DATE OF EFFECT:

SUBJECT TO RETIREMENT ACT: Lighthouse Act 6-20-18

Justification: In pursuance of authority contained in the Act of August 5,1939,Public No.291, and the policy to man former Lighthouse tenders with military personnel and transfer civilian personnel thereon who are not inducted,to shore positions,it is proposed to make certain changes of personnel in Alaska not having a classified civil service status, as in the present case, under Schedule A-I-9. This will not have the effect of depriving any one on any civil service register of eligibles of the position since as the Department and the Civil Service Commission are aware selections of new eligibles for keeper are no longer being made from registers, Forms 241a and 2290 are enclosed. This new position at Cape St. Elias Light Station is a temporary additional one required for one year from the date of entrance on duty of Mr. Cook therein to provide adequate help for the station during the authorized absence of a regular keeper (Clinton E.Grimm). Upon the termination of this temporary assignment it is intended to vice Mr. Cook into one of the regular keeper positions in Alaska
