1. The above-named man was assigned to Race Point Light Station during the early part of August, 1942, to head up a group of twelve or more enlisted men assigned there for lookout and patrol duty. It was then contemplated that, after a reasonable trial period as officer in charge of the group, in addition to caring for the lighthouse and fog signal equipment, to recommend Chase for promotion to chief petty officer, if his duties were performed satisfactorily.

2. Orders now received for Chase indicate that, because of special aptitude in radio and other fields, the district has found it necessary to transfer him to other duties.

3. In order tht this transfer may not operate to retard a recommendation in his behalf, I desire to report that his services have been satisfactory, and he is hereby recommended for promotion to chief boatswain's mate (a) (pro). Boatswain's mate, first class Chase has over twenty-one years previous service, is of excellent character, and is considered well qualified to perform the duties of a chief boatswain's mate.

Gentlemen:-

We have sold an automobile to Capt T L Chase who is a lighthouse tender at Nantucket.

Chase has made payments on the car but he now owes $118.47 which are pst due notes. We have been in correspondence with Chase for sometime but all we can get is promises to pay. The last letter we had from him said that he was going on a furlough on Dec. 27th and would be in to make settlement.

As you know it is almost impossible to get in personal contact with him on account of his position. We are going to ask whether or not Chase is still in the employ of your department and whether or not you could not write to him about this account. We are willing to take it in weekly or monthly installments but we do want him to make them regularly.

Any assistance you can lend will be greatly appreciated by,

Yours truly,

Returned to the Commissioner of Lighthouses, with the information that this matter was taken up by letter with Theodore L. Chase, Keeper of Long Point Light Station, and his letter in reply states that the reason for his tardiness in paying on this account has been due to the illness of his wife and the heavy medical expenses he has been under. He states, however, that from now on the account will be taken care of promptly. It is hoped therefore that this explanation will be satisfactory to Montgomery Ward and that they will have no cause for complaint in the future.

Sirs:

In reply to your letter of June 4, 1940 (Z20332), regarding the alleged indebtedness of Mr. Theodore L. Chase, an employee in the Coast Guard, you are advised that this Service can not assume responsibility for the personal indebtedness of its personnel. Such debts are incurred without a knowledge of the Service and are regarded as a personal matter, and it is expected that the usual civil processes will be employed to enforce payment.

The Coast Guard is without authority to compel its personnel to settle debts, and I regret therefore that it is unable to assist you in the matter.

The envelope inclosed with your above mentioned letter is returned herewith.

By direction of the Commandant,

Very truly yours,
