[1] Strike out the clause which does not apply.

11—2314

The salary range for keeper at Warrior Rock is $1200 to $1440; that for Heceta Head is $1260 to $1500. Deroy's present pay, $1380, is in step three. Step three for keeper at Warrior Rock would be $1320, $60.00 less than Deroy's present pay.

Deroy is one of the best keepers in the district and his station is maintained in a most creditable and efficient condition. He desires the transfer to permit of his son's attending high school. Warrior Rock Light Station has become considerably run down during the last few years' service of the present keeper on account of his physical inability to clean up the grounds after the annual floods which overflow a large portion of the station grounds. A large amount of work extending over a considerable period will be required to bring the station up to the proper standard of neatness and efficiency. It is, therefore, recommended that Mr. Deroy carry his present rate of pay, namely, $1380.00 when transferred to Warrior Rock Station. If the Bureau should not approve his increase in pay to $1380 the Superintendent will inquire of Deroy whether he will accept transfer with reduction to $1320.

Mr. Deroy has not been granted leave in excess of the accrued rate.

19. Does employee work under immediate supervision, or to a large extent upon his own responsibility? (Describe fully.)

Upon own responsibility. Is responsible for proper management and operation of the station.

20. Do the duties involve direction or supervision of the work of other employees? yes
If so, describe the nature of the direction or supervision and give the number and classes of employees directed or supervised.

In full charge of two Assistant Keepers and assigns work to them.

21. How long have the employee's duties been substantially as described above? 3 yrs.

22. I hereby certify that to the best of my knowledge and belief the answers to the foregoing questions are correct.

NAME OF CLAIMANT FLORIDO DEROY DESIGNATION. Keeper, Warrior Rock Light Station

Here give a complete personal description, together with permanent marks and scars other than those described below in physical examination:

Patient is a short, stocky well developed and will preserved adult male. He has a few superficial scars on face.

Height 5 ft 2-7/8 in. Weight 140 pounds. Complexion Medium

Color of eyes Brown Color of hair brown and gray

Claimant makes the following statement in regard to the origin, nature, and extent of the alleged disability: While engaged in the work of sawing off lower limb of tree obstructing clear view of Lewis River Light, which it is necessary to observe in determining approach of fog at night, fell approximately 25 feet. Limb broke under Keeper's weight, causing fall onto wood pile. Struck on left side and bounded off wood pile landing head first on rock breakwater and rolling about 15 feet down toward river bedch.

Here describe fully nature of disability: Right, indirect, Inguinal Hernia of about 5 years duration.

Claimant describes the duties of his position as follows: Lighthouse Keeper - Warrior Rock Light Station. Keep light and fog signals going. Clearing up wreckage around Station is too much manual labor for one man.

Is disability to perform such duty of a permanent character? Yes

Is it indicated that applicant may recover from disability and be fit for restoration to active duty? No Do you recommend reexamination with this in view? No

We HEREBY CERTIFY that upon examination we find the above-named claimant to be disabled for useful and efficient service by reason of the disability above described, which is not due to vicious habits, intemperance, or willful misconduct on his part.
