Answer to Item #25.

This employee is principal keeper in charge of a lighthouse built on submarine foundation. The structure consists of a cylindrical concrete and steel caisson on submarine foundation, surmounted by steel tower containing living quarters and store rooms, housing fog bell machinery and topped by glazed lantern containing Fresnel lens for display of light which may be either kerosene lamp or incandescent oil vapor light. Communication with shore is by motor launch kept at station. Each of two keepers is allowed 8 days ashore per month and when both are at station, they divide watches of light and fog signal. The principal keeper is in responsible charge and his first duty is to see that the light never fails to burn from sunset to sunrise nor the fog signal to sound when needed. All apparatus is required to be kept in perfect condition of cleanliness and operating efficiently and the entire structure throughly clean and well painted inside and outside, and minor repairs made as needed within his capacity. Owing to exposed location and salt water, proper preservation of metal work, especially iron foundations, requires constant attention. He is also required to keep all station records including journal watch book, fog-signal record and property accounts.

St. Michaels, Md.

Sirs:

Enclosed are the forms necessary to effect settlement of the final pay due the estate of Carl Geiling, Keeper, Retired, former Lighthouse Service, now U. S. Coast Guard, who died 16 June, 1942.

There was due his estate at the time of death the sum of $66.21 retired pay for the period 1-16 June, 1942. This retired pay ceases at death and there is no law providing for payment of any part to dependents.

If there will be no legal representative to administer the estate, the next of kin or the person who paid, or will pay, the funeral and burial expenses should execute the enclosed Form 1055, claim for final pay, in the presence of a notary public and two witnesses, taking care to answer all questions. If a representative is appointed a copy of appointment should be attached to Form 1055. If the funeral expenses have been paid, a bill receipted by the undertaker who conducted the services should be forwarded. Otherwise the undertaker should sign enclosed waiver form. This information is necessary to support the claim for final pay. Form 2661, voucher for final pay in amount $66.21, requires a signature only, at place indicated.

When the enclosed forms have been completed, please return them to Coast Guard Headquarters.

By direction of the Commandant.

Dear Madam:

Reference is made to your letter dated February 9, 1949 inquiring whether you are eligible for a pension as the widow of deceased Carl Geiling who retired from the Lighthouse Service effective 1 January, 1940, and died 16 June, 1942.

This office regrets to advise that you are not eligible for a widow's pension as a result of this service. Your husband was under the purview of the Lighthouse Retirement Act, and as such, did not contribute any part of his salary towards his retirement. The friends you refer to whose husbands are Federal employees and whose widows will be entitled to the pension in the event the husbands precede them in death are under the Civil Service Retirement Act. All employees under this act contribute a percentage of their salary toward the retirement fund and are able to designate their wives as beneficiaries at the time of their death.

Dear Sir.

Will you please tell me if I am eligible for a pension in any way.

I am the widow of Carl Gerling who was in the Light house service for over 31 yrs. He retired in 1939 but only lived 2 1/2 yrs to enjoy his pension and I don't get a cent. Don't you think there should be a provision made for the widows of the Light house keepers?

I have had trouble with my eyes and have lost the sight of my right eye. Was in Johns Hopkins Hospital 9 weeks. last spring. It cost me a lot of money. and I don't know what I will do if I can't get something from the government. Seems they have plenty for every thing else.

I have friends whose husbands are Federal employees and they will get part of their husbands pension at his death. I don't see why I cant get some of my husbands pension. I know he took the Civil Service examination before he went into the Light house service.

Cant you please give me some advice about this?

Respectfully
Mrs Carl Gehring
