The Commissioner of Lighthouses:-

SUBJECT:- Annual leave, Foreman Rafael García.

1. Foreman Rafael García entered on duty as a foreman in this district July 21, 1919. He has made application for annual leave beginning July 15, 1925 to be taken in the States. In his status as foreman he is not entitled to travel time under the Regulations, nor to accrued leave.

2. Mr. García has spent many years in the States, received his education there and attended University of Cornell. While nominally employed as foreman in this office, he virtually has been carrying on the work at times of an Assistant Superintendent. He was the resident inspector on the point Borinquen Light Station work which turned out so well for the Government and has been largely responsible for the designing and drafting of the Depot wharf and other structures undertaken by this district since his employment. For these and other reasons it is considered that he merits special consideration in the way of leave privileges and I have to recommend, if practicable, in this special case that he be allowed travel time and that his leave be allowed to accumulate for two years as in the case of appointed employees.

3. Mr. García has been for the last year in poor health and is requesting this leave to recuperate his powers by a change of sorroundings and climate.
