LOYALTY CERTIFICATE FOR PERSONNEL OF THE ARMED FORCES

INSTRUCTIONS ON THE USE OF THIS FORM

The Department of Defense has the authority to establish and promulgate detailed procedures to implement the national policy relating to loyalty of persons entering on duty with the Armed Forces. This has been determined by appropriate authority to include restrictions as to membership in or association with certain organizations and of certain standards of conduct. If Federal Constitutional Privilege against self-crimination; i. e., the making of a statement which will expose you to criminal trial, is claimed about all or any part of any conduct, membership, or association in question you may so claim by stating in the space indicated "Federal Constitutional Privilege is Claimed" or "Federal Constitutional Privilege is Claimed as to ....," describing the specific part of any conduct, membership, or association about which claim is made.

Concealment of, misrepresentation as to, or failure to divulge in full, conduct or associations of the character set forth in the provisions, at the time of execution of these certificates in any component of the Department of Defense may constitute grounds for discharge, separation, or other disposition of personnel, and action shall be taken by the Armed Forces for causing trial before a general court martial, or the facts will be made known to appropriate civil authorities, as the law may provide in such cases. Upon indication that any person has misrepresented, concealed, or failed to divulge in full previous conduct or associations of the character set forth, the Service having responsibility thereof shall take appropriate action.

Consequently, you must read the following provisions as to membership in or association with certain organizations and as to standards of conduct very carefully and be sure you understand them. If there is anything which you do not understand in either of these sets of provisions or in the certifications to be made, ask a commissioned officer to explain them to you. When you are certain that you understand both the provisions and the certificates, complete the certificates and sign them in the presence of a witnessing officer. Penalties for making a false statement may be very severe.

1. Reference is made to your letter of 10 February 1955, file P17-2/MM, with endorsement thereon.

2. Your service aboard the forty (40) foot buoy boat No. 40329D is not considered sea duty as such vessel is not an operating commissioned vessel. In view of this, you do not qualify for advancement to chief boatswain's mate.

Ref: (a) Personnel Circular No. 29-54

1. Pursuant to reference (a) in which it is stated that No. 31 presently on the eligibility list for Chief Boatswain's Mate was passed over due to the lack of certain qualifications, it is requested that this case be reconsidered.

2. It is felt by the undersigned that the qualifications which are referred to in reference (a) are lack of sea duty. I was assigned to the CG Group, Elizabeth City, North Carolina from 1 May 1950 to 31 December 1954. During this time I served aboard the 40 foot buoy boat No. 40329D attached to that unit. It is believed that this duty is classed as sea duty and if this is correct, I qualify in all respects for advancement to Chief Petty Officer under the present provisions of the Coast Guard.

INSTRUCTIONS: Evaluation should *not* be based upon general impressions; it should be based upon actual, observed performance. The mark given in one trait should not influence the mark given in another trait. Men can be expected to vary in strength from one trait to another. Complete and careful observation should support a mark in each one of the sixteen listed traits.

The following is a step by step procedure for using this form:

1. Consider the first trait listed in the left column.
2. Read the descriptive phrases listed to the right of the trait.
3. Decide which of these descriptive phrases best describes the individual.
4. Mark the individual in one of the boxes under the most fitting descriptive phrase.
   a. These boxes run from the least favorable at the left, to the most favorable at the right.
5. Repeat this same procedure for each of the listed traits, keeping in mind that each trait should be considered separately, and that the mark in one trait should not influence the mark in another trait. Also keep in mind that the majority of personnel can be expected to fit into the middle or average category.
6. Do not hesitate to check "not observed" where the performance of the petty officer being evaluated has not been observed in any trait or when the trait is not applicable with reference to a particular job or rate.
7. Now in the space indicated in the lower half of the back page, make a brief comment describing any general impressions you have of the individual; indicate the degree to which you feel the individual is qualified for officer status; indicate your recommendation regarding reenlistment. If this recommendation is negative, include reasons in comments. If the individual has outstanding ability in some technical specialty so state and identify the specialty.

Subj: GARRISH, Leslie F. (200-172) BM1; forthcoming examination for CPO

1. Reference is made to CG Air Station, Elizabeth City, N. C. dispatch 032143Z. Request contained therein is approved and GARRISH will be permitted to participate in the forthcoming examination for chief petty officer in his specialty. Headquarters letter 4 February 1954, file PE-1/MM, is ammended accordingly.

2. The approval and waiver of the deadline date in this particular case is given to afford subject man every possible opportunity to advance himself in his career. However, it is emphasized that cases of this nature result in a great deal of additional administrative effort and special handling, which seems totally unnecessary considering the amount of time allowed for proper and timely application.

3. In the future, it is desired that every effort be made to insure that each individual eligible for consideration is made thoroughly cognizant of the pertinent regulations, with particular emphasis placed on deadline dates and the absolute necessity for strict adherence thereto.

Dear Mrs. Garrish:

In the affidavit which you recently executed to prove your dependency upon your son, Leslie F. Garrish, you said that a sister living with you is contributing $20.00 monthly.

It will be greatly appreciated if you will advise this office whether or not this contribution is for her room and board of if it is for your sole use.

By direction of the Commandant.

Dear Sir:

This in reply to your letter of February 10th. referring me to your letter of December 2nd.

I would consider my sister, who lives with me solely dependent on me, as her age and physical condition will not allow her to do only light work, and proceeds from this laber will hardly buy her clothes. She depends on me for board and room and contributes nothing for my sole use.

Yours very truly,

Mrs. Annie E. Garrish

Dear Madam:

Reference is made to the application of Leslie F. Garrish, a member of the United States Coast Guard, for the payment of a monthly family allowance in your behalf under the provisions of the Servicemen's Dependents Allowance Act of 1942, as amended.

This is to inform you that your son's application for the payment of a monthly family allowance in your behalf has been cancelled due to your failure to furnish proof of your dependency.

Your son has been advised that he may register a voluntary allotment in your favor if he wishes to do so. Correspondence relative to your son's filing a new application for family allowance at a future date should be addressed to him at his duty station, as that action is entirely voluntary on his part.

The total amount deducted from your son's pay for family allowance purposes will be refunded.

By direction of the Commandant.

Very truly yours,

S. K. FRICK
Lieutenant, USCG
Chief, Family Allowance Section

1. It is requested that subject man be informed that his application for the payment of a monthly FA on behalf of his mother under the provisions of the Servicemen's Dependents Allowance Act of 1942, as amended, is cancelled due to the fact that his mother failed to furnish proof of her dependency.

2. This action in no way precludes the enlisted man from registering a voluntary allotment from his pay in favor of his claimed dependent. Likewise it is without prejudice to his right to make another application for family allowance at a subsequent date if he so desires.
