General Accounting Office
Claims Division
Washington 25, D. C.

Gentlemen:

Claim of Manuel Ferreira (219-792) BM1, U. S. Coast Guard (Retired), for an increased rate of retired pay over that rate which he was receiving during the period 1-30 June 1946, is referred to your office for direct settlement. This claim for an increase in his retired pay is based on the fact that he was in receipt of "saved rate" of retired pay during the period 1-30 June 1946, excluding $240.00 per annum for quarters. Comptroller General's decision B-70029, dated October 23, 1947, allowed former Lighthouse Service personnel to include the quarters allowance in computing their rate of retired pay.

For tax withholding purposes, the records of this office show that Mr. Ferreira claims two exemptions.

Inclosed is Treasury Department Form 2249, showing the rate of pay he was receiving at the time of his change in status - from civilian to military. Also inclosed is a copy of his retirement letter dated May 31, 1946.

By direction of the Commandant.

Very truly yours,

TO WHOM IT MAY CONCERN:

This is to certify that I have known Manuel Ferreira approximately 29 years. His general reputation in the community is considered excellent. He is moreover exceptionally industrious and is trustworthy to the highest degree.

Mr. Ferreira has had the reputation of being one of the best Lighthouse Keepers in the Honolulu District during the past twenty years. In fact he has consistently attained the highest rating of all keepers in the district by reason of his industry and strict attention to his duties. It is my considered opinion that Mr. Ferreira is at the present time one of the best light keepers in the Honolulu District.

From long observation I can say that his personal conduct, as well as his official action, is of the very best.

Reprimand. March 27, 1915.

Mr. Manuel Ferreira,
Assistant Keeper, Barbers Point Light Station, T.H.
(Through Lighthouse Inspector, Honolulu, T. H.)

Referring to the recent investigation at your station, it appears that you used improper language to and were disrespectful toward the keeper, and that there is a lack of harmony between your family and the family of the keeper. Your attention is invited to the Instructions for the Personnel, 1911, par. "Obedience to orders," page 143, which provides that all persons in the Lighthouse Service are required to obey readily and strictly the lawful orders of their superiors, that they shall show their superiors the proper deference and respect; and to page 150 of the Instructions referred to, where it is provided that employees will be held responsible for the personal conduct of their families residing on premises belonging to the Service. Your attention is also invited to the Inspector's letter to you dated October 16, 1914, cautioning you that failure to carefully discharge your duty, or a further indulgence in disrespectful language toward the keeper would result in more severe action being taken.

After careful consideration, it has been decided that no more drastic action will be taken at this time than to reprimand you for your violation of the Instructions above referred to, to reduce your pay at the rate of $5 per month for six months, and to warn you to always conduct yourself in accordance with the Instructions for the Per-

sonnel. A further report and recommendation will be made in your case in the near future, at which time, if you have not shown decided improvement, consideration will be given to taking more severe disciplinary measures in your case.

The fact that y o u have been reprimanded will be noted on the records as part of your official history.

Commissioner of Lighthouses:

The Department acknowledges receipt of the Bureau's communication of the 16th instant, and enclosures, relative to the inharmonious relations existing between Robert I. Reid and Manuel Ferreira, keeper and assistant keeper, respectively, of Barbers Point Light Station, T. H.

The Department has carefully noted the Bureau's comments in the case and has approved its recommendations. Appointments have accordingly been issued to Messrs. Reid and Ferreira reducing the pay of the former to $636 per annum and of the latter to $480 per annum, for a period not to exceed six months, effective March 20, 1915, or as soon thereafter as they enter on duty at the decreased rates of pay. The Bureau has been authorized to address a letter of reprimand to each person, with the understanding that the Inspector will be directed to make further report at the end of four months, at which time the Bureau will recommend such action as the circumstances seem to warrant. It is noted that copies of the letters of reprimand will be furnished the Department for its files.

APPOINTMENT DIVISION ENTERED MAR 23 1915 DEPT. OF COMMERCE

CHANGE REPORTED MAY 1915 U. S. COMMISSION.

March 20, 1915.

The Assistant Secretary:

There is attached hereto communication dated the 16th instant from the Bureau of Lighthouses transmitting correspondence from the Inspector of the Nineteenth District relative to trouble between Robert I. Reid and Manuel Ferreira, keeper and assistant keeper, respectively, of Barbers Point Light Station, T. H.

It appears from the Department's records and the correspondence in the case that Messrs. Reid and Ferreira have not been able to work together in harmony, and that they and their families have made a practice of engaging in petty quarrels.

The Inspector, regarding the keeper as responsible for the proper conduct of the station, has recommended his dismissal upon charges of petty tyranny, malicious injury, and disobedience. He recommends that the assistant keeper be reprimanded by the Commissioner for misconduct and disobedience, and that he be given a further trial.

The Bureau states, however, that it does not concur in the Inspector's recommendations and recommends that it be authorized to address a letter of reprimand to the keeper and assistant keeper; that the pay of the keeper be reduced from $756 to $636 per annum for a period not to exceed six months; and that the pay of the assistant keeper be reduced from $540 to $480 per annum for a like

period. It seems that the Bureau is of the opinion that disciplinary action at this time will serve the purpose of restoring harmony between the keepers and requests that it be authorized to direct the Inspector to make further report and recommendation in each case at the end of four months from the effective date of the temporary reductions, at which time such further action may be taken as the circumstances warrant.

March 16, 1915.

Subject: 19th Inspector's 2 letters, Feb. 23d, and inclosures, relative difficulties between Robt. I. Reid and Manuel Ferreira, keeper and asst. keeper, Barbers Point Light Station.

Submitted to Secretary of Commerce for his information and with statement that the Bureau does not concur in the recommendation from the office of the Nineteenth Inspector that Robert I. Reid be dismissed from the Service at this time.

The Bureau, after careful consideration of all the papers, recommends that it be authorized to address a letter of reprimand to keeper Reid and assistant keeper Ferreira, a copy of each letter to be submitted to the Department for its files; that the Department issue new appointments to keeper Reid and assistant keeper Ferreira, reducing them from keeper and assistant keeper at $756 and $540 per annum, respectively, to keeper and assistant keeper at $636 and $480 per annum, respectively, effective March 20, 1915, or as soon thereafter as they enter on duty at the decreased rates of pay, to continue for a period not to exceed six months, and that the Inspector be required to make a further report and recommendation in each case at the end of 4 months from the effective date of the temporary reductions, in order that proper Department action may be taken before the expiration of the six months in question.

The above recommendation is made for the reason that it appears that the difficulty at this station is caused chiefly by quarreling between the keepers. The Bureau, however, does not at this time recommend that it be authorized to separate the two employees concerned, but considers it desirable to obtain further report and recommendation from the Inspector at the end of the period stated, at which time such further action may be taken as the circumstances seem to justify.

See copies of letters of caution addressed to these employees by the Inspector on October 16, 1914, sent Department October 29, 1914.

Referring to the Keeper's recent complaint that you have been somewhat indifferent in carrying out instructions in connection with a part of your work.

Referring further to the Keeper's recent complaint that you referred to a certain statement made by his daughter, relative to your wife's treatment of her, as being a lie, thereby precipitating a quarrel between yourself and Keeper, and finally between your family and the Keeper's family.

In view of the fact that upon the Inspector's inspection of your station on October 13th, and inquiry into the Keeper's complaints, same having been sufficiently established as to warrant such action, you are hereby cautioned that further failure to carefully discharge your duty, or a further indulgence in unrespectful language towards the Keeper or his family, will result in more severe action by proper authority.

Oct. 16, 1914.

Mr. Manuel Ferreira,

Assistent Keeper, Barbers Pt. Light Station,

(Through the Keeper)

Bureau of Lighthouses, Washington
October 29, 1914.

Submitted to Secretary of Commerce for his information.

Commissioner.

Sir:

Referring to the Keeper's recent complaint that you have been somewhat indifferent in carrying out instructions in connection with a part of your work.

Referring further to the Keeper's recent complaint that you referred to a certain statement made by his daughter, relative to your wife's treatment of her, as being a lie, thereby precipitating a quarrel between yourself and Keeper, and finally between your family and the Keeper's family.

In view of the fact that upon the In spector's inspection of your station on October 13th, and inquiry into the Keeper's complaints, same having been sufficiently established as to warrant such action, you are hereby cautioned that further failure to carefully discharge your duty, ~~as~~ or a further indulgence in unrespectful language towards the Keeper or his family, will result in more severe action by proper authority.

The fact that you have been cautioned will be noted as a part of your Official record.

Commissioner of Lighthouses.

Report and recommendation is made herewith regarding Mr. Manuel Ferriera, Asst. Keeper at Barbers Point Light Station, Oahu, T. H., who was implicated in the recent trouble between the keepers at that station. In this connection reference is made to the case of Mr. Robert I. Reid, Keeper of Barbers Point Light Station, as set forth in separate letter of this date.

The Bureau is informed that although the investigation into the conduct and behavior of the Asst. Keeper, on the occasion referenced above, showed him to have been guilty of the use of improper language and disobediance toward the Keeper in partial retaliation of the latter's admitted like treatment of him, it appears that his greatest fault is his lack of moral strength and judgement sufficient to enable him to withstand the persistant nagging and abuse of the Keeper.

Judging from Mr. Ferriera's willingness and apparent earnestness, and in consideration of the extenuating circumstances present in this case, it is believed that with proper instruction and different surroundings he would make an average good Keeper.

In view of the above and in consideration of the fact that this employee was recently cautioned by letter from this office, it is recommended that Mr. Manuel Ferriera be reprimanded by the Commissioner for misconduct and disobediance and that he be given a further trial.

In the absence and by direction of the Inspector:

A. C. Palmer

Superintendent.

McC.

Reprimand. March 27, 1915.

Mr. Manuel Ferreira,
Assistant Keeper, Barbers Point Light Station, T.H.
(Through Lighthouse Inspector, Honolulu, T. H.)

Referring to the recent investigation at your station, it appears that you used improper language to and were disrespectful toward the keeper, and that there is a lack of harmony between your family and the family of the keeper. Your attention is invited to the Instructions for the Personnel, 1911, par. "Obedience to orders," page 143, which provides that all persons in the Lighthouse Service are required to obey readily and strictly the lawful orders of their superiors, that they shall show their superiors the proper deference and respect; and to page 150 of the Instructions referred to, where it is provided that employees will be held responsible for the personal conduct of their families residing on premises belonging to the Service. Your attention is also invited to the Inspector's letter to you dated October 16, 1914, cautioning you that failure to carefully discharge your duty, or a further indulgence in disrespectful language toward the keeper would result in more severe action being taken.

After careful consideration, it has been decided that no more drastic action will be taken at this time than to reprimand you for your violation of the Instructions above referred to, to reduce your pay at the rate of $5 per month for six months, and to warn you to always conduct yourself in accordance with the Instructions for the Per-

sonnel. A further report and recommendation will be made in your case in the near future, at which time, if you have not shown decided improvement, consideration will be given to taking more severe disciplinary measures in your case.

The fact that you have been reprimanded will be noted on the records as part of your official history.

Acting Commissioner.

Memo.

The attached nominations for transfers of Keepers Keamu, Ferreira, Amalu, and Akana, in the 19th Dist. were handed to me at the Dept. this morning. The Dept. has raised a question in connection with these transfers especially as to whether they are being made at the request of the keepers concerned. The grounds for this question seems to be that Add'l Kpr. Keamu is recommended for transfer to Prin. Kpr. at Molokai (which is the highest paid position involved in the transfers) which involves demotions of Keepers Ferreira and Amalu. The only explanation given by the Supt. is that the transfers are agreeable to all concerned.

1932 MAY - 11 - AM 9:43

OFFICE OF SUPERINTENDENT, 19TH DISTRICT
HONOLULU, HAWAII

April 27th, 1932.

COMMISSIONER OF LIGHTHOUSES:

1. With reference to Bureau unnumbered circular of April 12, 1932, paragraph 2 thereof, there are transmitted herewith nominations for increase in compensation of Assistant Keepers at Kilauea and Makapuu Point Light and Radiobeacon Stations, each of the nominations covering increase of Assistant Keepers who are at this time in the first step of the old range.

2. Also transmitted herewith is nomination for increase in compensation of Manuel Ferreira, Keeper, Makapuu Pt Lt & Radiobeacon Station, who is now in the sixth step of the old range, and it is presumed that the Bureau, along with the other nominations, will place Mr. Ferreira in the sixth step of the present range.

3. It will be noted that it is requested that increases be effective June 1st. At the present time, taking into consideration increases as result of change in keepers at Kilauea and Molokai Lt Stations, there is a surplus under the appropriation, Salaries, Keepers of Lighthouses, 1932, of $840.84. It is assumed that it was the Bureau's intention to withdraw this surplus upon receipt of corrected Form 5 of April 18, 1932, but in view of the enclosed nominations, it is requested that only $815.84 be withdrawn if increases are effective June 1st. If the increases are to be retroactive, effective date to be April 1st, the Bureau is requested to make necessary allowances when withdrawing surplus under this appropriation in order that it will be unnecessary to request additional allotment before close of present fiscal year.

4. In connection with the foregoing, the request for allotments for fiscal year 1933 will of necessity have to be changed insofar as the keepers appropriation is concerned, the total required for fiscal year 1933 being $22,300. instead of $22,000.

5. It is respectfully requested that this District be advised of Bureau action taken on these nominations in order that necessary amounts may be set up in the allotment account.
