17 September, 1946

To: William H. Heinroth, former Keeper, Matagorda Light Station, Port O'Connor, Texas

Subj: Retired pay.

1. Replying to your letter of September 13, 1946, you are advised as follows:

1st - Lighthouse Service Retirement is not computed as three-quarters of base pay. It is computed as three-quarters of the average of the last five years' pay when an employee has had thirty years' service (30/40). In your case your total service was 27 years 9 months, 27 days; therefore you could not be paid three-quarters of the average of your last five years' pay.

2nd - Pay for quarters is always excluded from the computation for Lighthouse Service Retirement, as well as overtime pay.

3rd - On January 1, 1946, you had to your credit 13 days 2 hours annual leave; you accrued 4 days in January and February, making the total 17 days 2 hours; also 90 days sick leave. You were given eight hours compensatory leave on March 1st, and then placed in sick leave status on March 2nd, which terminated on July 9, 1946. You were then granted annual leave from July 10 to 31, so that you would not lose any pay, and this amount was deducted from the 17 days and 2 hours, which left only one day and two hours for which you were paid August 1st and August 2nd.

This also answers your letter to Captain Zibilich

W. J. Braun , Jr.
District Coast Guard Officer
Eight District
New Orleans, La.

Sir:

I am in receipt of your letter of September 9, 1946, advising me of my retirement and retired pay at the rate of $1183.20 per annum.

Since my last rate of pay was $2619.72 per annum including over time - please advise as to why the rate of pay was cut so much even after the overtime was taken off.

Rent for quarters have been deducted from the salary, for about the last 15 years, at the rate of $240.00 per annum.

In your letter of April 22, 1946 you stated that a lump sum payment for all annual leave from July 1, 1946 through two hours on August 2, 1946. I had some accumulated leave left from 1945.

In your letter of September 9, 1946 you stated that you paid for 1 day and two hours annual leave from August 1 through 2 hours on August 2, 1946.

According to lighthouse regulations I understand that one is entitled to three quarters of their base pay when retired for disability.

Please advise me why my retired pay was cut more than half of my base pay.

Respectfully yours,

William H. Heinroth

Capt. A. M. Zibilich

New Orleans, La.

Dear Capt. Zibilich:

I am in receipt of a letter from Mr. Braun, stating the amount of my retirement pay - $1183.20 - per annum.

My last rate of pay was $2619.72 including overtime. The rent for quarters - $20.00 per month - was deducted from the salary besides the other deductions.

Please advise me why the retirement pay was cut so much which is more than half.

According to lighthouse regulations I understand the retirement pay - for disability - was three quarters of the base pay.

According to letter from W. J. Braun, Jr., I was to be given a lump sum payment for annual leave from July 1, 1946 through two hours on August 2, 1946. He stated in his letter of September 9, 1946 that I received payment for annual leave from August 1, 1946 through August 2, 1946.

I will very much appreciate it if you will give me the advise on above.

Yours respectfully,

William H. Heinroth

Subj: Proposed disability retirement of William H. Heinroth, Keeper

1. The application of Mr. Heinroth for disability retirement has been examined and he has been found to be disabled for further useful and efficient service. The official notice of his retirement will be issued in due time.

2. It is the policy to make retirements under the Lighthouse Retirement Act effective at the close of a month. Since Mr. Heinroth has 17 days, 2 hours annual leave to his credit, it is suggested that your office carry him on the rolls in an annual leave rather than a leave without pay status from expiration of his sick leave at close of 9 July through 31 July, and then compensate him in a lump sum for the remaining 1 day, 2 hours, annual leave to his credit covering the period from 1 August through 2 hours on 2 August, 1946.

3. Headquarters has amended the last entry under "Record of All Active Government Service" on Form 2521 to show Mr. Heinroth's service as ending 31 July rather than 9 July, making his total service 27 years, 9 months, 27 days; and under the computation of rate of retired pay, the last entry has been amended to include salary at $1992 per annum for the entire month of July ($176.20). As a result of these amendments, the annual rate of retired pay will be $1178.83. Form 2249 will be processed accordingly.

Subj: Your application for retirement.

1. Referring to the application which you submitted for disability retirement, you are advised that you are subject to the Lighthouse Retirement Act, therefore the form you submitted may not be used.

2. Before taking any steps towards your retirement, it will be necessary for this office to grant you all sick leave to your credit. You submitted an application for leave dated 14 February, 1946, to begin on February 23. The completed application for this leave has not been received, and it is assumed that you have not returned to the station since then.

3. You will advise this office by return mail the exact date and hour you left the station, and whether you went for medical treatment at that time. This is to certify that Mr. W. H. Heinroth has been under my care since March second, 1945, for the treatment of hypertension.

Mr. Heinroth is running a blood pressure of between 200-230 systolic and 120-140 distolic. This condition is manifested symptomatically by severe headaches and dizziness. It has not responded well to treatment.

Due to the fact, that this patient also has arteriosclerosis, with the subsequent possibility of a cerebral accident.

It is my opinion, that he is permanently disabled for any form of work involving mental or physical strain.

My dear Mrs. Heinroth:

Headquarters has been advised of the death of your husband, William Herman Heinroth, Keeper, former Lighthouse Service, now United States Coast Guard, Retired, on 18 April 1952. Please accept my sincere sympathy.

At the time of death there was due the estate of your husband final retired pay. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of the final pay are herewith inclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin, or the person who paid, or will pay the funeral expenses should execute the inclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the inclosed waiver form. This information is necessary to support the claim for the final retired pay.

In the event you have in your possession any uncashed retired pay checks, these should be returned to Coast Guard Headquarters for settlement with the claim for retired pay due on date of death.

When the inclosed forms have been completed, return them to Coast Guard Headquarters in the inclosed pre-addressed envelope which requires no postage.

By direction of the Commandant.

Very truly yours,

Gentlemen:

Reference your file Misc-2875240.

Inclosed is a letter of Mr. William H. Heinroth, a retired member of the former Lighthouse Service, in w hich he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period August 1, 1946 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $1350.32 per annum, whereas, for the period August 1, 1946 to June 30, 1947, Mr. Heinroth was paid at the rate of $1183.20 per annum - an underpayment of $167.12 per year, or $13.92 per month. Computation of the amount due and appropriation chargeable is as follows:

2071255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1947 - $153.12

For tax withholding purposes, the records of this office show that Mr. Heinroth claims two exemptions.

Mr. Heinroth's mailing address is Port O'Connor, Texas, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Subj: Proposed disability retirement of William H. Heinroth, Keeper

1. The application of Mr. Heinroth for disability retirement has been examined and he has been found to be disabled for further useful and efficient service. The official notice of his retirement will be issued in due time.

2. It is the policy to make retirements under the Lighthouse Retirement Act effective at the close of a month. Since Mr. Heinroth has 17 days, 2 hours annual leave to his credit, it is suggested that your office carry him on the rolls in an annual leave rather than a leave without pay status from expiration of his sick leave at close of 9 July through 31 July, and then compensate him in a lump sum for the remaining 1 day, 2 hours, annual leave to his credit covering the period from 1 August through 2 hours on 2 August, 1946.

3. Headquarters has amended the last entry under "Record of All Active Government Service" on Form 2521 to show Mr. Heinroth's service as ending 31 July rather than 9 July, making his total service 27 years, 9 months, 27 days; and under the computation of rate of retired pay, the last entry has been amended to include salary at $1992 per annum for the entire month of July ($176.20). As a result of these amendments, the annual rate of retired pay will be $1178.83. Form 2249 will be processed accordingly.

Subj: Proposed disability retirement of William H. Heinroth, Keeper

1. The application of Mr. Heinroth for disability retirement has been examined and he has been found to be disabled for further useful and efficient service. The official notice of his retirement will be issued in due time.

2. It is the policy to make retirements under the Lighthouse Retirement Act effective at the close of a month. Since Mr. Heinroth has 17 days, 2 hours annual leave to his credit, it is suggested that your office carry him on the rolls in an annual leave rather than a leave without pay status from expiration of his sick leave at close of 9 July through 31 July, and then compensate him in a lump sum for the remaining 1 day, 2 hours, annual leave to his credit covering the period from 1 August through 2 hours on 2 August, 1946.

3. Headquarters has amended the last entry under "Record of All Active Government Service" on Form 2521 to show Mr. Heinroth's service as ending 31 July rather than 9 July, making his total service 27 years, 9 months, 27 days; and under the computation of rate of retired pay, the last entry has been amended to include salary at $1992 per annum for the entire month of July ($176.20). As a result of these amendments, the annual rate of retired pay will be $1178.83. Form 2249 will be processed accordingly.
