wife and five children in a destitute condition. The family was allowed to remain at the station as long as practicable and it is understood that they are now being taken care of by kindhearted people in the vicinity. As a warrant has been sworn out for the arrest of Hewett, it is not likely that he will return to St.Augustine. If there is any law under which the enclosed check for pay to Hewett could be cashed and applied to the support of his family, it would be of great assistance to them. It is recommended that if there is any possibility of t the Comptroller General approving payment of the salary due Hewett to his dependents that the necessary action be taken to secure such a settlement.

Woodwood V.Hewett,
Coast Guard Service No.193,
Southport, N.C.

November 15, 1920.

Sir:

Your letter without date or address requesting reinstatement in the Lighthouse Service and appointment at Cape Fear Light Station, was received this day.

As you only served as temporary second assistant keeper of Cape Fear Light Station from September 15 to December 15,1918, you would not be eligible for reinstatement, never having served under appointment from the register as required.

You passed the examination for Assistant Keeper and your name was placed on the eligible register November 5,1918. A name can remain on the register for only one year, therefore you could not be considered for appointment as your period of eligibility expired November 5,1919, over a year ago.

If you wish to be considered for any possible vacancy at Cape Fear Light Station and to be regularly appointed, it will be necessary for you to fill out the enclosed form 1025. Be sure and answer all questions, having the jurat and medical certificate completed.

No promise can be made that you will be appointed to Cape Fear Light Station but as there is only one eligible on the list who could be considered for that station, if he does not accept you possibly would be considered.

Respectfully,

P. Farrow,
