Peter Coughlin,
transfer.

February 25, 1915.

Lighthouse Inspector, Detroit, Michigan.

Referring to your letter of February 15, 1915, relative to the consideration of employees in your district for transfer to the position of watchman at the Milwaukee Lighthouse Depot, 12th District.

The Bureau has today recommended to the Department that the Civil Service Commission be asked to issue a certificate authorizing the transfer of Peter Coughlin, first assistant keeper, assigned to duty at the Tawas Light Station, Mich., to the position of watchman in question. You will be advised as soon as the Civil Service Commission and the Department act in this case.

Acting Commissioner

HRW-JRL

Peter Coughlin,
transfer.

March 22, 1915.

Lighthouse Inspector, Detroit, Mich.

Referring to your letter of February 15, 1915, in which the names of Peter Coughlin and two others were submitted for filling the position of watchman at the Milwaukee Lighthouse Depot,

The Department has appointed Peter Coughlin to the position in question. It is desired that you request Coughlin to hold himself in readiness to start upon notice for his new position. The 12th Inspector has been directed to advise you directly of the date on which he desires Coughlin to start for his new position. Be guided accordingly.

The date of effect of the transfer will be the date on which Coughlin leaves his present position. Have Coughlin subscribe to the usual oath of office, inserting therein the date of starting as the date of his entrance on duty. Initial the oath and send it to the 12th Inspector, who will sign and transmit to the Bureau in the usual course.

The appointment has been mailed to the 12th Inspector and will be handed to Coughlin when he reports for duty.

12

Acting Commissioner

Bureau of Lighthouses, Washington.

MAR 22 1915

To Lighthouse Inspector, ... Milwaukee, Wis.,.....
for his information, guidance, and files of office.

Advise the 11th Inspector of the date on which you desire Coughlin to stabb for his new position and issue necessary instructions.

12

Acting Commissioner.

McC.

Peter Coughlin,
transfer.

February 25, 1915.

Secretary of Commerce:

Referring to the vacant position of watchman at the Milwaukee Lighthouse Depot, at $540 per annum, authorized by the Department on October 30, 1914.

The Bureau recommends that the Civil Service Commission be requested to issue a certificate authorizing the transfer of Peter Coughlin from the position of first assistant keeper in the Lighthouse Service at $540 per annum, assigned to duty at the Tawas Light Station, Mich., to the position of watchman of the Milwaukee Lighthouse Depot, at $540 per annum, effective March 1, 1915, or as soon thereafter as he enters on duty (new position), in accordance with the Regulations for the Lighthouse Service, 1914, par. 416.

Mr. Coughlin is nearly 59 years of age, has been in the Lighthouse Service for over 13 years and through his long service has acquired an intimate knowledge of lighthouse property, etc., which knowledge would be very useful and advantageous in the position to which his transfer is recommended, and renders his appointment especially desirable and in the interests of the Service. He is both mentally and physically qualified to perform the duties of the position referred to. While it is not regarded as practicable to require him to pass the usual examination prescribed for the position of watchman, it is understood that he would, if his transfer is approved, acquire no status for transfer or promotion to other positions of the third or subclerical grades without passing the civil service examination prescribed for that grade.

It is recommended that the Civil Service Commission be requested to expedite action on this case as much as practicable. In the event the Civil Service Commission approves the above recommendation, it is further recommended that the notice of appointment in this case contain a provision for the payment of the necessary and actual transportation expenses of Coughlin from his present to his new post of duty, in view of the fact that he did not request this transfer, and as the same is in the interests of the Service.

Salaries, Lighthouse Service

(Signed)

HRW-McC. February 25, 1915.

Referred to Lighthouse Inspector, Milwaukee, Wis., for his information and files.

See your letter of January 11, 1915, in the case of John Kracht, relative to filling the position in question.

Gentlemen:

The Department requests authority to transfer Peter Coughlin from the position of first assistant keeper of Tawas Light Station, Michigan, at $540 per annum, to that of watchman at the Milwaukee Lighthouse Depot, Wisconsin, at the same rate of pay. In recommending Mr. Coughlin's transfer the Commissioner of Lighthouses states as follows:

> "Mr. Coughlin is nearly 59 years of age, has been in the Lighthouse Service for over 13 years and through his long service has acquired an intimate knowledge of lighthouse property, etc., which knowledge would be very useful and advantageous in the position to which his transfer is recommended, and renders his appointment especially desirable and in the interests of the Service. He is both mentally and physically qualified to perform the duties of the position referred to. While it is not regarded as practicable to require him to pass the usual examination prescribed for the position of watchman, it is understood that he would, if his transfer is approved, acquire no status for transfer or promotion to other positions of the third or subclerical grades without passing the civil service examination prescribed for that grade."

The Bureau also requests that action in the matter be expedited as much as practicable.

By direction of the Secretary:

Respectfully,

DEPARTMENT OF COMMERCE
BUREAU OF LIGHTHOUSES

February 25, 1915.

CHIEF CLERK MAR 1 1915 5

Secretary of Commerce:

Referring to the vacant position of watchman at the Milwaukee Lighthouse Depot, at $540 per annum, authorized by the Department on October 30, 1914.

WROTE C.S. COMMISSION MAR 2 - 1915

MAR 1 1915 1.04

The Bureau recommends that the Civil Service Commission be requested to issue a certificate authorizing the transfer of Peter Coughlin from the position of first assistant keeper in the Lighthouse Service at $540 per annum, assigned to duty at the Tawas Light Station, Mich., 11th Dist to the position of watchman of the Milwaukee Lighthouse Depot, at $540 per annum, effective March 19(1), 1915, or as soon thereafter as he enters on duty (new position), in accordance with the Regulations for the Lighthouse Service, 1914, par. 416.

May-1911 Ef 100

Mr. Coughlin is nearly 59 years of age, has been in the Lighthouse Service for over 13 years? and through his long service has acquired an intimate knowledge of lighthouse property, etc., which knowledge would be very useful and advantageous in the position to which his transfer is recommended, and renders his appointment especially desirable and in the interests of the Service. He is both mentally and physically qualified to perform the duties of the position referred to. While it is not regarded as practicable to require him to pass the usual examination prescribed for the position of watchman, it is understood that he would, if his transfer is approved, acquire no status for transfer or promotion to other positions of the third or subclerical grades without passing the civil service examination prescribed for that grade.

It is recommended that the Civil Service Commission be requested to expedite action on this case as much as practicable. In the event the Civil Service Commission approves the above recommendation, it is further recommended that the notice of appointment in this case contain a provision for the payment of the necessary and actual transportation expenses of Coughlin from his present to his new post of duty, in view of the fact that he did not request this transfer, and as the same is in the interests of the Service.
