Dear Sir:

Replying to your letter of July 4, 1926, you are advised that in compliance with instructions from the Secretary of Commerce it will be necessary to deduct from your June pay check an amount sufficient to cover your absence from duty in excess of annual leave which you had earned up to the time you left the Service. In this connection, however, this office will pay J. K. Puulei , who has substituted for you, for the time he has put in at Molokai Light Station from June 19th to June 30th inclusive at the rate of $2.00 per day as agreed upon. It will not be necessary therefore for you to pay Puulei yourself.

The Superintendent appreciates your offer of assistance at Molokai in case of emergency and wishes you every success in your new work.

Inasmuch as the department has refused your request to raise my days taken for my annual leave in Apr. I have no objection what ever because I made my resignation with that understanding.

Any time you visit Molokai Kaunakakai I will be willing to take you across the homestead for a visit. At any time the Molokai Lt. Sta needs my help or machanical apparatus I am willing to help you out.

1. The Superintendent has carefully considered the numerous charges preferred by you against the principal Keeper in connection with his replies to such charges, having in mind at the same time previous trouble between the keepers of this station and your own repeated violation of Article 32, Instructions to Employees, 1915, it having been necessary only recently for the Superintendent to insist again on your compliance with those regulations.

2. After considering all the information available, it has been decided to appoint new keepers throughout at Molokai Light Station. The present Keeper and 2nd Assistant Keeper will be transferred to other stations and your resignation from the Service will be accepted in accordance with your declaration of April 16, 1926. You are, therefore, requested to submit your resignation in writing, effective July 1, 1926 or as soon thereafter as your successor can report for duty. This office will recommend to the Commissioner of Lighthouses that any leave taken by you in excess of the accrued rate, be waived in this instance.

1. With your letter of April 28, 1926 submitting a number of charges against the Principal Keeper, you submitted two statements purported to have been written by inmates of the Leper Settlement. When submitted to Mr. McVeigh, former Superintendent of the Leper Settlement, for identification, he stated that one at least was not written by the man whose name appeared. Mr. McVeigh also stated that one of these at least showed leper stains and should never have been permitted in the mail. Advise the Superintendent at once whether these statements enclosed with your letter were properly disinfected before mailing. You are also requested to explain why you submitted statement not written by the man whose name is appended.

R. R. TINKHAM,
Superintendent of Lighthouses.

Copy to James M. Keanu, Keeper, Molokai Light Station.
Copy furnished for the files of the station. You are advised that the charges by the first assistant and your reply thereto of May 1st, are still under consideration by the Superintendent. It is noted in your letter of May 1st that you deny having been drunk on many occasions, but in your statement that you are not much of a drinker, you evidently admit using intoxicating liquor. Your attention is called to Articles 28 and 29 of Instructions to Employees, Lighthouse Service, 1915. A strict compliance with the requirements of these regulations is expected of all keepers in this District. While the Superintendent is not definitely decided as to final action in the matter of these charges, it is quite evident your administration of affairs at Molokai Light Station is unsatisfactory, and it is expected to transfer you and the 2nd assistant keeper to other stations in the District and accept the resignation of the 1st assistant keeper, as already offered. These changes will be made about July 1st. You will be given further instructions at the latter date.

In reply to your letter pertaining to Mr. Livingston's letter I wish to say that the car is still under our joint possession. There were two cars sent me and I sold one and the other was in rent service until I recived notice from him to dispose the car, the car will be dispose and his money will be sent him as soon as I can make arrangements for its sale at Kamalalai.

The car was badly crippled and was laid up for 7 or 8 mo.

Dear Sir:-

I have today received a letter from Mr.Enoka regarding the matter which I have referred to you by letter of October 19th.

I do not wish him to lose his position because of my statement of facts to you. He tells me that the automobile in question is still in his possession, in which case my information was in error.

I will write to him to dispose of the car at the best possible price, and pay me my equity in exchange for a bill of sale to him.

I hope the matter can be satisfactorily arranged so that Mr. Enoka's standing in the Government Service will not be further injured.

1. There is enclosed herewith copy of a letter received today from Mr. Chester Livingston of Honolulu, relative to your default in the payment of notes and interest due him in the sum of $193.77; also that he is informed you have sold the automobile which is his rightful property.

2. Your attention is again invited to Article 32, Instructions to Employees, Lighthouse Service, 1915, also to letter from this Office to you dated May 2, 1924, relative to your account with the Pioneer Mill Co. in which you were advised that any further trouble relative to that account would result in charges being preferred.

3. Unless you can satisfactorily explain your actions in connection with the alleged transaction with Mr. Livingston, with your authority for disposing of property which is reported not to belong to you, it is the intention of the Superintendent to prefer formal charges against you in accordance with the Regulations, looking to your dismissal from the Lighthouse Service.

4. This Office can no longer tolerate the frequent recurrences of complaints from your creditors, and irrespective of the action taken in this instance, you must immediately arrange your affairs so as to avoid any further annoyances of this kind.

I have for some time tried to collect four notes overdue from Mr. Wm. Enoka at Kalaupapa Light House. As I have had no reply from him of recent date, I thought it proper to address your department regarding the matter, as it is understood that government employees are expected to meet all personal obligations.

I loaned him money for the purchase of a Star Automobile on May 22, 1924. At the time I took twelve monthly notes,- eleven for $40, and one for $51, all at 8%. I still retain ownership of the auto, but understand that he has "sold" it to someone else without my consent.

The notes still due me with interest amount to $193.77 up to October 22, 1925.

I will appreciate anything you might do for me in this matter.

Sir:-

I would like to ask for an alteration on my leave from Feb. 1-31 to July 1925. for the following reasons:-

During the months prior to June or July its quite wet at Palaau Homesteads, home of my wife and children to be, the lumber gets all wet and putting such lumber in means out of plumb and probably more disastrous than that.

At this time so many families are coming home that they can not accomadate every body with the hauling of the lumber, which means a delay to me.

I expect to build the bungalow myself with the help of my wife.

In July the days are longer and more work can be accomplished with the little time I have.

Dear Madam:

Mr. Enoka has asked me to write you regarding his good intentions in securing a homestead on Molokai for the benefit of you and your children. He assures me that he wishes to do all that he can for you and the children consistent with the necessity for his continuing his work at Molokai Light Station.

You will appreciate I am sure that a man must earn money to support his family and that usually he must go where his work takes him. Under such circumstances it is necessary for his family to do their part by helping him to make the best plans for their benefit.

As long as Mr. Enoka is at Molokai Light Station it seems to me that a homestead at Kaunakakai where you can be within easy reach of each other and where the children can be in school would be an excellent plan. That is something you must decide for yourselves of course. You have a splendid family of children and some day they will be a blessing and comfort to you worth many times the hard work and sacrifices you must make for them now while they are small. I shall be pleased to know that you and Mr. Enoka can decide on a plan which will allow you both to do your best for your children.

1. After consideration of your report, with those of the Keeper and 2d Assistant Keeper, relative to your part in the trouble between Mrs. Enoka and Mrs. Halealau on May 29, the Superintendent regrets that you should have permitted such unseemly conduct without protest or attempt to prevent it; but will take no further action at present other than to cancel your annual leave, scheduled for December, and to caution you to hereafter control the affairs of your family in such manner that the peace of the station will not again be disturbed or other occupants of the reservation molested.

2. It is unfortunate that circumstances such as these should occur to injure your record in the service, especially since the records show that you were cautioned May 10, 1919, for improper conduct toward the Keeper, and again October 5, 1923, for absenting yourself from duty without authority. In addition to cautions noted above, this office has been put to considerable inconvenience by your creditors and by the necessity of insisting on your keeping your agreement to make regular monthly payments on your accounts.

3. The Superintendent believes that you have been shown every reasonable consideration, and should this office again be called on to take action on any similar matters in which you are involved, recommendation will be made to the Commissioner of Lighthouses for your suspension or dismissal.

Looking into this account we find Enoka, prior to September 1919 paid his bills regularly, and we supposed he would continue to do so.

In the matter of collection, we think we have been very lenient with Enoka, as his average payment figures $1.60 per month; he having paid $87.00 on $146.45 from September 1919 to date, a period of 54 months.

We trust Enoka will continue regular monthly payments, and in case of his failure to do so shall immediately notify you.

1. The attention of this Office has been brought recently to the fact that you have failed to keep your agreement with the Pioneer Mill Company's Lahaina stores for the payment of your account there.

2. You agreed on September 16, 1922 to pay this Company $5.00 each month until this bill was paid. The Lahaina stores advise that the only payments which you have made on this account are as follows:-

February, 1922,	$5.00
December, 1922	5.00
March, 1924	7.00

3. Your attention is called to "Instructions to Employees, 1915", page 12, Article 32, which states, "All persons in Lighthouse Service must pay their honest, just and legal debts. Failure to do so will be considered cause for dismissal."

4. This Office has experienced considerable annoyance through correspondence and personal calls of your creditors and collectors, and in view of your disregard of the agreement made in 1922, you are advised that any further report of this character from any of your creditors will cause this Office to prefer charges looking to your dismissal from the Service, in accordance with the Regulations.

5. You will therefore immediately communicate with all your creditors direct, make definite arrangements for monthly payments on your debts, and see to it that you keep your agreements. The Pioneer Mill Company's Lahaina Store has been requested to advise this Office, should you fail to make a payment on your account each month hereafter.

6. In this connection, you are requested to make a report by return mail as to whether you have completed settlement upon the account of Mr. E. Herrick Brown, bookseller, Honolulu, about which account this Office communicated with you on October 2, 1922.

Gentlemen:-

1. Referring to your letter of March 27, 1924, relative to the account of William K. Enoka, First Assistant Keeper at Molokai Light Station, Kalaupapa, you are advised that this Office has on file what purports to be a copy of the letter addressed to you by Enoka on September 16, 1922, which reads as follows:-

"Commencing October, 1922, I will make monthly payments of $5.00 each."

2. Kindly advise this Office whether you received a letter of this character, in view of your statement that you were not aware that he had agreed to make regular small monthly payments.

3. You are advised that Enoka has been instructed to continue these monthly payments at once, in accordance with his original agreement, and you will confer a favor on this Office by reporting immediately the first month in which he fails to make the payment to you.

4. This Service has always endeavored to avoid any reflection on the integrity of its personnel, which, throughout, is generally held at a high grade; for this reason the Regulations of this Service require its employees to pay their just debts.

5. Because of the uniformly low scale of compensation of the employees in this Service, however, it would be desirable that lenient terms be given, provided the employee shows a disposition to honor his indebtedness and reduce its amount as he is able. As was called to the attention of the American Factors on September 18, 1922, in connection with this same account, the comparatively low pay of the employees in the position of Enoka would seem to make it a questionable policy for anyone to extend them too much credit. Their pay is ample, however, to maintain themselves and families respectably and to meet all reasonable obligations.

Dear Sir:—

In answer to your letter of the 5 inst. I wish to report that I returned for duty on Thursday morning Oct 4 at 6 a.m.

I am very sorry to learn that a statement had been made by the Keeper saying that I insisted taking my leave with out authority.

His orders to me were:—
I should return to duty on his departure Oct 4. and that I have been allowed 21 days continuous leave by the Supt of Lighthouses.

A similar statement was made to the 2nd Asst Keeper.

On those groundings I took my leave, had he said some thing then, that

1. After consideration of your report, with those of the Keeper and 2d Assistant Keeper, relative to your part in the trouble between Mrs. Enoka and Mrs. Haleamau on May 29, the Superintendent regrets that you should have permitted such unseemly conduct without protest or attempt to prevent it; but will take no further action at present other than to cancel your annual leave, scheduled for December, and to caution you to hereafter control the affairs of your family in such manner that the peace of the station will not again be disturbed or other occupants of the reservation molested.

2. It is unfortunate that circumstances such as these should occur to injure your record in the service, especially since the records show that you were cautioned May 10, 1919, for improper conduct toward the Keeper, and again October 5, 1923, for absenting yourself from duty without authority. In addition to cautions noted above, this office has been put to considerable inconvenience by your creditors and by the necessity of insisting on your keeping your agreement to make regular monthly payments on your accounts.

3. The Superintendent believes that you have been shown every reasonable consideration, and should this office again be called on to take action on any similar matters in which you are involved, recommendation will be made to the Commissioner of Lighthouses for your suspension or dismissal.

1. After consideration of your report, with those of the Keeper and 2d Assistant Keeper, relative to your part in the trouble between Mrs. Enoka and Mrs. Haleamau on May 29, the Superintendent regrets that you should have permitted such unseemly conduct without protest or attempt to prevent it; but will take no further action at present other than to cancel your annual leave, scheduled for December, and to caution you to hereafter control the affairs of your family in such manner that the peace of the station will not again be disturbed or other occupants of the reservation molested.

2. It is unfortunate that circumstances such as these should occur to injure your record in the service, especially since the records show that you were cautioned May 10, 1919, for improper conduct toward the Keeper, and again October 5, 1923, for absenting yourself from duty without authority. In addition to cautions noted above, this office has been put to considerable inconvenience by your creditors and by the necessity of insisting on your keeping your agreement to make regular monthly payments on your accounts.

3. The Superintendent believes that you have been shown every reasonable consideration, and should this office again be called on to take action on any similar matters in which you are involved, recommendation will be made to the Commissioner of Lighthouses for your suspension or dismissal.
