Gentlemen:

Inclosed is the claim of Mrs. Cora L. Casey, widow of James O. Casey, (deceased), a retired member of the former Lighthouse Service, claiming the difference in retired pay based on gross pay over that based on net pay (gross pay less deduction for occupancy of Government quarters). Reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

It is requested that the claim be returned to the Commandant (FA-1), U. S. Coast Guard, Washington 25, D. C., for processing, after it has been recorded in your office.

By direction of the Commandant.

Claim No.: 0721953

(Date)

Mrs. Cora L. Casey,

North Carolina.

Madam:

Your claim for an amount alleged to be due the estate of James O. Casey, deceased, retired Lighthouse Keeper, representing the difference in retired pay based on gross pay over that based on net pay (gross pay less deduction for occupancy of Government quarters), has been carefully examined and it is found that no part thereof may be allowed for the reasons hereinafter stated.

The record shows that Mr. Casey did not occupy Government quarters for which a deduction was made from his salary during the final five years of his employment in the Lighthouse Service. While it is true that he did occupy Government quarters during this entire time, there was no deduction made from his salary by reason of such occupancy since no valuation was placed on the type of quarters he occupied until November 1, 1933. On that date a valuation of $60.00 per annum was established for such quarters and $5.00 per month was thereafter deducted from the salary of employees occupying them. Therefore, it is evident that Mr. Casey's retirement annuity was computed on the gross pay originally.

I therefore certify that no balance is found due you from the United States.

Respectfully,

Lindsay C. Warren

Comptroller General
of the United States.

NAME OF CLAIMANT JAMES O. CASEY DESIGNATION Lighthouse keeper

Here give a complete personal description, together with permanent marks and scars other than those described below in physical examination: Claimant is an elderly white male who appears to be well developed and somewhat underweight. His face shows patches of hyperpigmentation and there is a ptosis of the right upper eyelid. Squint of right eye.

Height 69 inches Weight 145 pounds pounds. Complexion

Color of eyes Color of hair

Claimant makes the following statement in regard to the origin, nature, and extent of the alleged disability: He states that his trouble began about March 23, 1933 at 12:00 noon when he noticed a pain in his frontal region with some throbbing and aching. About that time he noticed that everything was cloudy in front of his eyes and this seemed to be getting worse on the right eye during the course of the following few days. He also states that he saw double and the right upper eyelid was closed more than the left. The left eye seemed to clear up somewhat and he was able to see almost perfect again, but the right eye showed no improvement after 5 days. (continued on reverse side)

Here describe fully nature of disability:

Eyes: Left eye shows normal extra ocular movements. Pupil reacts to light and accommodation. Right eye shows a ptosis of upperlid; right pupil is larger than left by 2 mm, it is fixed and does not react to light and accommodation. The right eyeball deviates outward and slightly downward and patient complains of diplopia. Examination for diplopia reveals a crossed type towards the left with widening of the distance (continued on reverse side)

Claimant describes the duties of his position as follows:

Usual duties of a lighthouse keeper.

Insp.
Asst. Supt.

Board Mod. 8.1873

Is disability to perform such duty of a permanent character? Yes.

Is it indicated that applicant may recover from disability and be fit for restoration to active duty? No Do you recommend reexamination with this in view? No

I HEREBY CERTIFY that upon examination I find the above-named claimant to be disabled for useful and efficient service by reason of the disability above described, which is not due to vicious habits, intemperance, or willful misconduct on his part.

Commissioner of Lighthouses, Washington, D.C.

Referring to nominations herewith inclosed explanation for the short time left for the issue of these appointments is offered.

The vacancy in the position of assistant keeper, Bluff Shoal L.S., N.C. has existed since about Oct. 1. As this station is very isolated it is urgent that the new assistant keeper should report for duty as early as possible. It is accordingly impracticable to make final arrangements for the care of Sheep Island Slue Light and Wallace Channel Lights 2, 4, and 6, prior to the transfer of Mr. Hooper, laborer in charge of these lights, to the position of assistant keeper, Bluff Shoal L.S. and it is desired to place these lights in the care of the keeper and assistant keeper of S.W.Point Royal Shoal L.S. pending further consideration of the necessity for the further maintenance of the Wallace Channel Lights or other permanent arrangements for their care. Anticipating favorable action upon these nominations, Mr. Hooper has been directed to report for duty at Bluff Shoal L.S. on Oct. 20 and the keepers of S.W.Point Royal Shoal L.S. have been directed to undertake the care of Wallace Channel and Sheep

Island Slue lights on that date. Telegraphic advices of the issue of appointments on inclosed nominations are requested.
