1. The Bureau is informed that the Superintendent received today a telegram from Keeper, Mort Galvin, Marrowstone Point Light Station requesting that a keeper be detailed in his place to permit him to proceed to a hospital for treatment. Upon receipt of said telegram this office temporarily detailed Charles D. Whitehead, Assistant Keeper, Point Wilson Light Station for duty at Marrowstone Point Light Station during keeper Galvin's absence on account of illness. It is expected that Assistant Keeper Whitehead will arrive at Marrowstone Point Light Station for duty sometime today. The complement at Marrowstone is one keeper only.

2. The nature of keeper Galvin's illness is not known to this office and it is not known how long Whitehead's detail may last.

3. This detail was necessary in the interests of the service. It was impracticable to defer the detail of Whitehead until prior authority could be received from the Bureau. The Bureau will be advised when the detail ends.

4. It does not appear necessary at present to detail an Assistant Keeper, nor to request the authorization of an additional keeper to fill Whitehead's position at Point Wilson Light Station. If necessary a laboror will be employed temporarily to fill Whitehead's place at Point Wilson under the provisions of Bureau Circular No. 365 of February - 1923.

Gentlemen:

Referring to the Department's letters of May 5 and July 27, and August 22, 1904, and to the Board's replies thereto, in reference to the nonreceipt by the Department of the oaths of Mort Galvin and Gust A. Lahl, first assistant keepers of Cape Sarichef and second assistant keepers of Southwest Five Finger Islands Light-Stations, Alaska, respectively, the Board is informed that these oaths have not yet been received.

In this connection the Board's attention is invited to its letter of August 18, 1904, in which it was stated that a light-house tender was to be sent to these stations in western Alaska during September, when the keepers would be enabled to take the required oaths. The Department desires to impress upon the Board the necessity of obtaining these oaths and transmitting them to the Department at the earliest possible date.

Sirs:

With reference to the Board's letter No. 5951, 1 August, 1904, requiring a report upon the authority for payments of salary to Mr. Mort Galvin, Second Assistant Keeper at Scotch Cap Light Station (now First Assistant at Cape Sarichef Light Station), I have to refer to my letter of 19 May, 1904, wherein an explanation of his failure to take the oath of office was submitted.

No cumminication of any kind was received from this station between October, 1903, and July, 1904, and it has not yet been practicable for Mr. Galvin to take the oath of office for either of the positions to which he has been appointed. It is proposed to send a notary public to both the light-stations in Western Alaska during the coming month in a Light-House Tender, thus enabling the Keepers to file their oaths of office.

It was assumed that, as the delay in taking and forwarding the oath of offiee was not the fault of the employee, the original appointment would justify the payment of his salary under the peculiar conditions governing the case.

Very respectfully,

Gentlemen:

The Department is in receipt of the Board's letter of June 1 in the matter of the proposed transfer and promotion of Mr. Mort Galvin to the position of first assistant keeper at Cape Sarichef Light-Station, Alaska.

It appears from this letter that Mr. Galvin has not taken the oath of office under either his probationary or absolute appointments, the failure of which is explained, in a measure, by the infrequent means of communication with the Alaskan stations.

The original appointment issued by the Secretary of the Treasury to Mr. Galvin, on May 4, 1903, provided that his compensation should be at the rate of $600 per annum for a probationary period of six months from April 15, 1903, subject to taking the required oath of office. As it appears, from the Board's letter of June 1, that Mr. Galvin has not complied with the terms of his appointment, in that he has not taken the required oath of office, the Department would be pleased to receive the Board's explanation of the authority under which he has been paid.

Referring to Department letter of 9 May '04, relative to the transfer and promotion of Mr. Mort Galvin to the position of First Assistant Keeper at Cape Sarichef, Alaska, Light-Station, and stating that the records of the Department do not show that the oath of office taken by Mr. Galvin under either his probationary or absolute appointments has been received, the Board has the honor to state that the matter was referred to the Inspector of the 13th Light-House District.

That Inspector reports that it has not been practicable for Mr. Galvin to take the oath since his arrival at the station, but it is probable that he will be able to do so during the summer. The means of communication with the Alaskan stations being quite infrequent, it is impossible to communicate with the keepers except when an occasional steamer is sent there to attend to the Light-House business. The Board will take proper measures to have all oaths of

1. There are transmitted herewith Forms 9 and 9a covering disability retirement of Mort Galvin, Keeper of Point Wilson Light Station. Two separate forms 9 with computation by two different methods are inclosed. One allows 30/40ths pay on basis of more than 30 years service providing for allowing him credit for 3 years, 9 months, 15 days service in the Navy. Although he receives a pension, it is understood that it is on account of his service in the Spanish-American War from April 21, 1898 to May 11, 1899. It, therefore, appears that he should receive credit for all navy service except that rendered during the Spanish-American War for which he receives a pension. The other form eliminates all navy service and provides service credit of 29-286/360/40ths which gives a little less retirement pay.

Dear Mrs. Galvin:-

It is with sincere regret that I learn of Mr. Galvin's death on January 29, and I trust you will accept my sympathy in your bereavement. In my opinion Mr. Galwin typified the very best ideals of this Service in his devotion to duty, pride in the operation and upkeep of his station and the application of his best ability in furtherance of the interests of the Service.

Mr. Galvin's record is an outstanding example of the personal service which has contributed largely to the high regard in which the Lighthouse Service is held by the maritime public generally. It is a pleasure to note on review of his record that there has been no occasion throughout his long term of service beginning in May,1903 to his retirement November 1,1932 for any criticism of his work or conduct and on the other hand that he has earned special efficiency awards on several occasions, including the efficiency pennant for his station in 1931. His retirement was a distinct loss to the district as is his death now to those in the Service who had the pleasure of his acquaintance and friendship.

With kindest wishes for your future, I am

Sincerely yours,

R.R.Tinkham
