MAY 15 1920

In reference to your letter of May 12, 1920. I have this to say: There are a number of reasons why I handed in my resignation.

1. For family reasons. 2. Salary not sufficient for my needs, so that I can not properly support my family. 3. Business affairs that demanded my immediate attention. 4. Inability to get along with Keeper Carter, to exacting, finds fault with most every thing I do.

5. At the time when his period of shore liberty was up and the weather was such that he could return, he failed to do so knowing that I had urgent reasons for reaching my home at the earliest possible moment. When I found out that the Zander would not be able to take him out Wednesday 5/19/20 and did not know when would be able to do so, I took matters in my own hands, rowed ashore, then came to the office and offerred my resignation to take effect the 21 of May, but was informed that I could not do so, that it would be necessary to change it to take effect the 11th of May, the day I came ashore.

If these explanations for my actions are not satisfactory I have no more to say.

Respectfully

Simon L. Huggen.
