cause her any Worriment as it might result. Seriously I am very sorry indeed over the Matter thinking what trouble I am Pulling the Service To Personally I Really wanted the Position Can Truthfully Say that it would Be impossible for me To accept anything But a Shore Station that I could have her with me and upon my word and Honor will continue in the Service as long as I am able To perform the duties required if the Service Should Consider me Still worthy of a Position at a Shore Station Thanking you very much for your Consideration regarding the appointment.

Very Respectfully
