Reference is made to your letter dated September 23, 1953, in regards to an application for Quarters Allowance for myself and daughter. Please be advised that no application has been filed by FIELDING, Paul F. (221-352)BMC in our behalf.

Dear Sir:

This office is in receipt of a letter from subject named man stating that he had been notified by your office that his insurance had been terminated due to non-receipt of premiums.

Records at this office indicate that the insured retired from the Coast Guard on 9 September 1956 and that he established an allotment in the amount of $4.95 with month of first payment September 1956, The allotment is still in effect.

In view of the fact that when insurance premiums are paid by allotment all insurance records are maintained in the Central Office, it is requested that the necessary steps be taken to effect the return of subject named man's insurance records. Please advise this office what action is being taken.

Very truly yours,

CHAPTER 07
SETTLEMENT FOR PROVISIONS PROCURED

★4B07001 **GENERAL INSTRUCTIONS.** The commissary officer shall promptly obtain all certified bills from commercial sources and all priced invoices from government sources. He shall see that they are itemized in all cases; a bill stating that $14.83 is owed for items furnished the commuted ration mess of the USCG Neversail for the month of May 1955, is not an itemized bill. He shall check them against the purchase orders and delivery slips to determine that all items billed were actually received. He shall check the correctness of the item prices, the correctness of the extensions (quantity received times the item price), and the correctness of the total. He shall check to insure that the dealer's certification (in the form prescribed in para 4B05007-4) is present. Then the commissary officer shall certify each bill or invoice as to receipt of the items listed therein in the following form:

"I certify that the provisions listed in this bill (invoice) were received and accepted during the month of _____, and are proper for charge to Account 20X8414, Commuted Ration Fund, Coast Guard.

Signed _____, _____
Commissary Officer Unit Name and OPFAC No.

Finally he shall forward the bills and invoices to the cognizant district commander (f) as soon as possible. No public voucher forms need be prepared. If a supplying activity of a government source forwards a request for payment to the unit in the form of a voucher, said voucher will be forwarded immediately to the cognizant district commander (f). All procurement of provisions by a commuted ration mess shall be charged to the funds of that mess and settlement for such purchases will be made by the cognizant district commander (f).

1. **AFLOAT UNITS.** Besides observing the instructions given above, the commissary officer of a commuted ration mess aboard an afloat unit shall observe the requirements of para 4A07001-1.

★4B07002 WHEN PROCUREMENT MADE FROM CG MESSES

1. GENERAL MESSES. When provisions have been obtained by a commuted ration mess from a general mess of a Coast Guard unit, the commuted ration mess will receive a completed copy of CG-2581 (Issue/Sales Slip) or CG-2556 (Requisition-Invoice) used by the general mess to record the sale. The transaction will be handled by the commuted ration mess in the same manner as any other purchase. Reimbursement to the general mess for provisions so obtained will be made by the cognizant district commander (f).

2. COMMUTED RATION MESSES. When provisions have been obtained by a commuted ration mess from another commuted ration mess, Form CG-2581 (Issue/Sales Slip) or CG-2556 (Requisition-Invoice) will be used. The transaction will be handled in the same manner as any other purchase. If the same district commander (f) is administering the finances of both units, the reimbursement shall be effected by adjustment of accounts. If two district commanders (f) are involved, the transaction will be handled by the cognizant district comptrollers.

★4B07003 WHEN PROCUREMENT MADE FROM NAVY OR OTHER GOVERNMENT SOURCES

When provisions have been obtained by a commuted ration mess from Navy activities or other government sources, invoices shall be submitted to the cognizant district commander (f).

Subj: National Service Life Insurance, termination of waiver of premiums Public Law 23, 82nd Congress, re-establishment of allotment upon retirement 1 September 1956

1. The records at Headquarters indicate that you applied for a waiver of premiums on $5,000 National Service Life Insurance and authorized discontinuance of the allotment in the amount of $4.25 with month of last payment July 1954.

2. Your attention is called to the fact that while on waiver of premiums the term period of your $5,000 National Service Life Insurance issued under policy number V 14 034 254 expired on 3 September 1954 and by operation of Public Law 23, 82nd Congress, was automatically renewed for an additional 5-year period. However, under the provisions of Public Law 23, 82nd Congress, payment of premiums on this insurance must be resumed by the insured within 120 days after the date of separation from active service. To guard against any possible lapse of your insurance, it will be necessary that you authorize the establishment of an allotment in the amount of $4.95 effective with the month of first payment December 1956, which is the rate for the renewed policy.

3. The necessary Allotment Authorization, NAV. S & A Form 545 is enclosed. It is requested that you sign this form at the place indicated and return it promptly to Commandant (PS). A pre-addressed envelope is enclosed for your convenience.

I further understand that if I am not qualified for reenlistment that I may be held to this extension of enlistment.

Ref: (a) Investigation convened 26 June 1952 by order of Commander, 12th CG District

1. The finding of facts in the referenced investigation, in which you were a party, reveals that you were derelict in the performance of your duty in that you as Gunnery Officer of the USCGC LIGHTSHIP RELIEF (WAL 504) and as custodian of U.S. Government pistol No. 3384 during the period from 15 May 1952 to 22 June 1952, failed and neglected to make regular and frequent inspections of the security of this pistol, and carelessly permitted ready accessibility to others of the keys of the locker in which the pistol was stowed. As a result of your negligence, said pistol was lost from a locker of the USCGC LIGHTSHIP RELIEF (WAL 504).

2. You are hereby admonished for your negligence in this matter which was contrary to the standards of care required of Coast Guard personnel to whom Government property is entrusted.

3. A copy of this letter will be made a part of your official record.

4. Before addressing this letter to you, you were given an opportunity to offer any other matter in mitigation, extenuation, or defense; however in your letter of 14 July 1952 you stated that you had no matter of this type to offer. You are advised that you still have a right to appeal in accordance with Par. 134, MCM, 1951. You are directed to reply without delay, through official channels, and to state therein the date of receipt of this communication and any appeal you may desire to make.

1. In accordance with Alcoast 143-45, you are notified that your last permanent rating is BMlc.

2. For your information, from 1 October, 1939, to 31 July, 1943, all advancements of enlisted personnel in the Regular Coast Guard to petty officer ratings were provisional whereas up to 31 July, 1943, reserve ratings were permanent ratings in the reserve. Subsequent to 31 July, 1943, all petty officer ratings both reserve and regular have been temporary except for specific cases authorized by HQ for meritorious service in action. Alcoast 143-45 makes the rating held by enlisted personnel on 31 July, 1943, permanent, if the individual is deemed qualified for that rating.

(b) Concealment of, misrepresentation as to, or failure fully to divulge, present or previous conduct or associations of the character set forth herein, at time of making application for enlistment in any component of the ~~Naval Service~~ COAST GUARD is hereby denominated fraudulent, and action shall be taken in the ~~Naval Service~~ COAST GUARD or the facts made known to appropriate civil authorities as the law may provide in such cases.

(c) Upon indication that any person who has unsuccessfully sought admission to the ~~Naval Service~~ COAST GUARD has misrepresented, concealed, or failed fully to divulge previous conduct or associations of the character set forth above, the Command having cognizance thereof may present the facts to appropriate law enforcement officers of any jurisdiction whose laws have been thereby infringed. Upon discovery of such fraudulent certification subsequent to enlistment or appointment, the ~~Chief of Naval Personnel~~ COMMANDANT may, in his discretion, direct either such summary and drastic procedures as may otherwise be provided by law, or such other action as the surrounding circumstances may require.

1. In compliance with paragraph (2) of reference (a), the Certificate of Loyalty for subject-named man is forwarded herewith.

2. Due to a lack of reproduction facilities at this unit, a number of forms were borrowed from the local Naval Reserve Recruiting Office for the purpose of executing these Loyalty Certificates. Where such terminology as "Chief of Naval Personnel" and "Naval Service" appeared, they were inked out and the appropriate Coast Guard terminology inserted with pen and ink. It is believed that these Navy forms, as the wording and list of organizations agree with that contained in PC 7-50, are entirely adaptable for this purpose.

Dear Admiral McElligott:

I have been advised by Mr. Paul J. Paterni, Special Agent in Charge of our San Francisco office, that on July 26, 1953 Mr. Donald B. Ref: (a) Investigation convened 26 June 1952 by order of Commander, 12th CG District

1. The finding of facts in the referenced investigation, in which you were a party, reveals that you were derelict in the performance of your duty in that you as Gunnery Officer of the USCGC LIGHTSHIP RELIEF (WAL 504) and as custodian of U.S. Government pistol No. 3384 during the period from 15 May 1952 to 22 June 1952, failed and neglected to make regular and frequent inspections of the security of this pistol, and carelessly permitted ready accessibility to others of the keys of the locker in which the pistol was stowed. As a result of your negligence, said pistol was lost from a locker of the USCGC LIGHTSHIP RELIEF (WAL 504).

2. You are hereby admonished for your negligence in this matter which was contrary to the standards of care required of Coast Guard personnel to whom Government property is entrusted.

3. A copy of this letter will be made a part of your official record.

4. Before addressing this letter to you, you were given an opportunity to offer any other matter in mitigation, extenuation, or defense; however in your letter of 14 July 1952 you stated that you had no matter of this type to offer. You are advised that you still have a right to appeal in accordance with Par. 134, MCM, 1951. You are directed to reply without delay, through official channels, and to state therein the date of receipt of this communication and any appeal you may desire to make.

1. Reference is made to FIELDING's letter dated 22 January 1953, bearing endorsements, returning Check No. 697,634 in the amount of $100.00 which was in settlement of his claim for mustering-out payment, Act of 1952.

2. Investigation discloses that original claim was submitted to Commandant (P) with request for certified copy of DD Form 214 per his letter of 9 September 1952 (A6-6) bearing your First Endorsement, same date, and Second Endorsement, Commander, 12th CG District (p), 10 September 1952. There have been so many requests for certified copies of these forms received by Commandant (PS) that there has been some delay due to time required for preparation thereof. However, requests were filled in the order of their receipt and claims were then processed for payment as quickly as possible.

3. Information is requested regarding payment of FIELDING's duplicate MOP claim without prior cancellation of original claim pending settlement by HQ.

Option 3 or 4 may not be selected where the beneficiary is a firm, corporation, legal entity (including the estate of the insured), or trustee. If no option is selected by the insured, settlement will be made in 36 equal monthly installments but the designated beneficiary may elect to receive settlement under Option 2, 3, or 4. If the insured selects Option 1, the beneficiary upon the death of the insured may elect Option 2, 3, or 4. In the event of the death of such beneficiary, the present value of any unpaid guaranteed installments will be payable to the estate of the beneficiary to the exclusion of any contingent beneficiary designated by the insured. If insured selects Option 2, 3, or 4 and the principal beneficiary and contingent beneficiary dies before receiving the guaranteed number of installments thereunder, the present value of such remaining unpaid installments will be payable to the estate of the insured. No payment will be made to any estate where such payment would escheat.

THE INSURED MAY SELECT MORE THAN ONE OPTION AND SEPARATE OPTIONS FOR SEPARATE BENEFICIARIES. If the insured selects Option 2, 3, or 4, he may *NOT* name a contingent beneficiary to receive the present value, in one sum, of any remaining unpaid guaranteed installments upon death of the principal beneficiary. Under such circumstances, the contingent beneficiary upon the death of the principal beneficiary will receive during his or her lifetime the remaining unpaid guaranteed monthly installments as they become due *IN ACCORDANCE WITH THE MODE OF SETTLEMENT ESTABLISHED AT THE TIME OF DEATH OF THE INSURED.* If the insured selects one of the installment options for the principal beneficiary, he may select a different option for the contingent beneficiary, to be effective in the event the principal beneficiary dies before receiving any payments.

2. SIGNATURE OF INSURED.—Signature of insured should be in ink and witnessed by a person other than a designated beneficiary.
3. DISPOSITION OF THIS FORM.—*WHEN COMPLETED, THIS FORM SHOULD BE FORWARDED IMMEDIATELY TO THE OFFICE OF THE VETERANS ADMINISTRATION HAVING JURISDICTION OF POLICYHOLDER'S INSURANCE RECORDS.*
