Subject: Physical examination of George Graham, Keeper, (2d Asst.)

Reference: Circular letter No. 296, dated Feb. 10, 1917.

1. Mr. George Graham was appointed to the position of keeper and entered on duty as 2d assistant at Charleston Light Station on Nov.5, 1924. He was selected from the Civil Service register.

2. He was examined by a Surgeon of the U.S. Public Health Service on Feb. 29, 1924. The report of examination on Form 207 shows that Mr. Graham is physically disqualified, the reason for certification of disqualification being: "Defective vision not sufficiently corrected with glasses at date of this examination". He is not disqualified in any other respect but in fact is regarded as being better qualified than the average appointee to develop into an efficient keeper.

3. It is understood that Mr. Graham is not entitled to medical relief by the Public Health Service free of charge and he has been so informed. It is recommended that he be retained in the Lighthouse Service notwithstanding his failure to pass the physical examination.

H.L. BECK,
Superintendent of Lighthouses.

Dear Sir:

Reference is made to your letter of June 10, 1948, in the case of George Graham, your file 19R8DE, in which you requested information as to whether or not the retirement payments he is now receiving are in excess of that which he paid into the retirement fund.

You are advised that Mr. Graham was retired under the provisions of the Lighthouse Retirement Act of June 20, 1918, as amended. No deductions are made from an employee's salary for retirement purposes under the Lighthouse Act, such retirement being in effect a gratuity. Consequently there was no "fund" to the credit of Mr. Graham at the time of his retirement.

By direction of the Commandant:

Very truly yours,

General Accounting Office
Claims Division
Washington 25, D. C.

Sirs:

Reference is made to your letter of January 6, 1950, transmitting the claim of Mr. George Graham, Oakley, South Carolina for the difference alleged to be due for retired pay based on gross salary, over that paid based on net salary, during the period November 5, 1923, through June 30, 1947, as an employee of this Service.

Apparently Mr. Graham is basing his request on the erroneous assumption that the Court of Claims ruling and the subsequent decision of the Comptroller General, B-70029 dated October 23, 1947, require that all former Lighthouse keepers be reimbursed for the valuation of Government quarters occupied during their employment.

You are advised that former keepers are not being reimbursed for the valuation of living quarters. The effect of the above mentioned rulings was to require that the retired pay of keepers be computed on the gross basis, that is, cash pay plus the valuation of the Government quarters occupied during the last five years of service. Prior to the Court of Claims Action and the Comptroller General's decision, referred to, retirements under the Lighthouse Retirement Act of June 20, 1918, as amended, were computed on the basis of net salary, that is the gross salary less the valuation of quarters, which procedure was based on a decision of the Comptroller General of several years ago, May 28, 1930.

Mr. Graham was retired under the provisions of the Lighthouse Retirement Act at the close of May 31, 1940, as a Second Officer, which position he had held from August 16, 1929. His retirement annuity was computed on the "gross" basis inasmuch as there were no deductions from his salary for Government quarters.

There is no basis for Mr. Graham's claim, which is returned herewith.

By direction of the Commandant:

Very truly yours,

H. L. MORGAN

THE COMMISSIONER OF LIGHTHOUSES:

The following-named employee will be transferred as indicated, and will upon duty at his new station on or about July 1, 1926.

Name, George Graham, Position, Keeper (Assistant),

From Charleston, L.H., S.C. To Sapelo L.H., Ga. #1140

Previous incumbent, Robert H. Gromley,

Services will terminated, at close of June 30, 1926. Reason, Promotion.

It had been the intention of this office to fill the vacancy in position of Asst. Keeper at Sapelo L.H., which will occur upon the retirement of the principal Keeper at the close of June 30, 1926, by transferring Additional Keeper Wm. A. Davis to that station. It is now considered to the interest of the service to transfer 1st Asst.Keeper George Graham, Charleston L.H., to position of Asst.Keeper, Sapelo L.H., in order to maintain harmonious relations between the families of the keepers at Charleston L.H. There has been no trouble among the keepers themselves, but there has recently been discord between members of the keepers' families at Charleston L.H. It is requested that Form 73a dated June 24,1926, Report of Transfer of William A. Davis, be cancelled.
