Subj: Retired pay; explanation of

1. Receipt is acknowledged of your letter dated 14 July, 1947 relative to an explanation of undercredited active duty pay in the amount of $27.23 and NSLI allotment in the amount of $13.50.

2. The records indicate you were entitled to active duty pay @ $168.75 per month for the period 30 January,1947 to 31 May, 1947 $680.63

Credited active duty pay @ $162.00 per month for the same period on Pay Record closed 31 May, 1947 653.40

Undercredited $ 27.23

3. In May 1943 you authorized an allotment in the amount of $13.50 per month in payment of monthly premiums on your National Service Life Insurance to be deducted each month from your active duty pay. Your active duty pay record closed prior to retirement showed your National Service Life Insurance allotment carried forward, therefore deductions at the rate of $13.50 per month are being made from your retired pay.

4. Your retired pay check for the month of June 1947 in the amount of $140.29 was mailed on 10 July, 1947.

Concur 10/30

Commissioner of Lighthouses,

SUBJECT: Transfer of Leonard P. Galloway.
REFERENCE: Form 73a of this date.

Reference made to in paragraph 5 in submitting form 73a 10/30

1. On Oct. 20th Keeper Robert H. Cromley of Sapelo L.H., Ga., called this office by long distance telephone and requested that I go to the station at once to straighten out trouble between him and Asst. Keeper Leonard L. Galloway. I talked to both Cromley and Galloway over the telephone in an attempt to adjust matters but was unable to do so. So I went to the station as soon as practicable, arriving there on October 25th.

2. I spent four hours at Sapelo L.H. in an attempt to learn the truth about the trouble which had occurred. I talked to each one separately. I had the two of them together and questioned them, requiring each of them to address all of his remarks to me. I questioned the school teacher, Mr. Marion Blanton who boards with the Keeper. I questioned Mrs. Robert H. Cromley and Mrs. L. L. Galloway. The result was that I do not recall a single statement made by the Keeper with respect to the trouble which was not denied by the Assistant Keeper, and vice versa. The Keeper's wife corroborated his statements and the Asst. Keeper's wife corroborated his statements. The teacher, Mr. Blanton, said he had actually heard nothing nor had he seen certain alleged acts of the Asst. Keeper. His evidence was of a hearsay nature and was of no value. Not only had the Keeper and the Assistant quarrelled but their wives and children were involved. In fact I am inclined to think that the wives took more part in the trouble than the men. Unfortunately religious differences entered into the quarrel to increase its intensity and engender hatreds.

3. With respect to matters of which official cognizance could be taken the following is submitted. Galloway claimed that the trouble started when he, the Asst. Keeper, objected to all of the desirable watches being taken by Cromley, the Keeper. This the Keeper denied but he had to admit that he had taken the watch from sunset to midnight every night and required the Asst. Keeper to take the watch from midnight to sunrise. I called his attention to Art. 112 of Instructions to Employees of the U.S.L.H. Service, 1915, and directed that he observe it in future.

Keeper Cromley claimed that the trouble started when Galloway took kerosene to use in his oil stove after he had been informed that all of the fuel allowance this year had been supplied in coal. Galloway denies the Keeper's charge. Cromley claim that he saw him do it and Mrs. Cromley that she did too. Cromley claimed to be in fear of physical injury at the hands of Galloway, and even spoke of the possibility of being shot. Galloway said that his nine years of training in the Army had taught him better than to strike his superior officer. (I saw Galloway's Army discharges. His character was "excellent" on two and "very good" on one.)

CHILD WELFARE MAG

He had no gun or pistol, he said, and certainly would not use one if he had it.

4. Keeper Robert H. Cromley has been in the service for more than twenty years. All of his experience has been at the one station where his father and then his elder brother were keepers before him. He was promoted to principal keeper on July 1, 1926. He has had but little experience in dealing with men other than members of his family in an official capacity at the station. His conduct in this case showed a lack of discretion, even if it be admitted that what he claims is all true. On the other hand Galloway certainly conducted himself properly while in my presence and I was not convinced that he had concocted a lot of falsehoods to tell me. It seems useless to go into the matter in any greater detail. It was evident that the men and their families had to be separated. Galloway is still on probation but nothing had been been proved against him that would warrant him being dismissed from the service. Even if he had been at fault to some extent it would have been heartless to dismiss him at that isolated station with a sick wife and three young children dependent on him. The additional keeper in training position was vacant. The salary of the position is the same as he was receiving at Sapelo L.H. So I directed Galloway's removal from Sapelo L.H., together with his family and household goods. The MANGROVE picked them up on Oct. 27th and Galloway reported for duty at the Charleston L.H. Depot today, Oct.28th. Another additional keeper has been detailed temporarily to Sapelo L.H.

5. Immediate action was necessary and there seemed to be no other solution of the problem than I have reported. Approval of my action is requested. It is recommended that no further action be taken by the Bureau at this time.

H. L. Beck,
Superintendent of Lighthouses.

Submitted to the Secretary of Commerce, approved, justification being inclosed. Recommendation was submitted on May 6 for the advancement of Jones A. Pervis to the position vacated by the retirement on account of disability of former Keeper Pierce, and this recommendation is for filling the vacancy to result from Pervis' promotion.

The resulting vacancy of additional keeper in the 6th District will be filled by the reassignment of a keeper whose services will become surplus by reason of the discontinuance of a station, or its change to automatic, in that district.

DEPARTMENT OF COMMERCE

Justification for Filling Vacancy under Authority of the Act approved June 30, 1932.

Bureau or Office: 7th Lighthouse District, Key West, Fla.

Position: Keeper (1st. Assistant)

Compensation: $1500.

Location: Alligator Reef Lighthouse, Fla.

fill

Appropriation: Salaries, Keepers of Lighthouses

Date of Vacancy: May 31, 1933

Justification: This is an isolated station where it is mandatory that three keepers be stationed to properly maintain and operate this important aid to navigation to prevent not only deterioration of Government property but safeguard hundreds of lives and millions of dollars in ships and cargoes that constantly go up and down the Florida Reefs, the graveyard of a great number of vessels before the present efficient system of aids to navigation. Two keepers are required to be constantly at the station which allows one to be absent for obtaining supplies, mail, etc. and visiting families. The filling of this position is due to the disability retirement of the former principal keeper and the promotion of incumbent of 1st. Assistant Keeper to position of principal keeper. In justification of the above it is certified that it is absolutely necessary to fill this position to adequately provide facilities for the needs of navigation.

Position No. 1

DEPARTMENT OF COMMERCE

Justification for Filling Vacancy under Authority of the Act Approved June 30, 1932.

Bureau or Office: Lighthouses, 7th District, Key West, Fla.

Position: Keeper (First Assistant)

Compensation: $1440 ($1440-1800) per annum

Location: Alligator Reef Lightstation, Fla. (7th L. H. Dist.)

Appropriation: Salaries, Keepers of Lighthouses

Date of Vacancy: Promotion pending

Justification: This vacancy will come into existence through the promotion of the present incumbent, who receives $1560, to the position of principal keeper at this station, with salary at $1620, to succeed the last incumbent who was retired for disability on May 1, when his salary was $1860.

The complement necessary for the operation of this station is three keepers, and the filling of this vacancy is necessary in order to maintain the complement at a minimum strength. This position requires the performance of duties directly concerned with the maintenance and/or operation of aids to navigation which must be either in actual operation or ready for immediate service at all times. In order that this service may continue without interruption, it is absolutely essential that the position be filled. The nonfilling of the position would interfere with the functioning of the aids and add to the hazards of navigation, thereby producing conditions endangering life and property.

It is proposed to fill this vacancy by transfer of a keeper (relief) from the 6th Lighthouse District, with increase in pay from $1380 to $1440. The resulting vacancy of keeper (relief) will be filled by transfer and demotion from $1680 to $1500 of a keeper now assigned to Sapelo Lightstation, whose position is to be discontinued as part of the program of economy and retrenchment. The net result of these transfers will be a saving in the appropriation of $1920 per annum.

The pay ranges for this lightstation are established in accordance with approved classification of lightstation, and a pay rate not within the authorized range would disrupt the classification system.

In filling this position the need for economy and retrenchment has been given full consideration, and notwithstanding the reduction in available appropriations the position is considered essential to be filled.

Approved: Recommended by:

Secretary of Commerce.

Dear Madam:

Reference is made to your letter dated 4 April, 1950, relative to your husband, Leonard Leon Galloway (227-078), boatswain's mate, first class (retired).

The records at Coast Guard Headquarters show that your husband enlisted in the U. S. Coast Guard on 2 August, 1941, in the rating of boatswain's mate, first class. On 13 September, 1942, he was rated chief boatswain's mate (acting) and on 16 March, 1945, rated chief boatswain's mate. On 1 July, 1946, he was reduced in rating to boatswain's mate, first class, for the convenience of the Government, and retired in that rating on 1 June, 1947.

The Career Compensation Act of 1949 (Public Law 351, 81st Congress) provides that anyone heretofore retired will be advanced on the retired list to the highest rank, grade, or rating satisfactorily held by the individual. The highest rating held by your husband was that of chief boatswain's mate and any increase in retired pay will be dependent upon whether or not he satisfactorily served in that rating.

A board is examining the records of all retired personnel to determine the highest rank, grade, or rating held by them. Upon completion of this examination, your husband will be notified and his pay will be adjusted as necessary retroactive to 1 October, 1949.

By direction of the Commandant.

Dear Sir:

I am writing to ask your assistance in helping me to locate my father. His name is Leonard L. Galloway, and I last heard from him in 1939 when he was in the Lighthouse service as keeper at Key West, Fla. I have reason to believe that right after this he was transferred to the Regular Establishment as a Chief Petty Officer and may be retired now.

If you have his present mailing address I would be most appreciative if you would have it sent to me as soon as possible.

Thanking you for your assistance in this matter, I am,

Washington, D. C.

My dear Senator Pepper:

Reference is made to your letter dated 22 March, 1950, together with correspondence relative to Leonard Leon Galloway (227-078), boatswain's mate, first class (retired).

Under Section 511 of the Career Compensation Act of 1949 (Public Law 351, 81st Congress) which became effective 1 October, 1949, members of the Coast Guard heretofore retired shall be entitled to receive retired pay in the amount whichever is greater, computed by one of the following methods:

(a) The monthly retired pay in the amount authorized by provisions of law in effect on 30 September, 1949, or

(b) Monthly retired pay equal to 2½ percentum of the highest federally recognized rank, grade, or rating, whether under a temporary or permanent appointment, satisfactorily held, as determined by the Secretary, multiplied by the number of years of creditable active service.

A Board will determine the highest rank, grade, or rating satisfactorily held by enlisted men retired prior to 1 October, 1949, who had held a rank, grade, or rating higher than that in which retired.

It is not known at this time how soon the required determinations can be made. If it is determined that Galloway served satisfactorily in a rank, grade, or rating higher than that in which he was retired any increase in retired pay will be effective from 1 October, 1949.

Your interest is indeed appreciated and I trust that the above will advise you.

The correspondence forwarded with your letter is returned.

Sir:

I would like to ask you as an Senator from the State of Florida to help me to get an higher rating for my Husband.

My Husband Leonard L.Galloway,(Serial NO:227-078) U.S.Coast Guard has some 30 years with the Govermet service.
9 years 6 months U.S.Army.
15 years U.S.Light house Dept.:
5 years in the U.S.Coast Guard

My husband was interducted into the U,S,Coast Guard as Boatsman mate 1st class. one year later was made Chief Boatsman Mate and held that rating during the war.

After the war the Coast Guard reduced all ratings of inlested man back to their rating before the war, this reduced my husbands rating back to Boatsman Mate 1st class.

Most generally an inlested man is advanced one grade uponretiring,this was not done by or for my husband.

I would like to ask you Senator if you can get my husband rating back to Chief Boatsman Mate,this would give us more money to live on as we have 2 (TWO) children age 11 years and 5 years,besides paying house rent.

My Husbands present retirement pay is $ 181.17 per month. Reduction of $13.50 for Insurance which gives us $ 167.67 per month.

Thanking you for this Favor

LIGHTHOUSES

1926 OCT 29 PM 3 53

OFFICE OF SUPERINTENDENT, 6TH DISTRICT
CHARLESTON, S. C.

October 28, 1926.

Commissioner of Lighthouses,

SUBJECT: Transfer of Leonard P. Galloway.
REFERENCE: Form 73a of this date.

1. On Oct. 20th Keeper Robert H. Cromley of Sapelo L.H., Ga., called this office by long distance telephone and requested that I go to the station at once to straighten out trouble between him and Asst. Keeper Leonard L. Galloway. I talked to both Cromley and Galloway over the telephone in an attempt to adjust matters but was unable to do so. So I went to the station as soon as practicable, arriving there on October 25th.

2. I spent four hours at Sapelo L.H. in an attempt to learn the truth about the trouble which had occurred. I talked to each one separately. I had the two of them together and questioned them, requiring each of them to address all of his remarks to me. I questioned the school teacher, Mr. Marion Blanton who boards with the Keeper. I questioned Mrs. Robert H. Cromley and Mrs. L. L. Galloway. The result was that I do not recall a single statement made by the Keeper with respect to the trouble which was not denied by the Assistant Keeper, and vice versa. The Keeper's wife corroborated his statements and the Asst. Keeper's wife corroborated his statements. The teacher, Mr. Blanton, said he had actually heard nothing nor had he seen certain alleged acts of the Asst. Keeper. His evidence was of a hearsay nature and was of no value. Not only had the Keeper and the Assistant quarrelled but their wives and children were involved. In fact I am inclined to think that the wives took more part in the trouble than the men. Unfortunately religious differences entered into the quarrel to increase its intensity and engender hatreds.

3. With respect to matters of which official cognizance could be taken the following is submitted. Galloway claimed that the trouble started when he, the Asst. Keeper, objected to all of the desirable watches being taken by Cromley, the Keeper. This the Keeper denied but he had to admit that he had taken the watch from sunset to midnight every night and required the Asst. Keeper to take the watch from midnight to sunrise. I called his attention to Art. 112 of Instructions to Employees of the U.S.L.H. Service, 1915, and directed that he observe it in future.

Keeper Cromley claimed that the trouble started when Galloway took kerosene to use in his oil stove after he had been informed that all of the fuel allowance this year had been supplied in coal. Galloway denies the Keeper's charge. Cromley claim that he saw him do it and Mrs. Cromley that she did too. Cromley claimed to be in fear of physical injury at the hands of Galloway, and even spoke of the possibility of being shot. Galloway said that his nine years of training in the Army had taught him better than to strike his superior officer. (I saw Galloway's Army discharges. His character was "excellent" on two and "very good" on one.)

He had no gun or pistol, he said, and certainly would not use one if he had it.

4. Keeper Robert H. Cromley has been in the service for more than twenty years. All of his experience has been at the one station where his father and then his elder brother were keepers before him. He was promoted to principal keeper on July 1, 1926. He has had but little experience in dealing with men other than members of his family in an official capacity at the station. His conduct in this case showed a lack of discretion, even if it be admitted that what he claims is all true. On the other hand Galloway certainly conducted himself properly while in my presence and I was not convinced that he had concocted a lot of falsehoods to tell me. It seems useless to go into the matter in any greater detail. It was evident that the men and their families had to be separated. Galloway is still on probation but nothing had been been proved against him that would warrant his being dismissed from the service. Even if he had been at fault to some extent it would have been heartless to dismiss him at that isolated station with a sick wife and three young children dependent on him. The additional keeper in training position was vacant. The salary of the position is the same as he was receiving at Sapelo L.H. So I directed Galloway's removal from Sapelo L.H., together with his family and household goods. The MANGROVE picked them up on Oct. 27th and Galloway reported for duty at the Charleston L.H. Depot today, Oct.28th. Another additional keeper has been detailed temporarily to Sapelo L.H.

5. Immediate action was necessary and there seemed to be no other solution of the problem than I have reported. Approval of my action is requested. It is recommended that no further action be taken by the Bureau at this time.

H. L. Beck,
Superintendent of Lighthouses.
