Sir;

Your letter of the 6th received and contents noted. Insufficient notice of my resignation was due to the fact that I was offered another position at the date I left Whale Rock Lt. Sta. Also it was not livable on said station with the keepers whose character you may judge by the number of 2nd ass't keepers whom they have had under their charge and have resigned in such a short time.

Records of my character and workmanships may convince you about the situation betwen the keepers of Whale rock & myself. These records you will find on my application blank. From any of my former employers whose names I will forward to you

J. Yates

upon request. The fact that I have never had any trouble with my former employers or have never been discharged from their employ may prove to you that there may be another side to the keepers story.

Hoping this letter will remedy the cause of me embarassing the Lighthouse Service.

Respectfully,

L. Doige.

FWO:FM Office of Superintendent of Lighthouses,
Staten Island, N.Y., 3rd District. January 24, 1927.

Returned to Commissioner.

1. Mr. Doige tendered his resignation without giving this Service notice of his intention, therefore the acceptance of his resignation but not without prejudice was fully justified. In reference to the inferences made by Mr. Doige concerning the keeper of Whale Rock Light Station, it may be stated that at two inspections made during 1926, the efficiency ratings given were 100 per cent and 97 per cent. While there were several Second Assistant keepers appointed at Whale Rock Light Station during 1926, as well as similar changes at other stations, there is nothing to indicate that such changes were due to conditions at the station. One assistant keeper was transferred; one left the Service on account of rheumatism; one left on account of his wife being in poor health; one left on account of illness; one left on account of sickness in his family and Mr. Doige resigned on account of obtaining another position.

2. It is recommended that no further action be taken in the matter.

Sir:

I am enclosing an application form that was filed by me in Chelsea office of the Lighthouse Dept, and was returned to me to-day.

In the first paragraph of the attached form it reads "So that all applicants may be given fair and impartial consideration." I would say this was rather "unfair".

I am also enclosing the letter & envelope that was sent in with my application so that it may be seen that it was through no fault or error of mine that I did not get in on this examination.

In view of these facts, I hereby respectfully request that this matter be taken up with the department and that I be considered for examination of Ass't Lighthouse Keeper. Thanking you; I am

Office of Superintendent, Second District,
Chelsea, Mass., October 3rd, 1935.

Returned to the Commissioner of Lighthouses.

Upontaking up the matter referred to in the attached letter with the Local District Civil Service Manager's Office, this office has been informed that in view of the comparatively short period of time which was allowed between the date on which the examination in question (Assistant Lighthouse Keeper) was announced and the closing date for receipt of applications, also the fact that it was necessary to forward the blank which was originally sent to this applicant to several addresses before it finally reached him, the application will be accepted and rated with others received for this examination. In view of this fact the application which accompanied the attached letter has been turned over to the said Manager and Mr. Doig may be assured that at the proper time he will receive notice from the above office as to his rating and standing on the eligible register, or other action taken after his papers have been examined.

In further connection with the above, this party's attention might, however, be invited to the fact that he should have notified this office as to his change in address; having originally requested that application and pertinent papers be mailed to him at Box 332, Conimicut, Rhode Island, whereas his present location is 268 Lawton Street, Fall River, Mass.

Dear Sir:

In further reference to your letter of September 18, regarding your application for the civil service examination for the position of keeper in the district of the Superintendent of Lighthouses at Chelsea, Mass.:

This matter was taken up by the office of the Superintendent with the office of the district civil service manager at Boston, and on account of the special circumstances surrounding the submission of your application, it has been decided that your application for the examination will be accepted. In due time accordingly you will received notice from the office of the district civil service manager in Boston as to the rating you received in this examination.

It is noted in connection with the matter that you originally gave your address as Box 332, Conimicut, R. I., whereas your present address is 268 Lawton St., Fall River, Mass. It appears that mail addressed to your was miscarried on this account, and in case you change your address again, you should immediately notify the office of the district civil service manager at Boston, Mass.

REFERENCE: Your letter May 16, 1930.

1. Leslie Doige was employed as 2nd Assistant Keeper at Whale Rock Light Station from December 11, 1926 to December 30, 1926. By letter of December 30, 1926, he tendered his resignation which was accepted but not without prejudice on account of his failure to give notice of his intention to resign, and also, on account of unsatisfactory service, the keeper of the station having reported that Doige had been insubordinate and impudent during the period of his employment.

SUBJECT: Letter dated January 17, from L. Doige regarding his resignation from the position of keeper.

Referred to Superintendent of Lighthouses, Staten Island, N. Y., for report and return.

H. B. BOWERMAN

Acting Commissioner of Lighthouses.

FWO:FM Office of Superintendent of Lighthouses,
Staten Island, N.Y., 3rd District. January 24, 1927.

Returned to Commissioner.

1. Mr. Doige tendered his resignation without giving this Service notice of his intention, therefore the acceptance of his resignation but not without prejudice was fully justified. In reference to the inferences made by Mr. Doige concerning the keeper of Whale Rock Light Station, it may be stated that at two inspections made during 1926, the efficiency ratings given were 100 per cent and 97 per cent. While there were several Second Assistant keepers appointed at Whale Rock Light Station during 1926, as well as similar changes at other stations, there is nothing to indicate that such changes were due to conditions at the station. One assistant keeper was transferred; one left the Service on account of rheumatism; one left on account of his wife being in poor health; one left on account of illness; one left on account of sickness in his family and Mr. Doige resigned on account of obtaining another position.

2. It is recommended that no further action be taken in the matter.

Sir:

Your letter of the 6th receieved and contents noted. Insufficient notice of my resignation was do to the fact that I was offered another position at the date I left Whale Rock Light Sta. Also it was not livable on said station with the keepers whose character you may judge by the number of 2nd Asst. keepers whom they have had under their charge and have resigned in such a short time.

Records of my character and workmanship may convince you about the situation between the keepers of Whale rock and myself. These records you will find on my application blank or from any of my former employers whose names I will forward to you upon request. The fact that I have never had any trouble with my former employers or have never been discharged from their employ may prove to you that there may be another side to the keepers story.

Hoping this letter will remedy the cause of me embarrassing the Lighthouse Service.

Respectfully,
