Dear Madam:

The above named enlisted member of the United States Coast Guard has registered a Class Q allotment under the provisions of the Dependents Assistance Act of 1950. This allotment has been processed and if you are not currently receiving payment of this allotment, you may expect to receive payment in the very near future. However, for the payment of this allotment to continue, it will be necessary for you to forward the items checked below to the Chief, Dependents Allowance Section, United States Coast Guard Headquarters, Washington 25, D.C., with a minimum of delay:

☒ A certified copy of your certificate of marriage.

☐ A copy of your decree of divorce from each of your former marriages, certified by the clerk of court where issued. (Note: If a former marriage was dissolved by death, a certified copy of the certificate of death must be forwarded.)

☒ A certified copy of the PUBLIC RECORD OF BIRTH of, Rae Francies, Raymond Woodrow, Jr., and Ralph Phillip Gifford.

(Note: This must be a copy of the public record of birth as issued by the Bureau of Vital Statistics of the State where the child was born. Notifications of Birth Registration, Baptismal Certificates, Hospital Certificates, etc., are not acceptable.)

☒ Inasmuch as this is the second request, and unless the above-requested documents are received in this office within ten (10) days from date, allotment checks will be withheld.

Sincerely yours,

Dear Admiral Farley:

I would refer you to your letter to me of March 24, 1947,(File No. PE-C, CG-73) concerning the transfer of Raymond W. Gifford, boatswain's mate 1/C, who I am advised has requested transfer from his present station to the 3rd District along the New Jersey coast. Mr. Gifford's wife is not in good health and I enclose a statement from her physician, Dr. Ralph Appleton, Lincoln Avenue and Grove Street, Point Pleasant, New Jersey concerning her condition.

I hope you may be able to effect this transfer and I hope I may hear from you soon.

Sincerely yours,

James C Auchincloss

This is to certify that I have been treating Mrs Bess Gifford, wife of Raymond W Gifford for several years & am generally familiar with her physical condition. For sometime she has been very nervous & upset & her general condition is failing. I believe it essential that her husband be close by to help her with her duties & general duties.

Hon. James C. Auchincloss
House of Representatives
Washington, D. C.

My dear Mr. Auchincloss:

I am in receipt of your letter dated 6 March, 1947, relative to Raymond W. Gifford (211-637), boatswain's mate, first class, who has requested a transfer to the Fourth Coast Guard District, Philadelphia, Pennsylvania.

I have looked into this matter and find that no official request for transfer has been received from Gifford to date. However, at such time as his request is received it will be given every consideration consistent with the needs of the Service as well as the merits of his particular case. For your information, the only requests for transfer being considered at the present time are those where family hardship is involved.

The records indicate that Gifford is presently engaged in the very important work of training new Coast Guard enlistees at the Coast Guard Training Station in Mayport, Florida. This fact must, of course, be taken into consideration when his transfer request is received for action.

I am indeed appreciative of your interest in behalf of Gifford and regret that my reply cannot be more favorable. However, I feel sure that you will understand and appreciate the position of the Coast Guard in cases of this nature.

Very truly yours,

J. F. FARLEY

a precipitating cause. Will observe closely.

12/8/48 Much improved - but firm mass
still present at lower pole of left
testicle.

Gifford makes a very favorable impression upon the officers and men with whom he comes in contact aboard the ship and Moorings. He has the ability to give properly worded commands in a manner which invokes immediate cooperative response, and he receives his orders from seniors in an intelligent manner. Professionally, Gifford is an excellent boatswain and in both ship handling and upkeep of vessel he is able to keep the vessel running at a very high degree of efficiency. Gifford's reports in writing are largely limited to log entries and similar statistical reports and have been found good. It is felt that Gifford both professionally and as a person is well qualified for advancement to Boatswain.

In all of the above cases, original SF 89 will be forwarded to Headquarters with the report of physical examination, copy of SF 89 to be inserted in the health record.

4. STANDARD FORM 600 (CHRONOLOGICAL RECORD OF MEDICAL CARE) Entries will be made for all admissions to the sick list. Entries will indicate whether the disease or injury was or was not incurred in line of duty and was or was not due to the individual's own misconduct.

5. STANDARD FORM 601 (IMMUNIZATION RECORD) All immunizations or vaccinations will be recorded completely in their proper spaces. The name of the medical officer or medical department representative administering the immunization will be autographically entered in the space provided on the form.

Coast Guard units having the services of full time medical officers will utilize this form for the reporting of all inpatient admissions.

9. CG-3444 (SICK CALL TREATMENT RECORD) Will be inserted as the first page of the inside cover, apart from the health record generally, and thereafter maintained, continuously, for each person who applies for, or is given treatment, for any condition not requiring admission to the sick list. Entries will be made, and initialed by the individual conducting sick call for every application for treatment regardless of whether treatment was furnished. Dated entries will be typewritten or recorded in black ink and preceded by the name of the activity in capital letters or rubber stamp. Circumstances of injuries will be entered. This form is a permanent part of the health record and on transfer of the individual, makes available to the receiving medical unit a chronological record of prior outpatient treatment.

10. DD FORM 722-1 (DENTAL RECORD COVER) will be kept in the health record jacket (CC-3443) of each individual, except as otherwise specified in Coast Guard Medical Manual (CG-294). This form is prepared in original only, with full name of individual completely recorded in capital letters, with surname first, typed on lip of cover, together with person's serial or service number. It shall contain Form SF-603, Dental Record.

1. Pursuant to the authority provided by an Act of Congress approved 24 July 1941 (34 U. S. Code 350), as amended, and as stated in reference (a), the President of the United States on 9 May 1955 appointed you to the grade of Warrant Officer, W-1 (BOSN) for temporary service in the U. S. Coast Guard effective 9 May 1955 to rank from 9 May 1955. You are assigned service number 27381.

Mrs. Bessie Gifford
RFD 1, Box 69, Bricktown,
Laurelton, New Jersey

My dear Mrs. Gifford:

Information has been received at Coast Guard Headquarters of the death of your husband, Chief Boatswain Raymond Woodrow Gifford, United States Coast Guard. Because of your bereavement I realize that consideration of money matters at this time is difficult and trying. However, your Government realizes that in many instances death of a serviceman leaves the man's family in need of funds. It is in fulfillment of this obligation that the following is written.

Veterans Administration Form No. 21-534, "Application for Dependency and Indemnity Compensation or Death Pension by Widow or Child", is enclosed to aid you in making application for the Veterans Administration death benefits that may be available.

Your husband designated you to receive the final pay due at his death. Four Forms No. SF-1174, "Claim of Designated Beneficiary for Unpaid Pay and Allowances of Deceased Member of the Armed Forces", are enclosed to aid you in making application for the final pay due your husband at the time of death. These forms are to be completed in the presence of two witnesses. The original and two copies of the claim with a copy of this letter should be returned to Commandant (PS-1).

If you have in your possession any unchashed pay checks issued to your husband these should be returned to Coast Guard Headquarters with the completed forms for inclusion with the claim for the final pay due. Any other uncashed Government checks should be returned to the issuing agency.

Two Forms DD-1172, "Application for Uniformed Services Identification and Privilege Card", are enclosed to aid you in making application for medical care benefits. It is requested that you return both copies of this form to Commandant (PS-1). Upon receipt of these applications they will be processed at Coast Guard Headquarters and then returned to you so that you may be issued a new DD Form 1173, "Uniformed Services Identification and Privilege Card", as the cards you may now have are no longer applicable.

DD Form No. 1330, "Application for Headstone or Marker", should be completed and forwarded to: Chief of Support Services, Headquarters, Department of the Army, Attention: Memorial Division, Washington 25, D. C.

When the above forms have been completed, they should be returned to Commandant (PS-1) together with a copy of this letter. A pre-addressed envelope is enclosed for your convenience.

Sincerely yours,

R. C. BOARDMAN

TREAS. DEPT., U.S.C.G., CG-3584 (Rev. 8-62) CLEARANCE SHEET

10 December 1963

My dear Mrs. Gifford:

I have learned of the untimely death of your husband, Chief Boatswain Raymond Woodrow Gifford, United States Coast Guard. Please permit me to express my sympathy to you and your family in your great loss.

Throughout your husband's career, he demonstrated his initiative, and a high sense of devotion, which has continuously characterized his performance of duty. Such a cooperative and conscientious attitude has materially enchanced the reputation of the Coast Guard.

There is little I can say to minimize your distress. I trust that the knowledge of the high regard in which he was held by all who knew him will comfort you at this time. He shall always be remembered for the honorable service he gave to his country.

Sincerely yours,

E. J. ROLAND
Admiral, U. S. Coast Guard

In addition, the appraisal should include outstanding qualifications in any field such as the following: administration, planning, logistics, electronics, new weapons, and in dealing with the public in personal or official contacts. This space must not be left blank.*

BOSN Gifford's assignment consists of all the functions of plan, upkeep, and maintenance that do not fall logically within the shop structure of the Maintenance Division. The Yard Boatswain's office has a combined labor force of civilian, enlisted men of the permanent party, and recruits, when available. This officer often requires reminding and correcting in the manner in which he carries out his responsibilities, but this is partly due to the varying labor force, and the "catch-all" nature of his job. He is a willing worker, and accepts criticism and suggestions in a constructive sense. His appearance and military bearing are satisfactory considering the type of work he is required to supervise.
