1.I Respectfully advise that I would like to exchange station with Mr C.H . Caulson First Assistant Keeper at Brazos River Light Station. Mr Caulson would like to change station if approved by your office.

2.The reason why i would like to change stations is because my wife is always sick at this station It is possible that a change in station and place would improve her health some, as the water is so near this station and at times in high tide the water is under the dwelling. When the vacancy occurrs at a station where there is quarters for the families would like to be considered for transfer.

The Commissioner of Lighthouses:

1. Replying to Bureau endorsement of Feb.5,1923, File No. 1798-E., and Bureau memorandum attached thereto, which is returned herewith:

2. The base rates of pay at South Pass Range Rear Light Station, La., of $900, $780 and $720 per annum were authorized by the Bureau in its letter of Nov. 18, 1918, "Pay of Keepers, Reclassification." Originally the base rates of pay were advanced one class for this station as approved in Bureau's letter of Nov. 18,1918, and as provided for under the scheme adopted by the Bureau. This advance of one class was for special reasons of semi-isolation and water station- - the keepers must use a boat to go for mail and supplies, the pay of the keepers being computed as follows:

	BASE	A	C		D		
Keeper:	$720	$60	$60	(small dwel.)	$60	=	$900 p.a.
1st Asst:	-	60	120	(no dwelling)	60	=	780 "
2nd Asst:	-	60	120	(no dwelling)	60	=	720 "

3. Under date of Dec.3,1918, this office wrote the Bureau regarding the case of the 1st Assistant (Julius Snow) and the 2nd Asst. (F.L.Staniel) of this station and Bureau's endorsement of Dec. 16,1918, states that the 1st and 2nd assistant keepers not having dwellings were allowed $120 per annum in lieu thereof. Lead pencil memo. on this letter by T.S.C. shows that $120 p.a. applies to each assistant keeper.

4. In view of the fact that the 1st Asst.Keeper now has a dwelling it is recommended that his pay be reduced as well as the 2nd Asst. Keeper. The rates of pay at this station will then be: $900, $720 and $660 respectively per annum.

5. South Pass Range Rear Light Station is a revolving F.O.V. light and no further reduction in the pay of the keepers should be considered as this is the most important light on the Gulf Coast.

Memo. re keepers pay, South Pass Range Rear L.S., 8th Dist.:

Supt. recs. 2nd asst. keepers pay be reduced from $720 to $660 per annum, account now being furnished quarters in tower.

Present keepers at this station are paid as follows: $900, $780 and $720. I have been unable to determine how these rates were arrived at. According to Bureau's sheets keeper's compensation would be base pay $720, important illuminating apparatus $60, isolation $60 -- Total pay $840. Authorized pay is, however, $900 for principal keeper. A note on this sheet indicates that"$120 in lieu of quarters for asst. keepers" was allowed on account of small dwelling, apparently $60 each.

IN September, 1921, when a new dwelling was completed at this station, the Supt. stated that the keeper and first asst. keeper would each be provided with separate dwellings. The question was raised by the Commr. whether the pay of these keepers was affected. Personnel submitted memo stating that keeper and asst.keeper at South Pass Range Rear L.S. are now occupying the same dwelling but that it does not seem that any change in the keepers' pay would be necessary. It appears to me that the pay of the 1st asst.keeper should have been adjusted at that time as he was apparently allowed increase in his pay on account of small dwelling.

REC. ask 8th for further report relative to keepers pay at this station, stating that it would appear from present classification of keepers and stations that the principal keepers pay should be computed as follows:

Base	$720		
Imp.Ill.Ap.	60		
Isolation	60.	$840	Assts. $660 and $600

Should principal keepers present pay be adhered to, it is considered that the first assistant keepers pay should be reduced $60 per annum as well as the 2nd keepers; the latter has been recommended by the Supt.

Referring to telegram from the Keeper of South Pass Range Rear Light Station stating that you had been notified by the War Department to appear before the Board at Pointe-a-la-Hache on April 25, 1918, for immediate military service:

For your information, the following is a copy of Department regulations in regard to employees who enter the military or naval service:

> "That in cases of positions under lump-sum appropriations, employees who enter the military or naval service be granted leave without pay (in addition to such leave with pay as they may be legally entitled to) for periods not to exceed one year, and that temporary additional employees be appointed to take their places during their absence."

This office will recommend to the Department that you be granted leave of absence from the Lighthouse Service without pay for a period not to exceed one year and will fill the position by temporary appointment during your absence. It is not known what action the Department will take in case the military service lasts more than one year, but it is presumed that provision will be made for extending the leave without pay.

Submit application, as per enclosure, for leave of absence without pay for a period not to exceed one year and same will be forwarded to the Department for approval.
