Employment of temporary laborer
at Port Austin Reef LH.

October 26, 1932.

10/29/32 wire 17th

Commissioner of Lighthouses,
Washington, D.C.

1. It is recommended that a temporary position of laborer at $110 per month be authorized at Port Austin Reef Light Station, Michigan for a period not to exceed one month pending the return to duty of Albert E. Haskell, Keeper (2d Asst.) who has been absent from duty since September 22, on account of an urgent operation. This is a pier station with three keepers with family quarters ashore for the keeper and first assistant. The two keepers alternate between shore and pier duty. Mr. Haskell will not be able to return to duty until the fore part of December and it is considered that at this season of the year it is essential that more than two employees be on duty at Port Austin Reef Light Station.

2. It is requested that this office be advised by telegraph if the position is approved in order that it may be filled at the earliest practicable date. It is understood that the position is unappointive, of a temporary character not requiring department or executive approval for filling it being necessary only to make the usual economy deduction of 8½ percent from the salary of the incumbent.

In reference to the application of Albert E. Haskell, keeper, for retirement at the close of September:

It is noted that the certificate of medical examination in this case is dated July 24; alsothat you carried Haskell in a duty status to the close of September. The Bureau considers that retirement in this case should have been proposed effective at the close of July, and it is requested that in similar cases hereafter retirement be recommended at the close of the month in which the employee is found to be disabled for active duty. In the present case it is requested that you advise the Bureau of your reasons for retaining Haskell in a duty status for two months after he was found to be disabled for efficient duty.

My dear Mrs. Haskell:

Headquarters has been advised of the death of your husband, Albert Edward Haskell, Keeper, former Lighthouse Service, now United States Coast Guard, Retired, on 18 May, 1948. Please accept my sincere sympathy.

At the time of death there was due the estate of your husband final retired pay. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of the final pay are herewith inclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin or the person who paid, or will pay the funeral expenses should execute the inclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the inclosed waiver form. This information is necessary to support the claim for the final retired pay.

When the inclosed forms have been completed, please return them to Coast Guard Headquarters in the inclosed pre-addressed envelope which requires no postage.

By direction of the Commandant.
