January 14, 1916.

Commissioner of Lighthouses:

For the reasons set forth in the Fifth Inspector's letter of the 5th instant, and enclosures, and in accordance with the Bureau's recommendation of the 12th instant, the Department hereby waives the provisions of the lighthouse regulations, 1914, paragraph 469, section 5, which provides that at stations where two keepers are authorized neither keeper shall be absent more than four days without providing at his own expense a substitute satisfactory to the inspector, in order that the leave applications submitted by the following keepers may be approved:

John L. Ennis, keeper of Hooper Island Light Station, Maryland,

Gary E. Powell, assistant keeper of Great Shoals Light Station, Maryland,

Andere Simonson, keeper of Love Point Light Station, Maryland,

Victor L. Watson, keeper of Bluff Shoal Light Station, North Carolina.

The Department notes that during the calendar year 1915 George L. Fulcher, assistant keeper of Laurel Point Light Station, North Carolina, was absent from duty 4 days and 9 hours in excess of the amount of leave to which he was entitled under the regulations. In view of the fact, however, that he provided a substitute at his own expense during this period, the Department approves the Bureau's recommendation to the effect that no deduction be made from his pay on this account, but that

the Inspector be directed to withhold 4 days and 9 hours from Mr. Fulcher's leave allowance for the calendar year 1916.

The papers enclosed with the Inspector's letter are returned herewith.

OFFICE OF INSPECTOR, 5TH DISTRICT
BALTIMORE, MD.

Mar. 2, 1917

Commissioner of Lighthouses, Washington, D.C.

Keeper Clifton, Cape Lookout Light Station, N.C. wrote this office Oct. 25, 1916 asking when the station would be next visited by a representative of this office, as he had some matters of importance to talk over in regard to the personnel of the station.

This office wrote the keeper on Oct. 30, 1916 asking him to state in writing what the matter was. Under date of Nov. 13, 1916 the keeper wrote a long letter to this office stating what the trouble was.

On Nov. 25, 1916 the station was given its semi-annual inspection by the inspector in person. At this time the personnel differences were taken up with the keeper but owing to the absence from station of the assistant keeper it was impracticable to go into this matter at length. Accordingly, on the following day both the keeper and the second assistant keeper were heard by the Inspector at Beaufort, N.C. This preliminary hearing opened up such a number of charges and countercharges it appeared advisable to get the situation somewhat in hand through correspondence before making further local investigation. Accordingly, the keeper's letter of complaint as to second assistant keeper Fulcher was referred to the latter, for remark and return, which he did under date of Nov. 29, 1916. A great many charges and countercharges have been made and a lot of correspondence has accumulated in this case.

Chief Clerk Ruffhead was directed to proceed to the station and have

a hearing and endeavor to get at the bottom of the trouble at the station. This he did and his report dated Feb. 5, 1917 is inclosed together with the other papers in this case. After reading the Chief Clerk's report it was decided to prefer charges against second assistant keeper Fulcher, which was done, and his answer under date of Feb. 19, 1917 is inclosed herewith with remarks by the keeper dated Feb. 19, 1917.

CHIEF CLERK

DEPARTMENT OF COMMERCE
MAR 10 1917

After giving this matter considerable thought, the following recommendations are made:

(1) That second assistant George L. Fulcher be transferred from Cape Lookout Light Station, N.C. to the position of second assistant keeper at Smith Point Light Station, Va. Nomination herewith.

(2) That Loren E. Tillett, second assistant keeper, Cape Fear Light Station, S.C., 6th lighthouse district, be transferred to Cape Lookout Light Station vice Fulcher. Mr. Tillett has written this office several times expressing a wish to serve in this district. Nomination herewith.

(3) That no action be taken against the keeper or first assistant, as they seem to be performing their duties to the best of their ability.

Copies of all the attached papers may be retained except the report of the chief clerk, which has not been typewritten for lack of time.

Besides the above papers there is a lot of correspondence on this subject attached, arranged in chronological order, which after it has served its purpose should be returned for the files of this office.

The Department acknowledges receipt of the Fifth Inspector's letter of the 2nd instant, forwarded by the Bureau on the 9th instant, relative to the trouble between the keepers of Cape Lookout Light Station, North Carolina, and approves the recommendation that, as a result of the Inspector's investigations, George L. Commissioner of Lighthouses:

For the reasons set forth in the Fifth Inspector's letter of the 5th instant, and enclosures, and in accordance with the Bureau's recommendation of the 12th instant, the Department hereby waives the provisions of the lighthouse regulations, 1914, paragraph 469, section 5, which provides that at stations where two keepers are authorized neither keeper shall be absent more than four days without providing at his own expense a substitute satisfactory to the inspector, in order that the leave applications submitted by the following keepers may be approved:

John L. Ennis, keeper of Hooper Island Light Station, Maryland,

Gary E. Powell, assistant keeper of Great Shoals Light Station, Maryland,

Anders Simonson, keeper of Love Point Light Station, Maryland,

Victor L. Watson, keeper of Bluff Shoal Light Station, North Carolina.

The Department notes that during the calendar year 1915 George L. Fulcher, assistant keeper of Laurel Point Light Station, North Carolina, was absent from duty 4 days and 9 hours in excess of the amount of leave to which he was entitled under the regulations. In view of the fact, however, that he provided a substitute at his own expense during this period, the Department approves the Bureau's recommendation to the effect that no deduction be made from his pay on this account, but that

the Inspector be directed to withhold 4 days and 9 hours from Mr. Fulcher's leave allowance for the calendar year 1916.

Dear Sir:-

BUREAU OF LIGHTHOUSES ANSWERED 26 MAR 1917 DEPT. OF COMMERCE

I am in receipt of a letter from a reputable citizen and a constituent relating to Mr. George L. Fulcher, Assistant Keeper in Cape Lookout Light-House. It appears there has been some friction between Mr. Clifton, the Keeper and Mr. Fulcher. I am not advised as to the nature of the controversy, but evidence has been submitted which seems entirely credible, to the effect that Mr. Fulcher is a man of intelligence and good character, with an efficient record in the service. I am further advised that the Keeper has probably preferred some charges against Mr. Fulcher, and the main purpose of this letter is to request that full opportunity be given to Mr. Fulcher to present his side of this controversy. I am sure this request will meet favorable consideration. I shall be glad to hear from you at your convenience.

Commissioner of Lighthouses, Washington, D.C.

Keeper Clifton, Cape Lookout Light Station, N.C. wrote this office Oct. 25, 1916 asking when the station would be next visited by a representative of this office, as he had some matters of importance to talk over in regard to the personnel of the station.

This office wrote the keeper on Oct. 30, 1916 asking him to state in writing what the matter was. Under date of Nov. 13, 1916 the keeper wrote a long letter to this office stating what the trouble was.

On Nov. 25, 1916 the station was given its semi-annual inspection by the inspector in person. At this time the personnel differences were taken up with the keeper but owing to the absence from station of the assistant keeper it was impracticable to go into this matter at length. Accordingly, on the following day both the keeper and the second assistant keeper were heard by the Inspector at Beaufort, N.C. This preliminary hearing opened up such a number of charges and countercharges it appeared advisable to get the situation somewhat in hand through correspondence before making further local investigation. Accordingly, the keeper's letter of complaint as to second assistant keeper Fulcher was referred to the latter, for remark and return, which he did under date of Nov. 29, 1916. A great many charges and countercharges have been made and a lot of correspondence has accumulated in this case.

Chief Clerk Ruffhead was directed to proceed to the station and have

a hearing and endeavor to get at the bottom of the trouble at the station. This he did and his report dated Feb. 5, 1917 is inclosed together with the other papers in this case. After reading the Chief Clerk's report it was decided to prefer charges against second assistant keeper Fulcher, which was done, and his answer under date of Feb. 19, 1917 is inclosed herewith with remarks by the keeper dated Feb. 19, 1917.

After giving this matter considerable thought, the following recommendations are made:

(1) That second assistant George L. Fulcher be transferred from Cape Lookout Light Station, N.C. to the position of second assistant keeper at Smith Point Light Station, Va. Nomination herewith.

(2) That Loren E. Tillett, second assistant keeper, Cape Fear Light Station, S.C., 6th lighthouse district, be transferred to Cape Lookout Light Station vice Fulcher. Mr. Tillett has written this office several times expressing a wish to serve in this district.

(3) That no action be taken against the keeper or first assistant, as they seem to be performing their duties to the best of their ability.

Noted 1873

Copies of all the attached papers may be returned except the report of the chief clerk, which has not been typewritten for lack of time.

Besides the above papers there is a lot of correspondence on this subject attached, arranged in chronological order, which after it has served its purpose should be returned for the files of this office.

Dear Sir:

Referring again to your letter of February 22, 1917, with reference to the case of Mr. George L. Fulcher, second assistant keeper at Cape Lookout Light Station, North Carolina.

I have the honor to state that there having been some difficulty among the keepers at this station, the matter was carefully investigated, and as a result of this investigation the Assistant Secretary of Commerce directed the transfer of Mr. Fulcher to the position of second assistant keeper at Smith Point Light Station, Va., without change in pay. It is believed that the action decided upon by the Department is in the interests of the Lighthouse Service.

Mr. Fulcher was accordingly offered the position of second assistant keeper at Smith Point Light Station, but declined to accept the same, and on March 21, 1917, he submitted his resignation from the Lighthouse Service.

Very sincerely,

Commissioner.
