1. Replying to your letter of February 20th making application for transfer to Barbers Point Light Station in event of a vacancy, you are advised that there is no immediate prospect of such vacancy. In this event, the Superintendent will be glad to consider your transfer to Makapuu Point as principal keeper at that time if you desire to be considered.

1. It is probable that a vacancy in the Service will occur within a short time which will make it possible and desirable to transfer you to Makapuu Point Light Station as principal keeper. It will be necessary to make this transfer at the pay authorized for the same grade in the range at Makapuu Point which you now have at Molokai. Your salary at Makapuu Point therefore would begin at $1620. It is probable that this will be increased within a reasonable time as the pay ranges at Makapuu are expected to be increased on account of the radiobeacon at that station.

2. Advise this office whether or not you would accept this transfer if offered in the event of a vacancy.
