SEPTEMBER 13, 1911.

Honorable A. P. Gardner,

Hamilton, Mass.

My dear Sir:

Acknowledging the receipt of your letter of the 11th instant in behalf of the appointment of Malcolm N. ~~Hughes~~ Huse HB as keeper of Bakers Island Light Station.

I have the honor to advise you that your remarks with reference to this matter will receive proper attention when the present keeper of the station has tendered his resignation. It is the custom in the Lighthouse Service, in order to attract and keepcruitable men in charge of light stations, to promote the senior employees, with due regard to the question of efficiency. Of course should there be competent men with longer service record than Mr. Hughes it would be only fair and just to consider their claims for the position before the name of the present assistant keeper is reached for consideration. The question of Mr. Hughes' selection for this position will be given careful consideration, along with the claims of such other applicants in the Service as desire the place.

Very truly yours,

Acting Commissioner.

Sir:

In reply to the Bureau's endorsement of the of the 13th instant,on the letter of the Hon.A.P.Gardner,M.C.,September 11,1911, herewith returned, I would respectfully state that Bakers Island Light Station is considered to be one of the most desirable in the District, and one requiring a man of experience with machinery.

Mr.Elliott C.Hadley,present Keeper of The Graves Light Station, with 21 years' satisfactory service, has been nominated for the position in question.

Mr.Huse has been in the service two years, and his services have not been entirely satisfactory at Bakers Island Station, owing to his lack of experience with fog signal engines.

Dear Sir:-

About three weeks ago while running in my launch "Nautillus" from Marblehead to Hull we grounded on Lovells Island about one and one half hours before dead low tide.

Within ten minutes after we were aground the men by Bug Light came over and offered to do anything possible for us.

I decided to accept of their service and they soon brought over planks and a saw and braced up the boat so it would not list until we were floated again.

I was quite impressed by their prompt action and also by the fact that they would accept nothing for the service which I very much appre ciated.

I am very glad to commend the men who rendered this service.

Yours very truly,

Sir:-

In reply to your communication of the 9th instant.

I, with the assistance of John A. Hoyt, friend of mine who was visiting me, went to the assistance of Launch Nautillus that was ashore on Lovells Island. We shoved her up to prevent her capsizing as the tide was fulling and she was among large rocks. This was on Friday the 13th. (August, 1915).

On the 15th of August at 9.30 p.m. heard distress signal, lowered boat, rowed half way to Boston Light, found a motor boat with three person in it, anchored close to beach, without any gasoline. I towed it out in deeper water and up abreast of light, Then took the owner to Fort Warren so he could telephone to the Coast Guards at Stony Beach who towed the boat to City Point.

Respectfully,

The Second Light-House District,

Sir:

Referring to your letter of the 19th instant nominating Malcolm W. Huse as Assistant Keeper at Duxbury Pier Light-Station, Mass., and stating that he was considered with Messrs. Clarington W. Eldridge and Walter D. Kezer, the Board invites attention to the fact that Eldridge should not have been considered for this position as he stated upon his examination papers that he did not desire to be considered for a station unless there were quarters for the families of keepers at such station. In view, however, of his action in accepting a tender of this position, the Board has charged Eldridge with a consideration therefor, but in the future he should not be charged with a consideration for a station unless there are quarters provided for the families of keepers.

Respectfully,

March 17, 1914.

Submitted to the Secretary of Commerce, approved.

In view of the fact that Huse was reinstated, for the purpose of being permanently appointed third assistant keeper of Cape Ann Light Station, and the fact that the above recommended appointment involves practically no change in his present status, it is recommended that his appointment as permanent third assistant keeper of Cape Ann Light Station be made effective from March 16, 1914, the date of his entrance on duty. Inclosed is a copy of a letter sent the Second Inspector in this matter.

BUREAU OF LIGHTHOUSES

HRW-McC.

Keepers, Cape Ann,
promotions.

March 17, 1914.

Lighthouse Inspector, Boston, Mass.

Referring to your nominations dated March 14, 1914, in the cases of John E. H. Cook, Howard W. Carter, Oren A. Cobb, Jr., Malcolm H. Huse.

Attention is invited to the direction contained in Bureau indorsement of December 22, 1913, on Department letter of December 18, 1913, in this case, directing you to submit appropriate report and recommendation in due time. As the nominations in question were not received in proper time in order to enable the Bureau placing the cases before the Department on December 16, 1914, it is recommended that steps be taken to submit such cases in sufficient time, in order that they may be presented to the Department in ample time to obtain prior Departmental action.

(Signed) G. T. Putnam

March 16, 1914.

Commissioner of Lighthouses:

The Department is in receipt of nominations dated the 14th instant from the Second Inspector, forwarded by the Bureau on the 17th instant, for the appointment of John E. H. Cook, Howard W. Carter, Oren A. Cobb, Jr., and Malcolm N. Huse as keeper, first assistant keeper, second assistant keeper, and third assistant keeper of Cape Ann Light Station, Massachusetts.

The Department has noted the recommendations made in these cases by the Bureau by reason of the failure of the Inspector to submit the nominations referred to in ample time to be acted upon by the Department, it being desired that all of the changes become effective on March 16, 1914.

The Bureau is advised that on December 18, 1913, the Department tentatively approved the changes recommended in the Inspector's nominations of the 14th instant. It was understood at that time that each of the persons named above would receive new appointments on March 16, 1914, in the event that satisfactory and harmonious conditions were being maintained at that station.

In view of the Inspector's report in each instance, the Department has issued appointments to Messrs. Cook, Carter, Cobb, and Huse as recommended, effective March 16, 1914.

It is noted that the Bureau has directed the Inspector to exercise care in the future to submit nominations sufficiently in advance that they may be acted upon by the Department prior to the date it is desired to make the appointments effective.
