Mrs. Viola Hayward
Placerville, California

My dear Mrs. Hayward:

Headquarters has been advised of the death of your husband, Eugene Orlo Hayward, Watchman, United States Coast Guard, Retired, on 27 January, 1947. Please accept my sincere sympathy.

At the time of his death there was due the estate of your husband final retired pay in the amount of $56.84. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlementof the final pay are herewith inclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin or the person who paid, or will pay, the funeral expenses should execute the inclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked by pencil mark. If a representative is appointed a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker who conducted the services should be forwarded. Otherwise the undertaker should sign the inclosed waiver form. This information is necessary to support the claim for the final pay.

When the inclosed forms have been completed, they should be returned in the inclosed pre-addressed envelope, which requires no postage.

By direction of the Commandant.

Very truly yours,

U. S. COAST GUARD

Hayward (Deceased), a retired member of the former Lighthouse Service, in which she claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid Mr. Hayward on net salary, for the period July 1, 1939 to January 27, 1947, the date of his death. In this connection reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $791.66 per annum, whereas, for the period July 1, 1939 to January 27, 1947, Mr. Hayward was paid at the rate of $757.88 per annum - an underpayment of $33.78 per year or $2.82 per month. Transmitted herewith is the claim of Viola E. Hayward, Route 3, Box 863, Milwaukie, Oregon, and it is requested that a report be furnished showing whether any additional amounts are due the estate of her deceased husband, Eugene O. Hayward, former retired watchman of the Lighthouse Service.

In the event an amount is found due furnish a voucher showing the amount approved for payment and a complete citation to the appropriations chargeable.

Commissioner of Lighthouses:

Reference is made to the bureau's recommendation of July 24, 1933, for the retirement on account of disability of Mr. Eugene O. Hayward, keeper at $1380 per annum at Mukilteo Light Station, Washington, effective at the close of July 31, 1933.

Mr. Hayward's case was informally discussed with a medical officer of the Department. He is of the opinion that the nature of the disability is such that relief may be obtained by medical treatment. The Department has, therefore, disapproved the retirement of Mr. Hayward and has directed this office to advise the bureau to arrange for the medical treatment.

1935 JUL 29 AM 11 28

July 25, 1935

Commissioner of Lighthouses,
Washington, D. C.

1. There is transmitted herewith from 73, Nomination for the transfer and increase in pay of Eugene O. Hayward, from the position of Second Assistant Keeper at Heceta Head light station at $1260. per annum, to the position of watchman at Tongue Point Lighthouse Depot at $1500. per annum. The present incumbent of watchman at Tongue Point Lighthouse Depot suffered a stroke of paralysis approximately one year ago. He recovered sufficiently to return to duty for a period of 3 or 4 months, when he again became disabled. He has been granted all of the sick and annual leave which is authorized for the current calendar year, his leave having expired on June 27th. Since that time he has been on leave without pay.

2. It is necessary to have a watchman at Tongue Point Lighthouse Depot. It is therefore recommended that a temporary additional position of watchman be authorized, and that Eugene O. Hayward be transferred thereto, at the rate of $1500. per annum, the range of the position to be $1260 to $1620, payable from Salaries, Lighthouse Service.

3. At the present time Mr. Hayward receives a cash salary of $1260 per annum with quarters and allowances valued at $20. per month, or $240 per annum. He is being recommended for transfer at a cash salary of $1500. per annum, which is the amount of his gross salary at the present time. Mr. Hayward has approximately 17 years of satisfactory service in this district, and it is recommended that the transfer be approved at $1500. per annum, so that there may be no decrease or demotion involved.

4. Mr. Smith, the present incumbent of the position of watchman at Tongue Point Lighthouse Depot, is in such a condition resulting from a paralytic stroke, that he is not expected to ever recover sufficiently to enable him to return to duty. He has insufficient service to justify his retirement for disability. It is therefore presumed that at the end of one year of leave without pay, he will be automatically dropped from the rolls unless he should perchance recover sufficiently to return to duty.

5. It is recommended that this office be authorized to expend not to exceed $55. for the transportation of the household

effects of Mr. Hayward from Heceta Head Light Station to Astoria, Oregon. There is enclosed herewith travel order for Department approval, for Mr. Hayward's travel from Heceta Head to Astoria. Telegraphic advice of approval of Hayward's transfer as well as authorization of his travel and transportation of his household effects is requested.

For and in the absence of the Superintendent

E. C. Merrill
Assistant Superintendent

RG-EK

Bureau of Lighthouses, Washington, D. C., August 5, 1935.

Returned to Superintendent of Lighthouses, Portland, Oregon, for further information as to the reason for proposing Mr. Hayward for transfer to the position of watchman; it is also noted that his transfer is proposed without a change in gross pay, although an increase of $240 per annum is proposed in cash pay because no family quarters are provided for the position of watchman. Is there any particular reason ~~for your office proposing an increase in cash pay in this instance?~~ to justify this rate of pay in the interest of the service.

It is also noted that Mr. Hayward was proposed for retirement on account of disability about two years ago, although his disability at that time was not considered sufficiantly serious by the Department to warrant his retirement. It is noted, however, that he is 62 years of age now, and your view is requested as to having him examined again by a medical officer to determine whether his physical condition indicates disability in a degree to warrant retirement or continuance.

Do not believe we should suggest retirement for disability unless in Supts opinion physical condition is such that early request is anticipated in which case it would be better for Govt to have it come now.

Possibly Haywards health has improved and he is best man for job in which case transfer as proposed might be OK. Watchmans duties more suited to man advanced years

Recommend full justification report & conditions before further action

Dupt's recmdn of Hayward seems largely an accommodation to the latter, and involves transfer at cash pay $240 above minimum. As Hayward is 67 yrs old and not in good health, he could scarcely be fully efficient; and after experience with another invalid, it would seem desirable to get an active able bodied man in the job, who probably could be obtained at $260.

Rec get furs rept & suggest another submission for retirement or disability, if warranted.

Hayward's Life Retirement would be increased due to increased cash salary and ~~about~~ pay 2 percent Watchman apparently less than $500.

Watchman — 17th

Smith, present incumbent, has between 12 & 13 yrs service, but he is under the LHS act, & is not required for retirement o/a disability, 15 yrs service being required, rather than 5 as under Govt act. Smith is 64 Hayward is 62 the opportunity is solicited (for watchman) o/a his physician con- dition, he having been proposed for disability retirement ~~pension~~ about two years ago but some having been disapproved by Dept as not considered disabled in a degree to necessitate retire- ment, accordingly suggest as proposed by Supt, other retirements might be proposed again at this time

OFFICE OF SUPERINTENDENT, 17TH DISTRICT
PORTLAND, OREG.

August 16, 1935

Commissioner of Lighthouses,
Washington, D. C.

1. Reference is made to Bureau endorsement of August 5, 1935, on 17th District letter of July 25, 1935, relative to the transfer of E. O. Hayward from the position of 2nd Assistant Keeper at Heceta Head Light Station to the position of Watchman at Tongue Point Lighthouse Depot.

2. As stated in third paragraph of 17th District letter of July 25, 1935, Mr. Hayward has had seventeen years of satisfactory service. At the present time he is provided with quarters, fuel for heating purposes, and electric light and water. When he is transferred to the position of Watchman he will have to provide these facilities at his own expense. The increase in his cash salary is therefore considered fully justified, as it will not actually constitute an increase in his gross pay. The present Watchman who is disabled on account of a paralytic stroke is authorized a salary of $1,440 per annum. Mr. Hayward has had a great deal greater length of service and just as satisfactory, if not more so.

3. The proposed disability retirement of Mr. Hayward two years ago was on account of complaint of the Keeper of the station at which he was serving at that time, that he was unable to perform the duties of Assistant Keeper. Medical examination disclosed that he had insufficient disability to justify his retirement. It appears that he is unable to work with paint in connection with the painting of buildings and other structures at stations. This makes him undesirable as Assistant Lighthouse Keeper. In the position of Watchman he will have no such duties to perform. At the present time there is no information available to indicate that he is any more disabled than he was two years ago. He appears to be a strong, healthy man and physically able to perform the duties of Watchman. His examination for determination as to whether or not he is eligible for disability retirement, is not therefore considered justified.

4. It is again recommended that his transfer be approved as covered by Form 73, Nomination and as recommended in letter of July 25, 1935.

For and in the absence of the Superintendent

Dear Mrs. Hayward:

Your letter of August 12, 1947, addressed to the Civil Service Commission, has been referred to this office for reply inasmuch as your late husband was retired under the provisions of the Lighthouse Retirement Act now administered by the U. S. Coast Guard. In your letter you requested advice as to whether or not you are eligible for a pension following the death of your husband Eugene O. Hayward.

The record shows that Eugene O. Hayward was retired because of disability on 30 June, 1939, under the terms of the Lighthouse Service Retirement Act of 20 June, 1918, as amended. Under the terms of that law, the retired pay of such an employee ceases at his death, and there is no provision for continuing any part of it to the widow or other dependents, or for the payment of a pension to members of the family of the deceased.

The Coast Guard regrets to inform you, therefore, that under existing legislation, there are no benefits which this Service can grant you.

By direction of the Commandant:

Very truly yours,

Dear Mrs. Hayward:

Receipt is acknowledged of your letter of August 12, 1947, in which you state that your husband, Eugene O. Hayward, who died on January 27, 1947, had been retired by and was receiving pension from the U. S. Coast Guard.

Apparently your husband was retired under the Lighthouse Retirement Act and not under the Civil Service Retirement Act. Inasmuch as the Civil Service Commission has no jurisdiction over Lighthouse Retirement matters, your letter has been referred to the U. S. Coast Guard, Treasury Department, Washington, D. My dear Mrs. Hayward:

Receipt is acknowledged of your letter inquiring as to your eligibility to an award of pension based on the service of your husband, Eugene O. Hayward, watchman, former Lighthouse Service now U. S. Coast Guard, Retired, who died 27 January, 1947. The records at Headquarters indicate that your husband's retirement benefits were provided by the Lighthouse Retirement Act and not under the provisions of Retirement Acts administered by the Civil Service Commission.

As previously advised, only dependents of personnel having military service are eligible to an award of pension. I fully realize your necessity for additional funds to meet the high cost of living and deeply regret the necessity of having to inform you that I know of no benefits available under existing legislation for the dependents of civilian personnel who served in the former Lighthouse Service.

Placerville, California

My dear Mrs. Hayward:

This will acknowledge receipt of your letter of 25 May, 1948 relative to reimbursement of funeral expenses incurred by you incident to the death of your husband, Eugene Orlo Hayward, watchman, former Lighthouse Service, now United States Coast Guard, Retired.

Under the provisions of existing legislation the government makes an allowance of $150.00 toward the payment of funeral expenses of a former member of the military services who was a veteran of any war or suffered a service connected disability. As previously advised, the records at Headquarters indicate that your husband's entire service in the former Lighthouse Service was in a civilian capacity and he therefore did not attain military status which would make these benefits available to you. I regret to inform you that I know of no existing laws which would authorize reimbursing you for these funeral expenses.

By direction of the Commandant.

Very truly yours,

N. W. SPROW

Sir:

Mrs.

Transmitted herewith is the claim of Viola E. Hayward, Route 3, Box 863, Milwaukie, Oregon, and it is requested that a report be furnished showing whether any additional amounts are due the estate of her deceased husband, Eugene O. Hayward, former retired watchman of the Lighthouse Service.

The final salary of Mr. Hayward was paid to the claimant by Certificate No. 1572484 dated July 7, 1947, but there is a possibility that an amount may be due for the difference between retired pay based on the gross salary and retired pay based on the net salary.

It is requested, therefore, that this office be furnished a copy of the personnel appointing papers and of any other personnel actions covering the five year period immediately preceding the date of the retirement of Mr. Hayward.

In the event an amount is found due furnish a voucher showing the amount approved for payment and a complete citation to the appropriations chargeable.

The enclosure should be returned with your report.

Respectfully,
