Sir:

I respectfully request that I be transfered to Rose Island Light Station, as Assistant keeper, to fill the vacancy caused by the resignation of the Assistant Keeper at that Station.

Having been stationed at Gull Rocks for the past three winters, I find it impracticable to remain here another winter, as there is not much room for recreation for the children, and the oldest will soon be of school age

I am thoroughly familiar with the operation of vapor lights & oil engines having been stationed for one year at Gull Island Light Station.

In view of the above, It is again requested that my Explication for transfer be given favorable consideration.

Respectfully,

Sir:

It is requested that I be granted permission to erect a picket fence on the West side of Station, this fence to be of lathes, four feet in height, the same as that on East side of Station.

The present guard rail on West side of Station is not sufficient protection for the children while in the Yard at play, as it consists of but a single rail.

If this request is granted, I would like permission to use lumber in old guard rail for cross pieces in erection of new fence.

It is impracticable to give you the information requested from the information at hand for it will be necessary that you take this matter up with the inspecting officer the next time station is inspected showing him this letter and if it is found that the fence you propose to erect will not be unsightly or detrimental to the station, permission for its erection will be granted.

Sir:-

I respectfully request that I be transferred to Rose Island Lt. Sta. as Assistant Keeper to fill the vacancy caused by the resignation of the Asst.Keeper at that station.

Having been stationed at Gull Rocks for the past three winters, I find it impracticable to remain here another winter, as there is not much room for recreation for the children, and the oldest will soon be of school age.

I am thoroughly familiar with the operation of vapor lights and oil engines, having been stationed for one year at Gull Island Lt.Sta.

In view of the above, it is again requested that my application for transfer be given favorable consideration.

Respectfully,

Enclosed is Form 206 "Record of Physical Examination of Light Keeper or Assistant Light Keeper", addressed to the United States Public Health Service, requesting that you be given a physical examination, for the purpose of determining whether or not you are entitled to medical relief without charge at hospitals and other stations of the Public Health Service, pursuant to the Act of Congress, approved August 28,1916. A copy of the provision contained in said Act is quoted in District Circular Letter No.187, dated May 21,1917.

Under the terms thereof it will be necessary for you to submit to said examination and be found physically qualified before you will be entitled to the benefits provided for by the Act of August 28,1916. As said benefits will be solely to your personal advantage it is to your interest to give this matter attention at the earliest opportunity.

After you have been given a physical examination by the medical officer designated on attached Form 206, said Form 206 will be returned to you by the medical officer. You will then send it to this office so that it may be recorded, after which it will be returned to you. The original copy of Form 206 will then be your property, and you are directed to preserve it and keep it in your possession for future reference.
