Commissioner of Lighthouses,

Referring to Form 73 from this office dated December 3, 1928 and Department letter of December 18, 1928, changing compensation of August N. Detlefsen on account of assignment as additional 2nd Asst. Keeper, Eldred Rock Lightstation at $1560 per annum, it is requested that the temporary limitation of not to exceed one year on this transfer be removed effective the date the transfer of Barney Sivertsen, the regular encumbent of this position and now on leave of absence without pay, to 1st Ass't. Keeper, Cape Hinchinbrook Lightstation, takes effect on February 12, 1929 or as soon thereafter as Sivertsen enters on duty in his new position.

CIRC'L file

RLC Bureau of Lighthouses, Washington, D. C., February 12, 1929.

Submitted to the Secretary of Commerce with recommendation that the above report be accepted as a Form 73-a, there being no change in designation, pay, or range involved. The only feature involved apparently is a change in vice from "new position" to "Barney Silvertsen", this being necessary on account of the permanent assignment of Keeper Detlefsen at Eldred Rock Light Station to fill the position vacated by Keeper Silvertsen.
