Subject: Request for additional position.

1. It is requested that the following temporary additional position be authorized for a period of six months, effective May 1, 1934, or date the person appointed thereto enters on duty:

Keeper, Cape Decision Lightstation, Alaska, $1740 p.a.
in range $1740-2100 p.a.

The creation of the above additional position is requested in order that provision may be made for a keeper to take charge of the station during absence of Mr. Ed Toman, present keeper, while on accumulated leave of absence. There is due Mr. Toman leave accruing during approximately two years duty on station, amounting to about six months. See herewith nomination of W. J. Donelly for promotion from 1st Assistant Keeper, Cape Decision Lightstation, to the above position, if created. It is considered that it would be unfair to Mr. Donelly if he were required to take charge of this important light, fog signal and radiobeacon station for a period so long as six months without increasing his compensation to that of a regular keeper.

2. During the time that Mr. Donelly is assigned as Keeper in Charge the position of 1st Assistant ($1560 p.a.) will be left vacant and he will be restored to his former position upon return of Mr. Toman to duty.

3. An additional keeper at large will be assigned to duty at the station during the abeence of Mr. Toman in order that there may be a full complement of three men on duty.
