Subject: Proposed Transfers

1. C. D. Daniels, who is first assistant keeper at Jupiter Inlet Lighthouse, Florida, has expressed a desire to exchange positions with W. A. Davis, Assistant Keeper at West Bank Lighthouse in the Third District. W. A. Davis, as you will recall, was transferred from the Sixth District to the Third District on March 6, 1933. C. D. Daniel's present pay is $1320 in the range $1200-$1560. He is provided with quarters. It is understood that the present pay of W. A. Davis is $1500 per annum without quarters.

2. This office has no objection to the proposed exchanges of positions if the action would be agreeable to you. I can recommend Mr. C. D. Daniels as being an efficient keeper. It is assumed that he would have to transfer to the Third District at $1500 per annum without quarters and that Mr. Davis would have to transfer to the Sixth District at $1260 with quarters.

3. Please advise this office of your attitude in the matter. It is understood, of course, that both assistant keepers would have to bear their own expenses of moving as the changes proposed are in their own interests.

Superintendent of Lighthouses

	Pay	Range	Extra	Total	If transferred

Supt. of Lighthouses

Sir

I am enclosing herewith a letter from C. D. Daniels at Jupiter Inlet light station who wishes to exchange stations and talks with me

Due to the fact that the 6th Lighthouse district have electrified some lights and some of the keepers have been transferred to other districts, I was transferred from Charleston Lt Sta, S.C. to West Bank Lt Sta, N.Y. on March 6th 1933

although this was against my wishes I accepted the offer as it was understood I probably would be put on furlough without pay if I refused.

This transfer will mean a lot to me and my family and I will appreciate your approval if approved I wish it to take effect as early as possible,

Yr. A. Davis 2nd Asst Kpr.
A. Boulder, Keeper.

SUBJECT: Transfers.
REFERENCE: Your letter April 27,1934.

1. Referring to your letter of April 27, 1934 relative to proposed exchange of positions between C.D.Daniels, 1AK, Jupiter Inlet Lt.Sta., and W.A.Davis, 2AK, West Bank Lt.Sta.; this District has no objection to the proposed exchange of positions provided that Mr. Daniels is a suitable man for employment at West Bank Light Station. This station is located in New York Lower Bay, about three miles off shore, which makes it necessary that the keepers be capable boatmen. The fog signal at this station is a Nautophone and the light is oil vapor. It is suggested that these conditions be brought to Mr.Daniel's attention, and if the exchange of positions is agreeable to him, please so advise, stating whether you consider him sufficiently capable as a boatman for employment at this station.

2. The understanding of this office of the pay rates in case of exchange of positions, is as follows:-

Daniels:-	Present gross pay including quarters; $1560	Present net Pay; $1320	If transferred to West Bank:- Gross pay $1560 Net pay 1500
Davis:-	Present gross pay including quarters; $1560	Present net Pay $1500	If transferred to Jupiter Inlet: Gross pay $1560 Net pay 1320
