Claims Division
Washington 25, D. C.

Gentlemen:

Reference your file Misc-2883836.

Inclosed is a letter of Mr. Leonard W. Gabriel, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period 1 September, 1944 to 30 June, 1947. In this connection , reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $961.76 per annum, whereas, for the period 1 September, 1944 to June 30, 1947, Mr. Gabriel was paid at the rate of $836.51 per annum - an underpayment of $125.25 per year, or $10.44 per month.

Computation of the amount due and appropriations chargeable are as follows:

2051255-Retired Pay, Former Lighthouse Service, Coast Guard, 1945 -	$104.40
2061255-Retired Pay, Former Lighthouse Service, Coast Guard, 1946 -	125.25
2071255-Retired Pay, Former Lighthouse Service, Coast Guard, 1947 -	125.25
Total - - - - - -	$354.90

For tax withholding purposes, the records of this office show that Mr. Gabriel claims two exemptions.

Mr. Gabriel's mailing address is Box 35, Nahcotta, Washington, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Very truly yours,

16 APR 1948

Sirs:

Transmitted herewith for administrative examination and report is the claim of Leonard W. Gabriel, Box 35, Nahcotto, Washington, for the difference between retirement pay received based on net salary and that alleged to be due based on gross salary, as a former employee of the United States Lighthouse Service.

In connection therewith, it is requested that this office be furnished with copies of claimant's appointment, promotions, or any other personnel action taken while he was in a pay status for the five year period immediately prior to the date he became separated from the service and placed on retirement, together with a copy of his notice of retirement, showing the date retired and last day of duty.

It is also requested that a payroll voucher be furnished showing the basis on which his retirement pay was computed and the amount he would have received if his retirement pay had been based on his gross salary, together with any other pertinent facts relative thereto. The payroll voucher should include complete citation to the appropriation or appropriations from which paid from the beginning of his retirement to the present date.

The enclosure should be returned with your report.

Respectfully,

P. E. Sauer
Chief of Section.

Enclosure.

MEMORANDUM FOR CHIEF FINANCE AND SUPPLY OFFICER

Via: PERSONNEL BUDGET OFFICER

1. The Seattle District has recommended the transfer of Leonard W. Gabriel from the position of Keeper (7012) at $1560 ($1440-1800) per annum plus $240 for quarters at North Head Light Station, to a position of Keeper in the same range, salary, and quarters, at Cape Blanco Light Station. 7738

2. In view of the fact that the position of keeper at Cape Blanco Light Station has been discontinued, it is intended to authorize a new position of Keeper in the range $1440-1800 at $1560 per annum with quarters valued at $240 per annum payable from the appropriation "Civilian Employees".

3. The resulting vacancy at North Head Light Station will be discontinued coincident with the transfer of Mr. Gabriel.

quarters furnished at both stations

In reference to your letter of November 6 transmitting the nomination of Leonard W. Gabriel for transfer from first assistant keeper at New Dungeness Lightstation in the range $1260-1620 to the same position at North Head at his present pay of $1260 per annum, although in the range $1200-1560, giving as a reason for the proposed exception to the rule of making transfers to lower ranges at the corresponding step that on account of additional duties required of the keepers at North Head the ranges should be $60 higher:

The Bureau is returning your nomination of Gabriel, and since no change in pay is proposed the transfer may be effected and reported on Form 73a in duplicate.

As to increasing the ranges of the positions at North Head, this is impracticable at present. However, when the present restrictions of the Economy Act as to increasing ranges is removed, you may submit recommendation for reallocating the station, giving a clear and detailed statement of the reasons therefor.

1. There is transmitted herewith Form 73, nomination for the transfer of Leonard W. Gabriel from first assistant keeper, New Dungeness Light Station to the same position, North Head Light Station. This transfer is being recommended at his present rate of pay, although the range for North Head Light Station as now authorized is $60. less for each step.

2. North Head Light Station has been authorized lower ranges for its personnel for the reason that the three keepers had only the I O V light and no fog signal to care for. Since the authorization, however, of the present ranges there have been added to the duties of the keepers of this station the attendance of Cape Disappointment Light Station, which resulted in the discontinuance of two keepers formerly assigned to Cape Disappointment. On account of the additional duties assigned, the ranges of all keepers at North Head Light Station should be increased at least $60. per annum for each step in grades. This would be necessary to make the pay of this station comparable to other stations requiring an equal amount and similar work.

DEPARTMENT OF COMMERCE

Justification for Filling Vacancy under Authority of the Act Approved June 30, 1932.

Bureau or Office: Lighthouses, 17th District, Portland, Oregon.

Position: Keeper (1st asst.)

Compensation: $1260 (range $1260-1620) per annum

Location: New Dungeness Lightstation, Wash.

Appropriation: Salaries, Keepers of Lighthouses

Date of Vacancy: Approximately July 1, 1933

Justification: This vacancy will result from the retirement of the assistant keeper at Mukilteo Lightstation, whose pay is $1380, and the reassignment of the assistant keeper at New Dungeness to that vacancy without change in his present pay of $1380 p.a.

The complement necessary for the operation of the New Dungeness Lightstation is three keepers, and the filling of this vacancy is necessary in order to maintain the complement at a minimum strength. This position requires the performance of duties directly concerned with the maintenance and/or operation of aids to navigation which must be either in actual operation or ready for immediate service at all times. In order that this service may continue without interruption, it is absolutely essential that the position be filled. The non-filling of the position would interfere with the functioning of the aids and add to the hazards of navigation, thereby producing conditions endangering life and property.

It is proposed to fill the vacancy at New Dungeness by the transfer of the second assistant keeper from North Head Lightstation which will necessarily involve an increase in his present pay of $1200 to the minimum of the range above indicated, $1260. The resulting vacancy of second assitant keeper at North Head Lightstation will be filled by transfer of the second assistant keeper from Cape Blanco Lightstation with a reduction in pay from $1200 to $1140, and the vacancy which will result at Cape Blanco will not be filled. The present cost of the positions involved is $5160 p.a.; the proposed cost will be $3780 p.a., a saving of $1380 per annum to the appropriation.

In filling this position at New Dungeness the need for economy and retrenchment has been given full consideration, and notwithstanding the reduction in available appropriations the position is considered essential to be filled.
