies heretofore mentioned?

A: My sister and three other girls have a shore cottage on the Magothy River and occasionally have friends visit them. My sister likes to bring them out to the station occasionally.

Q: Where is your sister employed?

A: Edgewood Arsenal. She is a Civil Service stenographer. All the other girls are also Civil Service employees.

Q: Have you discussed these charges with anyone?

A: No, except when Cherricks' were received, we did talk about them some, but not to any extent.

Q: Do you recall the incident relative to the note introduced by Cherricks?

A: My sister wrote me that the girls were opening up the shore and she would like to bring them out. Mr. Cherricks went ashore in the skiff and went in his car to carry the note.

Q: When do you claim the note was written?

A: Along about the latter part of April or the first of May, but they did not come down.

Q: Do you recognise the handwriting as to date of the note?

A: It appears to be Cherricks' own handwriting.

Q: Are you custodian of the leave record book at this station?

A: It is in my charge.

Q: Produce it. (Leave Record Book produced).

Q: Do you desire to call any other witnesses?

A: No, sir.

Q: Any other statements to make?

A: No, sir.

The Board adjourned at 8:45 P.M.

The Board re-convened at 9:15 A.M., 23 April, 1941, in the office of Collector of Internal Revenue, Balto. Trust Bldg., Baltimore, Md.

A witness called by the Board was duly sworn and informed of the subject matter of the inquiry.

Examined by Commander Manyon:

Q: What is your name and where are you employed?

A: Miss Sarah I. Reynolds, Clerk, Internal Revenue Service, Baltimore, M

Q: Have you ever been on Sandy Point Lighthouse?

A: Yes.

Q: Whom do you know there?

A: All the keepers. I went there with Mr. Carman's sister.

Q: How often have you been there?

A: Several times.

Q: What others went with you?

A: Miss Mary A. Walsh of Edgewood, Marie Eizel, who works in the "SUN" office, Baltimore, and Mrs. Walker Schmick.

Q: You went all over the station, did you not?

A: Yes.

Q: Did Mr. Carman show you any book or publication?

A: I do not remember that he did.

Q: Did he show you how he kept his records?

A: I do not remember.

Q: Did he ever show you a confidential publication or book?

A: I do not remember seeing any books there. He did discuss with me the methods of keeping station property records.

The Board did not desire to call any more witnesses.

After full and mature deliberation the Board finds as follows:

FINDING OF FACTS

That none of the charges against Keeper Lewis R. Carman, by Second Assistant Keeper Emory W. Cherricks were substantiated.

OPINION

The Board, in forming its opinions, gave some weight to the demeanor of the accused and accuser when they testified. The accused appeared straightforward and showed no evidence of malice. His reputation and record indicate that he is an efficient, careful Keeper, whereas the accuser plainly evidenced a vindictive attitude.

Paragraph 1 of Exhibit "A", in the opinion of the Board, warrants no consideration.

Paragraphs 2 and 3 of Exhibit "A", in the opinion of the Board, contain a set of innocent facts, distorted to indicate guilt. Concerning the note written by Keeper Carman, Exhibit "B", attention is called to the date, "June 30, 1940", which obviously was not written by Carman. A comparison with the writing in the Station Leave Record Book indicates almost conclusively that the said date was written by Cherricks. Furthermore, the accusation was obviously intended to convey the impression that Carman's actions concerning the women who visited the Station involved immoral conduct, and violated the Regulation. The Board could not find the slightest indication of such. One of the women was interviewed by the Board and she appeared above reproach. They were all friends of Carman's sister.

Concerning the charge that Keeper Carman brought liquor on the Station, and came to the Station intoxicated, the Board would normally give considerable weight to that charge by reason of the fact that the evidence incriminates the accuser also, but it is believed that thought never entered Cherricks' mind. First Assistant Keeper Rawls testified that he had never seen liquor on the Station, nor had he ever seen Carman under the influence of liquor. Rawls is an upright and sincere Keeper, whereas the truthfulness of Cherricks is doubtful. The Board preferred to believe Rawls. If liquor was brought to the Station, he would more than likely have known it.

Concerning Paragraph 5 of Exhibit "A". It seems to be one man's word against another. One would reason that if the Keeper encouraged Cherricks to accept Government property for any reason, he would likewise have encouraged Rawls. In his testimony, Cherricks stated (Page 8) he did not see Carman leave the Station with the wicks he alleged to have been taken by Carman, and later, when cross-examined, he stated that he saw Carman place them in his bag and carry them ashore. This conflicting testimony was noted.

OPINION - Cont'd

Concerning the charge that Keeper Carman showed Miss Reynolds a secret code book, the Board is of the opinion that the charge is without foundation.

Concerning leave irregularities, none could be discovered by examination of the Leave Record Book.

It is the opinion of the Board that these charges were for the sole purpose of revenge; that facts were distorted, and that in no instance was adequate proof submitted by the accuser upon whom the burden of proof rested.

"B" - Note written by Lewis H. Carman dated 30 June, 1942.

RECOMMENDATION

It is recommended that the charges against Keeper Carman be dismissed for lack of evidence, and that the accused and accuser be so informed.

Commander, U. S. Coast Guard.

The Board then adjourned at 9:30 A.M., to await the action of the convening authority.

Subjects. Charges Against Keeper

Dear Sir:

1. When the Keeper reported to duty for the first time to Sandy Point Light Station January 1940, I left to go on leave and when I returned back to duty he made his brags to the First Asst.that he was going to have me put out of the service and he was a stranger to me then. He also said the same to me about the First Asst. and he made the remark that he had had three men fired from the service which he could have the same done to us.

2. As for as me not carrying out orders from my Superior Officer I consider that I carried them out to the exact point because he sent me at Simmons Point on the Maghoty River in a heavy north- west wind after women which he had made arrangements to spend the evening on the station June 30th, 1940, which I have evidence in his own handwriting.

3. Also in September he ordered me to go with him to the same place in the launch which belonged to the station to spend the night with the same women. He also left the First Asst. on the station alone in a thunderstorm.

4. He has constantly come back to duty under the influence of liquor and has sent me in Annapolis several times after liquor to carry back on the station for himself. He has been absent from the station without filling out leave slips several times.

5. He has tried to get everything that he possibly could on me to get me fired by offering me paint and several other articles which belonged to the government; but I refused them as I am not in the habit of taking things that doesn't belong to me.

6. I nor the First Asst. Keeper could not do anything to suit him as we could not do anything to please him either know matter what we undertook to do. I think that I am capable of doing a little something on the station after spending 15 years out there.

7. He has even gone so far as to say that the First Asst.was classed as low as an air- dale dog and that certainly is classing a man low and he made that remark to me and vice versa.

8. He isn't respectable to be on the station with, and he isn't decent to sit to the table with. He also has taken articles that belonged to the government home with him when he went on leave.

9. These are just a few charges that I have mentioned and I could mention a lot more if I wanted to. I have been in the service for twenty years of which I have spent fifteen years on Sandy Point Light Station and in that time I have never had any trouble with any one until now and this is the first time therefore I was either forced to resign or be dismissed one.

Sincerely,

/s/ E. W. Cherricks

Honorable George L. Radcliffe,
United States Senate,

My dear Senator:

Further reference is made to your letter of October 4 in the interest of Mr. Lewis R. Carman, keeper at Sandy Point Light Station, Route 2, Annapolis, Maryland.

In Mr. Carman's letter, which you inclosed and which is herewith returned, it was stated that keepers at his station are "docked" $5.00 a month for rental. It is noted from the record that Mr. Carman is a relatively new employee and apparently is not familiar with the circumstances under which the $60.00 per annum valuation was placed on individual quarters at stations such as his present one. For your information, the individual quarters provided for keepers at this type of station did not carry any valuation prior to November 1, 1933, but pursuant to a requirement of the Comptroller General the $60.00 valuation was placed on them at that time. However, that valuation, while a part of the keepers' gross compensation, is in addition to the cash compensation which had been attached to such positions prior to that date; and at the time the valuation was placed on such quarters it was not considered to constitute a promotion for the incumbents of those positions.

Mr. Carman also brought up the fact that while his station is allowed 72 days leave and compensatory time a year, certain other stations in the district are allowed 96 days, and he apparently is of the opinion that his station should have the higher allowance. Because of isolation or other unfavorable situations, the keepers at certain stations are allowed time off to compensate them for remaining on station subject to call on Saturday afternoons, Sundays, and holidays. The plan for compensatory time allowance in such cases was established by the Lighthouse Service many years ago, and no general change in the classification of light stations for such purposes has been found necessary since the consolidation with the Coast Guard. The record shows that Sandy Point Light Station is close to Annapolis, permitting relatively frequent trips ashore for mail, provisions, etc., and that it is properly allocated for leave purposes in the class having a 72-day allowance. The stations which have the 96-day allowance are

those which have been, for leave purposes, classified as isolated. Mr. Carman's station does not fall in the latter group.

Very truly yours,

R. R. WAESCHE,
Rear Admiral, U. S. Coast Guard,
Commandant.

Subject: Senator Radcliffe's letter dated October 4, 1941, in the interest of Keeper L. R. Carman, Sandy Point Light Station.

Reference: Headquarters' letter 9 October, 1941, file CP-75.

1. In answer to above reference, Headquarters is informed as follows:

The leave allowance at various light stations in this District was determined in former Bureau of Lighthouses indorsement of 6 January, 1932, on letter from the Office of Superintendent of Lighthouses, Fifth District dated 15 December, 1931, to which was attached a statement grouping the various light stations in Class I-a (96-day stations), Class I-b (72-day stations), Class II-a (48-day stations) and Class II-b (30-day stations, later changed to 26-day stations). The class into which each station fell was determined by rules laid down by the former Bureau of Lighthouses. Sandy Point Light Station, being convenient to a shore base and close to Annapolis, Maryland, plainly belongs in the group described as follows:

> "Class I-b stations shall consist of stations on marine sites without family quarters but convenient to shore bases permitting relatively frequent trips ashore for mail, provisions, etc., within the six-hour limit not chargeable to leave."

The Class I-a (96-day stations)consists of "isolated stations without family quarters". Obviously, Sandy Point is not entitled to that grouping.

2. Concerning the hours of labor at light stations, Headquarters is informed that its Alcoast Dispatch No. 49, 28 July, 1941, concerning the Act of 28 June, 1940, was sent to all Coast Guard units in this District. Its applicability to lighthouses was not further specifically interpreted by this Office.

1. Headquarters is familiar with the matter brought up in the second paragraph of Keeper Carman's letter with respect to the $5.00 valuation for quarters. However it is requested that you explain fully the reason for the 72 days allowance of compensatory time at certain stations as compared with others which are given 96 days compensatory time a year. Also include information as to whether or not the hours of labor for keepers were reduced to forty a week pursuant to the Act of 28 June, 1940.

Dear Senator:

Please ascertain for me if the Act of June 28, 1940 (Public, No.671, 76th Congress., Section 5 (a) , is applicable to we Civilians, Lighthouse Keepers now serving in the Coast Guard.

It appears that we are more or less the forgotten men of the Civil Service, while we are docked Five Dollars per month for rental of the stations on which serve, the Military Personnel are allowed and receive a very substansial allowance for the quarters for thier families on shore. This of course was due to a ruling by a former Comptroller General some years back, but in my opinion we are the victims of a glaring injustice.

Another point I wish you would check is that on some stations Civilian Personnel on water stations are allowed 96 days per year, while on this and several other stations in this district we are allowed 72 days leave per year. On the 96 day stations the leave is computed as 26 days annual leave and 70 days compensatory time. The point I wish to make clear is that we on this station and the many others are confined on the station 24 hours per day the same as on the other stations and in my opinion are entitled to the same leave. If there are 52 Sundays per year, and we are entitled to 26 days annual leave besides the Sundays, it would still amount to more than we are allowed at present.

I will sincerely appreciate anything you can do or any information you can give me in this matter, I do not intend that this be construed to be a letter of general dissatisfaction, merely wish to learn just what we who were in the former Lighthouse Service, who for no reason of their own were or will not be inducted into the Military Establishment of the Coast Guard can expect to offset the advancing cost of living.

Sincere best wishes for your continued sucess.

1. It is requested that I be inducted into the U. S. Coast Guard as authorized by letter of Herbert E. Gaston, acting Secretary of the Treasury, dated 29 September, 1939, entitled, Regulations to carry into effect section 4 of the Act of August 5, 1939 (Public No. 291, 76th Congress).

My rating at that time was Q. M. 1/c. Was originally appointed in the former Lighthouse Service, 1 June, 1936, service is continuous since that date.

4. My reason for this request is that I am registered, Selective Service Act, in class three, and if not desired by the Coast Guard, wish to enlist in the Naval Reserve, rather than serve such time as is necessary in the Army.

Sir:-

About 4 P. M. Sunday, April 30th, Mr. T. R. Burns of Washington, D. C., in motor boat #11E42 came to this station. He was en route Galesville, Md., but unable to get farther due to strong N. W. winds and rough sea. His motor was giving trouble, and he had lost a rudder dredge. The assistant and I furnished him dry clothing, a hot meal, and as weather made it unsafe to attempt towing him either to Claiborne or Galesville, and he was pretty well exhausted, gave him the use of one of our bedrooms for the nite.

The boat caused a little trouble shipping considerable water, but we kept her free until 9 A. M. this morning when a Coast Guard Patrol boat searching for Mr. Burns removed him from the station, apparently none the worse for exposure, and towed the boat to Galesville.

Respectfully,

(Signed) L. R. Carman
Keeper.
