Mrs. Isabelle A. Ervin
[illegible] West Sixth Avenue
Tillamook, Oregon

My dear Mrs. Ervin:

Headquarters is in receipt of a letter from the Veterans Administration Reginal Office in Portland, Oregon, advising us of the death of Mr. Wallace Ervin, Keeper, Former Lighthouse Service, now United States Coast Guard, Retired, on 1 May 1951. Please accept my sincere sympathy.

At the time of death there was due the estate of Mr. Ervin final retired pay. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of the final pay are herewith inclosed.

If there will be no legal representative to administer the estate of the deceased, the next of kin, or the person who paid, or will pay the funeral expenses should execute the inclosed Form 1055, claim for final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the inclosed waiver form. This information is necessary to support the claim for the final retired pay.

In the event you have in your possession any uncashed retired pay checks these should be returned to Coast Guard Headquarters for settlement with your claim for the retired pay due on the date of death.

When the inclosed forms have been completed, please return them to Coast Guard Headquarters in the inclosed pre-addressed envelope which requires no postage.

By direction of the Commandant.

Very truly yours,

Incls.

Mr. Wallace Ervin,
Assistant Keeper,
Coquille River Light Station
(Through the Keeper)

August 27, 1928.

1. Referring to your letter of August 26,1928, requesting to be considered for the vacancy in the position of Second Assistant Keeper at Umpqua River Light Station or for a position as Assistant at some other light station:

2. There is a vacancy in the position of Second Assistant at Umpqua River Light Station, the pay range of which position is $1140 to $1440. As you occupy the first range in your position at Coquille River Light Station, your transfer to Umpqua River Light Station would be to the first step in the range of the position, that is, $1140 per annum. If you desire transfer to this station at reduced pay as explained herein, telegraph this office of such intention and an effort will be made to have the transfer made in the near future while the ROSE is in the vicinity. The ROSE can then also transfer your household effects.

3. There is also a vacancy in the position of Second Assistant Keeper at New Dungeness Light Station, the pay range of which is $1200 to $1500. In case you desire transfer to that station, your initial pay there would be $1200 per annum. Should you desire transfer to thisstation, the ROSE while in that vicinity of Coquille, could bring your household effects from Coquille River Light Station to Astoria and it is expected that the HEATHER would be able to convey the effects from Astoria to New Dungeness Light Station within about the next three weeks.

4. If you desire either of these positions you should telegraph this office at once. Your telegram should be sent prepaid without expense to this service.
