Bos'n Frymire is a hard worker and a capable, well-rounded officer. He is a "plugger" and makes up for any lack of brilliancy by hard work and an earnest desire to get the job done. He has made good progress in acquiring the special knowledge requisite in a buoy tender and not common to other Coast Guard craft. He is recommended for promotion at the earliest opportunity.

Mr. Frymire is outstanding in all respects. During this present cruise his ability in handling cargo and making difficult landings on beaches with LCM's and LCVP's has been of great aid. Likewise, this very ability has aided the ship in that by his teaching and demonstration of excellent seamanship have taught the new personnel also how to properly handle such landings. His conduct is exemplary and his courtesy and military bearing are excellent. He is strongly and heartily recommended for appointment to permanent Boatswain.

During the last cruise of the KUKUI Mr. Frymire was outstanding in all respects in the performance of his duties. Through his leadership, industry and loyalty many tasks were accomplished expertly and expeditiously. His ability in handling LCM's and LCVP's in the landing operations at Loran Stations and the subsequent unloading of heavy equipment through surf and on difficult beaches was an example of excellent seamanship. He is an excellent watch officer. Not only is he considered fully qualified to hold the temporary rank he now holds as a permanent rank, but is also considered qualified for promotion to commissioned rank at the first opportunity.

14. Is this officer professionally qualified to perform ALL the duties of his grade? Yes ____ No ____ If deficient in any particular, comment is required. Give in this space a clear, concise estimate of this officer's personal and military character, his fitness for promotion, and duty performed worthy of special mention, and any information which might be of value to the Department in making assignments to duty. A check opposite "No," except for inexperienced Ensigns, or a statement that performance of duty is clearly unsatisfactory constitutes an unsatisfactory report. A statement of minor deficiencies either in character or performance of duties constitutes an unfavorable report. (THIS SPACE IS NOT TO BE LEFT BLANK.)

This is this officer's first assignment in Commission Grade. The transition is not yet complete, but as the markings indicate, he is a valuable and likeable officer.

15. An *unsatisfactory report* must have statement of officer reported on attached; an *unfavorable report* requires that officer reported on has been informed of his deficiencies either verbally or in writing. Has this been done? ____ What improvement, if any, has been noted? ____

Dear Mrs. Frymire:

Information has been received at Coast Guard Headquarters of the death of your husband. I wish to extend to you and your family my sincere sympathy in your great loss.

You can be assured that we at Coast Guard Headquarters will help you in every way possible to facilitate applying for Federal Benefits that may be available to you.

The enclosed benefit guide briefly explains the assistance and survivor benefits furnished by the Coast Guard as well as other government agencies. The enclosed forms are forwarded to aid you in promptly filing for Veterans Administration benefits, Uniformed Services Identification and Privilege Card and a Headstone or Marker to which there may be entitlement.

Your husband designated you to receive the final pay due at his death. Four forms No. SF-1174, Claim of Designated Beneficiary of Unpaid Pay and Allowances of Deceased Member of the Uniformed Services, are to be completed in the presence of two witnesses and signed by you. Return the original and two copies of the claim to this office.

An annuity was provided for you by your husband under the Survivor Benefit Plan. In order that the Coast Guard may begin full payment of your annuity, it is requested that you sign forms No. DD-1884, Application for Annuity, on the front and back and return them with a copy of your marriage certificate and your husband's death certificate. VA form No. 21-534, Application for Dependency and Indemnity Compensation by Widow or Child, should be completed and forwarded to your local VA office in order for them to adjudicate your claim for possible entitlement.

1. Forwarded, approved and urgently recommending favorable consideration.

2. In accordance with reference (a), CHBOSN Burton Y. FRYMIRE is scheduled to be replaced by CHBOSN Marion D. HULBERT from WAL-523. In so far as known CHBOSN HULBERT has had no prior recent experience in explosive loading. It is conceded that CHBOSN HULBERT in accordance with his request dated 11 October 1954, file P16-4/OW, should be relieved as Commanding Officer, WAL-523; however, the serious situation confronting the COTP rendered more serious with the return to inactive duty, about 15 September 1955, of LTJG WINSTON must be presented for Headquarters' consideration.

3. The shortage of experienced petty officers and turn over during the past few months of personnel, both officer and enlisted, assigned to the explosive loading detail COTP, San Francisco has precluded proper training and indoctrination of new personnel detailed to that duty. Further transfer of those experienced officers and petty officers now assigned may well lead to a serious accident in the handling of explosives at this port.

4. It is recommended that CHBOSN FRYMIRE be retained at least one more year in his present assignment until the officer situation at COTP is stabilized, and training in explosive loading can be accomplished. If practicable another relief should be found for CHBOSN HULBERT since he has been assigned lightship duty for 3 years, 3 months and merits requested reassignment.

Ref: (a) H/L (PO-2) P16-4/OW of 27 June 1955, Order No. 511386

1. It is requested that reference (a) be cancelled and that Mr. FRYMIRE remain at this unit for at least another year.

2. Mr. FRYMIRE reported to this unit on 15 April 1954, his primary duty has been explosive loading supervisor, an assignment in which he has acquired considerable experience and for which he is well qualified.

3. This office has only three (3) officers and two (2) Warrant Officers who are well trained and presently available for explosive loading supervision. The three (3) officers are all Reserves, the first of which is scheduled for release in September 1955. The last three (3) officer replacements reporting to this office are Reserve Ensigns with little or no experience. In order to properly train these officers in the exacting duties connected with explosives loading it is necessary to have a nucleous of experienced officers, preferably regular Coast Guard Officers with a background of shipboard experience.

4. During the last quarter this unit supervised the handling of more than 25,000 tons of Class "A" and military explosives. At times three (3) vessels have been loading simultaneously on a 24 hour basis, in different locations. Operations on this scale require a maximum number of experienced officers. A further reduction in experienced officer personnel at this time will inevitably result in reduced operating efficiency of this unit.

UNITED STATES COAST GUARD
WASHINGTON 25, D. C.

27 May, 1949

From: Commandant
To: Commander, 11th CG District

Subj: Officer Assignments; Eleventh Coast Guard District

1. In response to your letter of 13 May, 1949 (71-701), you are advised that an early replacement for Lieutenant (j.g.) Harrison B. Smith may be expected. There is no replacement immediately available for Lieutenant (j.g.) Herman F. Helgeson as Officer-in-Charge, Point Vincente Radio Station; it is planned to assign a radio electrician to this billet at the earliest practical date.

2. Concerning the MINNETONKA, it may be anticipated that Lieutenant (j.g.) Donald C. Davis and Ensigns Darrel W. Starr and Eli C. Nielson will be detached in the near future. In accordance with your recommendation Ensign Starr will be assigned to the BLACKTHORN. The other two officers are currently slated for assignment outside the 11th District.

3. There is a possibility that Boatswain Burton Y. Frymire will be promoted to chief boatswain, if this occurs it is planned to transfer him from the BLACKTHORN to Point Arguello Lifeboat Station vice Lieutenant (j.g.) Carl Erickson. The latter officer would then be available for reassignment and, since he is a temporary officer, Headquarters would prefer to retain him in his present district. It is felt the only suitable position available is as XO of the MORRIS in lieu of Lieutenant (j.g.) Payne - the latter officer to be transferred outside the District. Your comment on this move is requested.

4. No plans have been considered regarding recruiting officers pending determination of the recruiting picture for next year. Your recommendations in case one of the stations is eliminated are invited.

Subj: Revocation of appointments for temporary service; discharge; re-enlistment

1. By virtue of the authority provided by an Act of Congress approved July 24, 1941 (Public Law No. 188 - 77th Congress), as amended, the President of the United States revoked your appointments for temporary service effective 24 June, 1946, subject to the provisions contained herein. On that date you will revert to your permanent enlisted status provided you wish to be discharged and re-enlisted in the Coast Guard prior to 30 June, 1946. 1. Reference is made to your letter dated 28 June, 1944, file CG-71.

2. In the advancement in permanent rating of enlisted personnel holding temporary appointments as officers, it is the policy of Headquarters that such advancements conform with current requirements of other enlisted men in the same service group.

3. Since 1 August, 1943, no further changes in permanent status of enlisted personnel are being effected except in the cases of men advanced for meritorious conduct in action. Even if Ensign Frymire were not holding his present temporary officer appointment, he would not be eligible for a permanent appointment as a chief petty officer as he would not have completed his probationary period as a chief petty officer prior to 1 August, 1943. To award him such an appointment, would be contrary to current requirements for other enlisted men in the same service group.

Subj: Ensign Burton Y. Frymire; disapproval of permanent appointment as chief boatswain's mate within enlisted status

1. Reference is made to your letter dated 28 June, 1944, file CG-71.

2. In the advancement in permanent rating of enlisted personnel holding temporary appointments as officers, it is the policy of Headquarters that such advancements conform with current requirements of other enlisted men in the same service group.

3. Since 1 August, 1943, no further changes in permanent status of enlisted personnel are being effected except in the cases of men advanced for meritorious conduct in action. Even if Ensign Frymire were not holding his present temporary officer appointment, he would not be eligible for a permanent appointment as a chief petty officer as he would not have completed his probationary period as a chief petty officer prior to 1 August, 1943. To award him such an appointment, would be contrary to current requirements for other enlisted men in the same service group.

Inclosure: (1) Form 9555, case of subject man, 25 February, 1941.

1. Subject named man has requested that he be granted a change of rate from his present Yeoman, second class, to that of Boatswain's Mate, second class. He has been examined and found professionaly qualified as per inclosure (1).

2. It is recommended that authority for this change of rate be granted. Frymire was originally a Storekeeper, second class, and was given his present rate upon the abolishment of the storekeeper rates. He has never been particularly adaptable as a yeoman, and it is believed that the indicated change of rate will be benificial to both the man and the Service.

1. It is requested that I be transferred to Southampton Shoals Light Station as Assistant Keeper.

2. My reasons for this request are as follows: I have been attached to the Coast Guard Store for almost five years and desire a change of station. If possible, it is my intention to change my rating to Gunner's Mate in the future. It is believed that this change of station will offer me greater opportunity to better myself, as I do not care for yeoman work.

To: Burton Y. Frymire, A.S. (Via California Division, and Commanding Officer, NORTHLAND).

Subject: Examination for appointment as cadet.

Reference: (a) Your letter, 23 January, 1930 (730).

1. The Regulations governing the appointment of cadets provide certain units which a candidate must show before he can be considered as being qualified to take the cadet examination. Your letter states that you have only 11 of the necessary 14 units. One of these units is mathematics A2 (second year algebra) and another is ancient history. It is mandatory that a candidate furnish a certificate showing that he has received credit for these units in high school or a recognized preparatory school. In view of the fact that intermediate algebra and ancient history are both one year subjects in a resident high school, it is considered an impossibility for you to make up these units through a correspondence course with the Coast Guard Institute in three months.

2. For the reasons stated above, it is considered inadvisable that you attempt to prepare for the next cadet examination.
