Gentlemen:

Reference your file Misc-Z-519241.

Inclosed is a letter of Mrs. Lulu Farrow, widow of Joseph D. Farrow (Deceased), a retired member of the former Lighthouse Service, in which she claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid Mr. Farrow on net salary, for the period January 1, 1936 to June 4, 1936, the date of his death. In this connection reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1097.94 per annum, whereas, for the period January 1, 1936 to June 4, 1936, Mr. Farrow was paid at the rate of $1082.79 per annum, an underpayment of $15.15 per year, or $1.26 per month. Computation of the amount due and appropriations chargeable are as follow:

13-66414 Retired Pay, Lighthouse Service, 1936 . . . . . $ 6.46

For tax withholding purposes, the records of this office do not show the number of exemptions claimed by Mr. Farrow.

Mrs. Farrow's mailing address is Buxton, N. C., and her claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Very truly yours,

LIGHTHOUSES
Nov 6 8 44 AM '36

OFFICE SUPERINTENDENT OF LIGHTHOUSES, Fifth DISTRICT,

Norfolk, Virginia, November 5, 1936

COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation of the following-named employee:

Name, Joseph B. Farrow — Position, 2d Asst. Keeper.

Legal residence, Virginia — Station, Tangier Sound Light Station.

Salary, $1440 per annum

The acceptance of this resignation is recommended effective at the close of Nov. 5, 1936.

This employee has not taken leave in excess of the accrued rate.

Remarks: It will be noted that the attached resignation does not give an adequate notice; however, in this case, it is recommended that the resignation be accepted without prejudice. Mr. Farrow has been in this Service only a little over six months. Recently it has come to my attention that he has been unable to perform his full share of duties at the light station, claiming ill health. He was directed to report to the Marine Hospital for an examination, but no physical defects could be located. It is my belief that he is entirely unsuited for the type of work to be performed at light stations, and his resignation is in the interest of the Service.

OFFICE SUPERINTENDENT OF LIGHTHOUSES, Fifth DISTRICT.

Norfolk, Virginia, November 5, 1936

COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation of the following-named employee:

Name, Joseph B. Farrow — Position, 2d Asst. Keeper.

Legal residence, Virginia — Station, Tangier Sound Light Station.

Salary, $1440 per annum

The acceptance of this resignation is recommended effective at the close of Nov. 3, 1936.

This employee has not taken leave in excess of the accrued rate.

Remarks: It will be noted that the attached resignation does not give an adequate notice; however, in this case, it is recommended that the resignation be accepted without prejudice. Mr. Farrow has been in this Service only a little over six months. Recently it has come to my attention that he has been unable to perform his full share of duties at the light station, claiming ill health. He was directed to report to the Marine Hospital for an examination, but no physical defects could be located. It is my belief that he is entirely unsuited for the type of work to be performed at light stations, and his resignation is in the interest of the Service.

My Dear Sir:

I am writing to request that you kindly furnish me a record of my service in your department.

I first served in the Lighthouse Service in the Chesapeak Bay for approximately 16 months, then entered the U. S. Coast and Geodetic Survey, being first assigned to the U. S. S. "Isis", and later transferred to the U. S. S. Surveyor. While in this service and on the U. S. S. Surveyor, the boat was taken over by the Navy Department in World War I. I served on this boat during the war, and when she was returned to the Coast Survey, I remained on her until about March, 1919. I then entered the Merchant Marine, being operated by the U. S. Shipping Board.

Your compliance with this request will be greatly appreciated.

Yours very truly,

Joseph Benjamin Farrow

INSTRUCTIONS.

1. Great care must be exercised in marking men for their professional qualifications, conduct, and value to the Survey, as these marks are the guides by which the fitness of men for the service and for the positions of petty officers are judged.

2. It is understood that marks for proficiency in rating for any period of time show the intelligence and zeal displayed by a man in his performance of all the particular duties of the rating held by him during that time; marks for seamanship show the ability and usefulness of a man in performance of all duties required of a seaman as well as his knowledge of all matters relating to seamanship; marks for sobriety and obedience should conform to a uniform system, in order that equal weights will be deducted for equally grave offenses and strict justice accorded to the shipped man.

3. When a mark below a 5 is assigned in sobriety or obedience for a quarter in which no offense has been committed, the cause for such action must be entered in the column of offenses.

4. All written requests of shipped men regarding discharge while without the limits of continental United States where they may have shipped, in which claims to transportation at Government expense may be waived, must, if granted, be entered in full on the service record.

5. When any shipped person deserts, or is dishonorably discharged for bad conduct, incompetency, inaptitude, or as an undesirable person for the U. S. C. & G. service, a report thereof on Form 226, with his complete descriptive list, must be sent to the Superintendent and to all vessels in the Service. The fact that such report has been sent must be noted on the service record.

6. In event of death or desertion, fill out form on this record.

7. Transfers from one ship to another will be indicated hereon by "T."
