My sixth and last point was that the service after graduation offers you neither comfort nor riches. I have already pointed out, however, that there are compensations. You give up comfort, on occasion, but you do so in return for a challenging mode of life which allows maximum physical and mental range and eliminates the possibility of stagnation. You give up riches but you do so in return for a security and freedom from worry which is offered few men in other walks of life. You give up the fixed patterns of routine which are offered in civilian life, but you do so in return for broad horizons and the pleasure of strong fellowship with brother officers banded together in the service of your country and humanity.

At this point gentlemen, I'll put the question to you again - are you sincerely interested in a career in the Coast Guard? If you are, and have been able to leap this first hurdle - the entrance examination - we welcome you aboard! Thank you.

1. The Veterans Administration has notified this office that the term period of your $10,000 National Service Life Insurance issued under policy number V 1422 07 35 will expire on 28 February 1965.

2. Since Public Law 148, 83rd Congress, approved 23 July 1953 provides for the automatic renewal of term insurance, the only action required on your part to maintain the insurance in force is to authorize the following allotment adjustment:

$ 17.70	allotment discontinued with month of last payment	January 1965
$ 26.00	allotment established with month of first payment	February 1965

3. CG Form 4222, Allotment Action Request, enclosed herewith when signed and returned by you will accomplish the required allotment change. It is requested that this form be signed where indicated and returned to Commandant (PS-1) immediately in the enclosed pre-addressed envelope. Subj: National Service Life Insurance, Policy No. N-1 599 839
Expiration of term insurance.

1. There is herewith forwarded a notification from the Veterans Administration that the $10,000 level term National Service Life Insurance issued under policy number N-1 599 839 will expire on 28 February, 1950. In order that you may continue to have the protection of this insurance, it must be renewed or, if you prefer, it may be converted to one of the six permanent plans, i.e., Ordinary Life, 30-Payment Life, 20-Payment Life, 20-Year Endowment, Endowment at age 60 or Endowment at age 65.

2. In view of the fact that the application for renewal of insurance on the five-year level term plan or application for converted insurance must reach the Veterans Administration before the expiration of the current term period, you are urged to take immediate steps toward completing the application and making the necessary allotment adjustment.

3. There is in effect at the present time an allotment of your pay in the amount of $7.90 per month for premiums on National Service Life Insurance as follows:

$7.90 - $10,000 term insurance N-1 599 839 effective 1 March, 1942.

If insurance is renewed, the new allotment should be $9.90. Your authorized certifying officer should be instructed to discontinue the $7.90 allotment with the month of last payment January, 1950 and to establish the new allotment, reflecting the increased premium, effective with the month of first payment February, 1950.

4. The completed application, in duplicate, together with the necessary allotment adjustment (Forms CG-2528 and CG-2528A) should be forwarded to the Commandant (PMM) for transmittal to the Veterans Administration.

5. Advise Commandant (PMM) of action that will be taken by you in connection with your National Service Life Insurance.

Medical Officer in Charge,
U. S. Marine Hospital,
Key West, Fla.

Sir:

Reference is made to the cases of the below named men, all members of the Coast Guard Destroyer WILKES who were admitted to outpatient treatment for syphilis tertiary 12 September, 1933:

ALSTON, Joseph J. (100-116) S.C.2c.
FINLEY, Francis A. (103-508) F.1c.
JANCZYLIK, Joseph P. (105-321) Sea.1c.
MANLEY, Wilbur M. (106-699) C.B.M.
PRICE, Charles (108-564) M.M.1c.

You are advised that these men were all under outline of treatment in the U. S. Marine Hospital, Stapleton, prior to the sailing of the Destroyer Squadron for southern waters. Their outlines were prepared in accordance with Bureau Circular Letter #228, a copy of which is inclosed for your information.

There are inclosed herewith a supply of blank report cards upon which it is requested that you check treatment administered to personnel of the Destroyer Squadron while in southern waters. The usual procedure is being reversed in this case due to the fact that it is not known how long the destroyers will remain south and the dates upon which the personnel will be available for treatment. It is requested that a report card be completed for each treatment administered, stating date of each treatment, and nature. In the cases of personnel from the same ship receiving treatment on the same date, all their names may be entered on one card. Ordinarily these cards are mailed direct to the hospital from Headquarters when treatment dates are known. Headquarters realizes that due to the unusual nature of the duty being performed by the vessels now comprising the Destroyer Squadron, it would be impracticable to place these men under outline.

It is requested that you advise Headquarters as to the treatments of the above named men received on 12 September, and such other treatments that they may receive from time to time while south. It is probably that

personnel from other ships comprising the Destroyer Squadron will report for treatment and it is requested that their cases be handled in the same manner.

By direction of the Commandant.

Respectfully,

A. J. McLAUGHLIN,
Medical Director.

The outlines given above are forwarded for your information only. Information is requested if you desire to follow these outlines or desire to submit new outlines in each case. It is desired that the treatment of these men be continuous with as few breaks as possible.

In the event that you desire to continue these men under the outlines given it is requested that you so advise Headquarters, attention Medical section and these menwill be directed to report on the dates indicated. In the event that you desire to vary from these outlines, which you are at liberty to do so, please so advise Headquarters and the above named men will be directed to report to you for new outlines. It is suggested that perhaps some time could be saved in treating these cases, if you desire to use a new outline, by furnishing such outline, without having the men report to the hospital for the purpose of obtaining same. It is not known whether these treatment dates agree with the dates that treatment is given at your hospital, but it is thought that if they do not agree that new outlines could be prepared giving dates upon which treatment can be administered at Stapleton.

By direction of the Commandant,

Respectfully,

A.J. MC LAUGHLIN,
Medical Director.
