Re charges preferred against
George N. Clark.

Commissioner of Lighthouses,

Washington, D. C.

I have to submit the following papers relative to charges preferred against George N. Clark, 1st Assistant Keeper, Fort Gratiot Light Station and Fort Gratiot Range Lights, Michigan:

1. Resignation of Clark dated April 8, 1916, effective same date.
2. Copy of charges preferred against Clark for leaving his position without due notice, dated April 10, 1916.
3. Clark's reply to charges, dated April 11, 1916.
4. Letter from the Keeper of Fort Gratiot Light Station, dated April 12, 1916, relative to Clark's reporting for duty and leaving the station the next day.

Mr. Clark was transferred from position of Keeper, Detroit River Light Station to position of First Assistant Keeper at Fort Gratiot Light Station at his own request, effective April 5, 1916, and, as reported by the Keeper, did not remain on duty after reporting on April 7th, his services being specially required at that time on account of the necessary preparations to be made for placing the station in operation on the opening of navigation, and also in view of the fact that the keeper was recovering from an illness and the services of both assistants therefore required.

Clark's statement relative to no fuel being at station for heating purposes is hardly to be considered as an extenuating circumstance in connection with his action. His predecessor naturally used up the allowance of 7 tons during the past winter as the allowances are usually not enough to last all winter, but when Clark reported at the station he did not have his family with him and could easily have made arrangements for himself. Even had he had his family with him the dwelling would have had to be heated only for the balance of the month of April at most, at a cost of about $5.00.

In view of the above, I have to recommend that Clark be dismissed from the Service effective at the close of April 5, 1916. This employe has not taken leave in excess of the accrued rate.

Sir:-

1. The Board has the honor to ask the probationary appointment of Mr. George N. Clark, of N. Y., as second assistant keeper at Detroit River Light-Station, Mich., at $440 a year, effective beginning June 11, 1908, the date of his entrance on duty, in the place of Mr. Milford C. Tryon, who was promoted by Department letter of June 9, 1908. of May 25. 08

2. Mr. Clark stands No. 5 in Class I of the eligible register of the Tenth Light-House District with a rating of 87.6 per cent, and was considered with Mr. Bruno G. Grunitz 99.4 and Henry J. Ryan, 96.2 whose declination of that position is inclosed. In that declination Mr. Ryan states that he wishes to have his name restored on June 15, 1908. The name of Mr. Grunitz has been removed from the register, as this is his third consideration without selection.

APPOINTMENTS DEC 28 1915 5

COMMISSIONER OF LIGHTHOUSES,

Washington, D. C.

Referring to Bureau letter of Dec. 17, 1915, there are transmitted herewith nominations covering increases of pay in accordance with the approved schedule, with the exception of the following, it being considered that these employees do not merit increases in salary at this time:

George N. Clark, Keeper Detroit River Light Station, Mich.
Lewis B. Curtis, 1st Assistant Keeper, La Pointe and Chequamegon Point Light Station, Wisconsin.
Wm. T. Peterson, 2d Assistant Keeper, Lily Pond, Etc., Light Station, Michigan.
(Position of Assistant Keeper, Pointe aux Barques Light Station vacant.)

It is noted that the schedule shows the present pay of the keeper of DeTour Light Station as $624. per annum. The present pay of this position is $600. per annum, but it is believed that the increase to $636. is fully justified and nomination is submitted accordingly. This is an important station, is equipped with 3½ order IOV light and steam fog signal, and keepers look after the submarine signal and gas buoys in the vicinity.

Woodruff

Bureau of Lighthouses
December 28, 1915.

Submitted to the Secretary of Commerce for his information. The Bureau's copy of the adjusted pay schedule shows the present pay of the keeper of Detour light station as $624 per annum. The pay should have been stated as $600 per annum as noted by the Inspector, and the Bureau's copy will be changed accordingly, and it is suggested that the copy submitted to the Department be amended as above.

DIVISION OF APPOINTMENTS
NECESSARY
ACTION TAKEN
APR 28 1916
DEPT OF COMMERCE

Sir:

I have to submit the following papers relative to charges preferred against George N. Clark, 1st Assistant Keeper, Fort Gratiot Light Station and Fort Gratiot Range Lights, Michigan: $492. Jpa

1. Resignation of Clark dated April 8, 1916, effective same date.
2. Copy of charges preferred against Clark for leaving his position without due notice, dated April 10, 1916.
3. Clark's reply to charges, dated April 11, 1916.
4. Letter from the Keeper of Fort Gratiot Light Station, dated April 12, 1916, relative to Clark's reporting for duty and leaving the station the next day.

Mr. Clark was transferred from position of Keeper, Detroit River Light Station to position of First Assistant Keeper at Fort Gratiot Light Station at his own request, effective April 5, 1916, and, as reported by the Keeper, did not remain on duty after reporting on April 7th, his services being specially required at that time on account of the necessary preparations to be made for placing the station in operation on the opening of navigation, and also in view of the fact that the keeper was recovering from an illness and the services of both assistants therefore required.

CHIEF CLERK APR 27 1916 5

Clark's statement relative to no fuel being at station for heating purposes is hardly to be considered as an extenuating circumstance in connection with his action. His predecessor naturally used up the allowance of 7 tons during the past winter as the allowances are usually not enough to last all winter, but when Clark reported at the station he did not have his family with him and could easily have made arrangements for himself. Even had he had his family with him the dwelling would have had to be heated only for the balance of the month of April at most, at a cost of about $5.00.

CHIEF CLERK APR 28 1916

APPOINTMENTS APR 28 1916 L

In view of the above, I have to recommend that Clark be dismissed from the Service effective at the close of April 5, 1916. This employe has not taken leave in excess of the accrued rate.

In compliance with your letter of the 10 inst as to my resignation without notice I wish to state that I was informed that I would receive fuel allowance and when I reported at Station I found no coal and thereof informed me that I would have to buy my coal and as I have a home in Rockwood and bought on a contract and have to make my payments on such a day I knew that I could not meet them by going to this expence as I did not expect to have to buy fuel so I knew that I had to lose either or loose all I have put in home as the expence at Fort Gratiot Lt.
